Burnett,2017-02-19 The Head of the House of Coombe deals with London before the Great War and the best drawn character in it is Mrs Gareth Lawless a beautiful but heartless woman To read of her is to realize the wonderful power personal beauty wields no matter what the handicap as regards lack of intelligence The heroine is her daughter so neglected as a child that

until she is six she has never been kissed Living in dismal upper rooms in a small London house she knows her mother only as The Lady Downstairs Lord Coombe from whom the book takes its name is a rather theatrical character known all over Europe for his good clothes his fine breeding and his vices but it is to him that Robin Gareth Lawless all unwittingly owes her education the companionship of two women who love her an escape from her dull existence and even more than that for Lord Coombe rescues her from a great and real danger *The Head of the House of Coombe* Frances Hodgson Burnett,2021-04-19 The Head of the House of Coombe follows the relationships between a group of pre World War One English nobles and commoners It also offers both some interesting editorial commentary on the political system in prewar Europe that Burnett feels bears some responsibility for the war and some surprisingly pointed social commentary **The Head of the House of Coombe Illustrated**Frances Frances Hodgson Burnett,2021-04-14 The Head of the House of Coombe follows the relationships between a group of pre World War One English nobles and commoners It also offers some interesting editorial commentary on the political system in prewar Europe that Burnett feels bears some responsibility for the war and some surprisingly pointed social commentary **The Head of the House of Coombe "Annotated Book Edition"** Frances Hodgson Burnett,2021-04-24 The Head of the House of Coombe follows the relationships between a group of pre World War One English nobles and commoners It also offers both some interesting editorial commentary on the political system in prewar Europe that Burnett feels bears some responsibility for the war and some surprisingly pointed social commentary *The Head of the House of Coombe (Classic Reprint)* Frances Hodgson Burnett,2017-10-12 Excerpt from The Head of the House of Coombe It began at least years before the world being rocked to and fro revealed in the pause between each of its heavings some startling suggestion of a new arrangement of its kaleidoscopic particles and then immediately 3 Re arrangement and another and another until all belief in a permanency of design seemed lost and the inhabitants of the earth waited helplessly gazing at changing stars and colours in a degree of mental chaos Its opening incidents may be dated from a period when people still had reason to believe in permanency and had indeed many of them sometimes through ingenuousness sometimes through stupidity of type acquired a singular confidence in the importance and stability of their possessions desires ambitions and forms of conviction London at the time in common with other great capitals felt itself rather final though priding itself on being much more uid and adaptable than it had been fifty years previously In speaking of itself it at least dealt with fixed customs and conditions and established facts connected with them which gave rise to brilliant or dull witticisms About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve
