The Faith Of Christians:

The Faith of Christians Denis Baly,Royal W. Rhodes,1984 Using simple straightforward language Dennis C Baly and Royal W Rhodes examine the basic tenets of the Christian faith the foundations of this faith in the Bible and the teaching of the early church and revelation in the modern world Their purpose is not to tell people what they ought to believe but to present for consideration and discussion what Christians have traditionally believed and to raise the question of whether traditional beliefs are still valid and if so in what sense they should be understood today The book is the result of a full year s work by the authors in close collaboration with twenty Kenyon College students of diverse religious backgrounds from back cover

The Faith Charles W. Colson,Harold Fickett,2008 Addresses modern world questions about the Christian religion and its tenets drawing on historical events and present day anecdotes to illustrate its joyful aspects while explaining the faith s embrace of the example and message of Jesus

Christian Faith Hendrikus Berkhof,1991 In today s secular world the Christian faith is viewed as only one aspect of what could be called religious life Acknowledging this Hendrikus Berkhof begins this thought provoking study with a sketch of religion and faith in general before narrowing it down to a discussion of the specific place of Christian faith in all of reality

White, 2005-12-19 This compact book for laity introduces the major concepts of the Christian faith in a quick easy to read fashion The author begins with a brief overview of Christian history from biblical times to the present with references to key people and events that shaped the faith He follows this with sections on God Jesus and the Holy Spirit For each of these topics he sketches the basic ideas of the Bible and then

shows how Christians in different centuries and contexts have applied these ideas to their own lives and circumstances Author James White shows us the variety of Christian ideas about God but puts it all in order so that laypeople can understand how it all fits together The end result is an inspiring overview of Christianity in its theological diversity and its continuing relevance for today showing believers just how rich this deep tradition of faith can be The book includes discussion questions and a glossary and is ideal for use in adult study groups **Christianity 101: An Introduction to Faith, Participant's Guide** The Foundry Publishing, 2021-04 This study explores topics such as who God is where the Bible came from what purpose the Holy Spirit serves what role the church plays in our lives and more **Christian Faith** Hendrikus Berkhof, Frederick O.
