The Fall Of Fergal The First Unlikely Exploit

Brendan G. Carr

The Fall Of Fergal The First Unlikely Exploit:

The Fall of Fergal Philip Ardagh, 2002-10 From the creator of the best selling Eddie Dickens Trilogy this is Book One of a darkly hilarious second trilogy charting the extraordinary changes in fortunes of the down trodden McNally family The setting is an unidentified country suffering from an unexpected outbreak of very large holes The McNally children find themselves in The Dell hotel surrounded by a strange assortment of ridiculous characters ranging from Charlie Twinkle Toes Tweedy the house detective to Mr Peach a ventriloquist with a conveniently large moustache With young Fergal McNally falling to his death on page one the only way for the McNallys is up Expect the unexpected with Philip Ardagh pulling out all the stops that make this fiction so unique and so absurd *The Fall of Fergal - The First Unlikely Exploit* Philip Ardagh, 2002

Fall of Fergal Philip Ardagh, 2005-09-01 In the first of Philip Ardagh's darkly hilarious Unlikely Exploits the McNally children find themselves at The Dell Hotel the venue for the final of the Tap n Type typing competition surrounded by a strange assortment of characters ranging from Twinkle Toes Tweedy the house detective to Mr Peach a ventriloquist with a conveniently large mustache With young Fergal McNally falling to his death on page one the only way for the McNallys is up

The Fall of Fergal Philip Ardagh, 2004-05 When Le Fay McNally becomes a finalist in the Tap n Type typewriting competition she and her four unusual siblings stay at the Dell Hotel where they encounter joy tragedy and a variety of interesting characters **The Rise of the House of McNally** Philip Ardagh, 2005-04 In their third and final adventure the McNally children meet Lionel Lyons who asks their help to fix problems that were created by time travelers Heir of

Mystery Philip Ardagh, 2004-09 In their second adventure the four remaining McNally children are drawn to the mysterious Fishbone Forest in search of their dead brother's stolen brain only to discover the terrifying Mr Maggs and his sinister plan to change the world *Humor in Contemporary Junior Literature* Julie Cross, 2010-12-14 In this new book Julie Cross

examines the intricacies of textual humor in contemporary junior literature using the tools of literary criticism and humor theory Cross investigates the dialectical paradoxes of humor and debunks the common belief in oppositional binaries of simple versus complex humor The varied combinations of so called high and low forms of humor within junior texts for young readers who are at such a crucial stage of their reading and social development provide a valuable commentary upon the culture and values of contemporary western society making the book of considerable interest to scholars of both children's literature and childhood studies Cross explores the ways in which the changing content forms and functions of the many varied combinations of humor in junior texts including the Lemony Snickett series reveal societal attitudes towards young children and childhood The new compounds of seemingly paradoxical high and low forms of humor in texts for developing readers from the 1960s onwards reflect and contribute to contemporary society's hesitant and uneven acceptance of the emergent paradigm of children's rights abilities participation and empowerment Cross identifies four types of potentially subversive transgressive humor which have emerged since the 1960s which coupled with the three main theories of humor

relief superiority and incongruity theories enables a long overdue charting of developments in humor within junior texts Cross also argues that the gradual increase in the compounding of the simple and the complex provide opportunities for young readers to play with ambiguous complicated ideas helping them embrace the complexities and contradictions of contemporary life

Popular Series Fiction for K-6 Readers Rebecca L. Thomas, Catherine Barr, 2004 Because of their popularity books in series are great vehicles for fostering literacy among all types of readers who are almost always adamant about reading every title in the series in series order Yet traditional information sources on children's and YA literature include very little about series fiction so librarians often have difficulty managing this literature This guide will be a rich resource and time saver for librarians who work with children It introduces users to the best and most popular fiction series of today covering more than 1 000 series with over 10 000 titles appropriate for elementary readers Annotations also indicate series and titles accepted by some of the popular electronic reading programs e g Accelerated Reading Reading First A numbered list of titles in the series follows

Puffin Good Reading Guide for Children Ruskin Bond, 2006-05 A comprehensive guide to fiction in English for readers aged four to sixteen The Puffin Good Reading Guide for Children is divided into three sections to suit every age group It has entries listing over 1000 books and is divided into categories with cross references so that children can read more in genres they like It includes both classics and the best of contemporary works and books from all over the world With an introduction by Ruskin Bond India's best known children's writer in English The Puffin Good Reading Guide is an invaluable resource for children who love books as well as for parents and friends looking for the right book for the young people in their lives

The Oxford Companion to Children's Literature Daniel Hahn, 2015-03-26 The last thirty years have witnessed one of the most fertile periods in the history of children's books the flowering of imaginative illustration and writing the Harry Potter phenomenon the rise of young adult and crossover fiction and books that tackle extraordinarily difficult subjects The Oxford Companion to Children's Literature provides an indispensable and fascinating reference guide to the world of children's literature Its 3 500 entries cover every genre from fairy tales to chapbooks school stories to science fiction comics to children's hymns Originally published in 1983 the Companion has been comprehensively revised and updated by Daniel Hahn Over 900 new entries bring the book right up to date A whole generation of new authors and illustrators are showcased with books like Dogger The Hunger Games and Twilight making their first appearance There are articles on developments such as manga fan fiction and non print publishing and there is additional information on prizes and prizewinners This accessible A to Z is the first place to look for information about the authors illustrators printers publishers educationalists and others who have influenced the development of children's literature as well as the stories and characters at their centre Written both to entertain and to instruct the highly acclaimed Oxford Companion to Children's Literature is a reference work that no one interested in the world of children's books should be without
