J. Cherryh, 2003-11-04 The sixth novel in Cherryh's *Foreigner* space opera series a

groundbreaking tale of first contact and its consequences It has been nearly ten years since the starship Phoenix returned to Alpha the station orbiting the world of the atevi which had been abandoned following a rift between a faction of the station's inhabitants and the spacers Pilot's Guild The unexpected return of the Phoenix has forever changed the lives of both atevi and Mospheirans for over the ensuing decade the captains of the Phoenix have brought both species into space Their motivation seemed simple Reunion Station a human station in another sector of space had been destroyed by aliens But on his deathbed the senior captain of the Phoenix admits that he lied to the crew that Reunion was merely damaged not destroyed and many people may have survived At this disclosure the crew rebels and forces the Phoenix to undertake a rescue mission to Reunion Onboard the rescue mission are Bren Cameron brilliant human paidhi representing the atevi ruler

Tabini aiji and Tabini's grandmother Ilisidi a fearsome and ambitious atevi leader with an agenda of her own Trapped in a distant star system with little fuel left facing a bellicose alien ship how can Bren help to avoid interspecies war when the notoriously secretive Pilot's Guild aboard Reunion Station refuse to cooperate and may have kept the inhabitants of their own station ignorant of their true situation The long running *Foreigner* series can also be enjoyed by more casual genre readers in sub trilogy installments Explorer is the 6th *Foreigner* novel and the 3rd book in the second subtrilogy **How to Live Forever** Stephen R L Clark, 2008-01-28 Immortality is a subject which has long been explored and imagined by science fiction writers In his intriguing new study Stephen R L Clark argues that the genre of science fiction writing allows investigation of philosophical questions about immortality without the constraints of academic philosophy He reveals how fantasy accounts of issues such as resurrection disembodied survival reincarnation and devices or drugs for preserving life can be used as an important resource for philosophical inquiry and examines how a society of immortals might function through a reading of the vampire myth *How to Live Forever* is a compelling study which introduces students and professional philosophers to the possibilities of using science fiction in their work It includes extensive suggestions for further reading both fictional and philosophical and examines the work of such major science fiction authors as Arthur C Clarke Frank Herbert Larry Niven William Gibson and Colin Wilson Pretender C. J. Cherryh, 2007-02-06 The eighth novel in Cherryh's *Foreigner* space opera series a groundbreaking tale of first contact and its consequences Exhausted from a two year rescue mission in space the crew of the starship Phoenix return home to find disaster civil war has broken out the powerful Western Association has been overthrown and Tabini aiji its forceful leader is missing In a desperate move paidhi Bren Cameron and Tabini's grandmother Ilisidi the aiji dowager along with with Cajeiri Tabini's eight year old heir make planetfall and succeed in reaching the mainland The brilliant and forceful Ilisidi seeks refuge at the estate of an old ally and Tabini aiji arrives at the door As word of Tabini's whereabouts circulates clans allied with Tabini descend upon the estate providing a huge civilian presence that everyone involved hopes will deter impending attacks by the usurpers But as more and more supporting clans arrive Bren finds himself increasingly isolated and it becomes clear that both his extremely important report of alien contact in space and even his life rest on the shoulders of only two allies Ilisidi and Cajeiri Can one elderly ateva and an eight year old boy himself a prime target for assassination protect Bren a lone human involved in a civil war that most atevi believe he caused The long running *Foreigner* series can also be enjoyed by more casual genre readers in sub trilogy installments Pretender is the 8th *Foreigner* novel and the 2nd book in the third subtrilogy *The Dreaming Tree* C. J. Cherryh, 1997-12-01 The classic fantasy duology combining *The Dreamstone* and *The Tree of Swords and Jewels* in an omnibus for the first time It was that transitional time of the world when man first brought the clang of iron and the reek of smoke to the lands which before had echoed only with fairy voices In that dawn of man and death of magic there yet remained one last untouched place the small forest of Ealdwood which kept the magic intact and protected the old ways And

there was one who dwelt there Arafel the Sidhe who had more pride and love of the world as it used to be than any of her kind But fear of the world of Faery ran deep in the hearts of men and when Ciaran Cuilean Lord of Caer Wiell a man with Elvish blood in his veins found himself the object of increasing distrust and suspicion from his men his king and even his own family he knew he must once again put his humanity aside and return to Ealdwood For shadows of a newly awakened evil swarmed across both lands and unless Ciaran reclaimed his haunted weapons from the Tree of Swords and joined Arafel he would see this evil overtake not only the warm hearthstones of the mortal keeps but the silvery heart of Ealdwood itself
