The Guevara Legacy:

The Guevara Legacy J. Choate Parker, 2001-06-19 Provocative fast paced action story chronicles the confrontation and checkmate of American world power by an Alliance of Middle Eastern and Central Asian Islamic Republics put together by the brilliant new President of Iran Saladin al Hassan The powerful but mysterious Compa del Mundo CdelM helps Saladin and the Alliance finesse their objectives Leading the action for CdelM Ben and his beautiful wife Elena Garcia Sandoval heirs apparent of Guevara s legacy experience the highest levels of international politics terrorism intrigue ambition revenge family tragedy and love

Che Lives! Shannon Brincat, 2025-08-12 This book explores the vast and ongoing legacy of Che Guevara in world politics It is one of the first volumes to explore both historical and contemporary manifestations of Che s legacy with an emphasis on the international dimensions of his thought and praxis The chapters in this volume explore the ongoing influence of Che across political economy revolutionary traditions guerilla warfare resistance movements in the global South studies of neoimperialism and decolonialism internationalism education and political theory This volume highlights that Che s thought remains highly relevant in contemporary world politics because the structures of global economic exploitation and social marginalisation continue to operate as they did in Che s time This volume offers a critical engagement with Che s ideas and actions across world politics weaving a path beyond man myth and moment narratives to offer a balanced account that engages across the highly contested nature of Che s legacy This book will be of interest to anyone concerned with history politics and international relations Most of the chapters in this book were originally published as a special issue of Globalizations with this edition featuring three new chapters an updated Introduction and a new postscript

Che Guevara Oliver Besancenot, Michael Löwy, 2009-02 In this masterful new study Besancenot and Lowy explore and situate Guevara s ethical revolutionary and humanist legacy They explicate Guevara s emphasis on the import of the individual coming to understand and accept socialism at a personal level For Guevara Besancenot and Lowy show the revolutionary project demands more than a transformation of the mode of production it demands a profound transformation of the individual the birth of what Guevara termed the new man Besancenot and Lowy also explore Guevara s pragmatic approach to the question of state power and unique theoretical contributions to the question of the transition to socialism from Amazon editorial review

Che's Afterlife Michael J. Casey, 2012-06-06 In 1960 Cuban photographer Alberto Korda captured fabled revolutionary Ernesto Che Guevara in what has become history s most reproduced photo Here Michael Casey tells the remarkable story of this image detailing its evolution from a casual snapshot to an omnipresent graphic plastered on everything from T shirts to vodka to condoms and into a copyrighted brand As Casey follows it across the Americas and through cyberspace he finds governments exploiting it and their dissenters attacking it merchants selling it and tourists buying it We see how this image is ultimately a mercurial icon that still ignites passion and a reflection of how we view ourselves

The Life and Legacy of Che Guevara Charles River Editors, 2025-05-28 The revolution is not an apple

that falls when it is ripe You have to make it fall Che Guevara Ernesto Guevara de la Serna known to the world as Che has led two lives In the first of these lives the Argentine born revolutionary was a remarkable and flawed doctor turned guerilla who left behind a highly controversial political legacy In the second he was and is first and foremost an image Specifically he is one particular image in which he appears as a wavy haired bearded young man with a beret and an intense gaze The photograph entitled Guerrillero Heroico and taken on March 5 1960 by Cuban photographer Alberto Korda is said to be the most reproduced image in the history of photography Although Che's face as captured by Korda first achieved its global iconic status during the student revolts of the 1960s it has subsequently reappeared again and again as a branding device for a wide array of products Korda himself brought a copyright lawsuit against Smirnoff Vodka for using Guerrillero Heroico in an advertising campaign and since Korda's 2001 death his daughter has gone to court with several other companies There is little market for the type of revolution that Che advocated and pursued but the aura of rebellion that his image exudes still carries a notable sway The current status of Che Guevara then is paradoxical The political platform he advocated as a communist revolutionary has been almost universally repudiated and only maintains a weak hold even in Cuba the country where he exercised the greatest impact The violent struggles he spearheaded in the Congo and Bolivia look at best quixotic and at worst foolish and pointlessly destructive Yet Che is in no danger of being forgotten mainly due to the persistent appeal of a decontextualized image Most ironically of all his image is frequently deployed to the direct economic benefit of the kinds of multinational corporations whose power he hoped to obliterate In contrast to the quaint and hoary air that now surrounds other revolutionaries like Lenin Mao and even Fidel Castro Che has managed to maintain a youthful glamour and allure in the post Cold War world And although any future revolutionary movements in an increasingly urbanized world are unlikely to look much like the peasant insurgencies Che led and theorized it is likely that their leaders will continue to invoke his image and his example When considered as a political figure Che is most notable for his unwavering commitment to the ideals and goals that motivated him Even his fiercest critics would never accuse him of cynicism and his lack of willingness to compromise probably did him significant damage and shortened his life Unusually among revolutionary leaders and in stark contrast to his compa ero Castro Che seemed to have no strong attachment to power Having reached the pinnacle of his authority as the second in command of the new revolutionary Cuba and having occupied several prominent government positions he preferred to leave Cuba and take part in obscure and ultimately hopeless struggles in remote corners of Africa and South America He was as vulnerable as any of the far less famous men he fought with and he suffered the same fate as many of them Depending on who's asked his dogged and fierce commitment may be described as admirable idealism or as deranged dogmatism

Eternal Colonialism Russell Benjamin, Gregory O. Hall, 2010-02-03 This book examines eternal colonialism a term used to describe the policies that were designed by the Western world and the United States in order to keep most of the world in a permanently subordinate political economic social and military state Eternal colonialism is a

combination of both internal and external colonialism or neocolonialism Benjamin and Hall argue that the colonialism beginning in the fifteenth century never ended but rather developed different forms over time The scope of their work examines eternal colonialism in both American and international contexts The authors contend that the United States practices internal colonialism within its borders in addition to being fully engaged in external colonialism Eternal Colonialism will prove essential to those who want to understand the ongoing global tension and turmoil especially with regard to North South relations Furthermore readers will see how the United States arguably the greatest of the colonizers practices colonialism within its own borders Additionally this book demonstrates that internal and external colonialism are parts of a global system of Western domination

Of My Time J. Choate Parker, 2008-10 a collection of narration and poetry that is such a warming nostalgic trip back through Jim Parker s interesting life that it makes one wish to write something similar to recapture the beauty we are afforded in our existence It s a captivating package written by a talented writer Robert Skimin robertskimin.com Author of many bestsellers Jimmie Parker s collections of reflections are bilingual reflections of a well lived life Only a life well lived would yield this collection of observations that are eternal in their reach and poetic in their touch Arnold Garcia Jr Editorial Page Editor Austin American Statesman This book is a memoir presented through a collection of prose poetry photographs drawings and a musical composition The first eight pieces are reflective of my feelings insights and concerns about certain aspects of the human condition poverty man s inhumanity to man end of life issues a search for meaning and finding one s spiritual path From the love of a beautiful mother for her children to the ins and outs of adult love the next nine pieces About Love evoke universal experiences with love The eight pieces in Peace War demonstrate a strong preference for peace over war Facing death requires great courage as does facing life The poem play in section four dramatizes the need for drastic change in the United States of America My preamble touches on one s need to handle scarcity and to deal with conflict both internally and externally and the need to find meaning and spirituality in one s life

The Legacy of Che Guevara and the Latin American Revolution William Sanabria, Miguel Campos, 2007 ,
