A Voyage in "The Motive Ship Pelican" to the North Pole E. D. Eldridge, 1908 **The Pelican Fables** Ian Grey, 2006-08-30 A modern day gay Lolita The Pelican Fables is a poetic and provocatively written coming of age story that confronts the burgeoning sexuality of a young man in his last year of prep school Adam Proffit is torn apart by his longstanding highly concealed crush on his roommate of two years Kellum Thurman and the newly arrived faculty member Carter Moran whom Adam believes may share his attraction But within the conservatively charged atmosphere of the Melbourne School acting upon any of his sexual impulses presents a dangerous proposition that could jeopardize Adam's existence at Melbourne and destroy the future for which he has worked so long and hard But keeping his feelings hidden poses perhaps an even graver and more devastating challenge Adam must either come to terms with his sexuality or find the emerging self within him destroyed Uplifting and surprising The Pelican Fables will keep you wondering until the very last page **The Pelican's Briefs** Mark R Joneschiet, 2001-06-24 Come celebrate a town Klamath Falls Oregon official population 18 538 people that is the cows you will have to count yourself Join the author in a homespun journey through the past in a town that is the epitome of all hometowns Located on a route that is the shortest distance between Los Angeles and Seattle this town seems innocuous enough however a peak beneath its exterior reveals enough oddities quirks and interesting characters to fuel the tabloids for centuries This rendering of the author's memoirs offers shameless name dropping of well known personalities recounts of events that have local near legendary status among those involved at least and some actual history that didn't quite make it into the history books Fade into the past to an era devoid of terms such as Duuuude Sweeeet and Da Bomb Words that will characterize this world are more like Golly Gosh Gee Whiz and Shucky Darn Let a mildly embarrassed pelican guide you on this tongue in cheek and often ironic visit to a place that isn't too far from everyone's growing up experience [The Pelican](#), 1925 **The Crystal Pelican** Gregory Payette, 2019-12-25 In his most thrilling mystery yet private investigator Henry Walsh dodges bullets bombs and married women to help find a friend's missing fianc Just as he's about to begin the search an explosion rocks the marina where his friend was staying When divers from the Sheriff's Office come up out of the water empty handed Henry can only fear the worst But he keeps his promise and leaves no stone unturned as he continues his search for his friend's fianc And as he hunts for those responsible it's Henry who soon becomes the hunted The target on his back only grows and he must fight to keep those around him out of harm's way His normally hard shelled partner Alex is worried they're in way over their heads She pleads with him to leave it in the hands of the Sheriff's Office But walking away was never Henry's thing And he knows once he has all the pieces he'll have no problem making them fit As long as he can stay alive When Henry finally discovers the one thing everyone's been after getting it is his only option Apparently it's a treasure worth killing for [The Pelican Vendetta](#) R.S.
