✓ Exclusively available on IvyPanda

"Heroes are made by the paths they choose, not the powers they<sup>7</sup> are graced with." The significance of character defects in the development of an epic hero is highlighted in this quotation by author Brodi Ashton. Two of the most well-known epic characters in literature, Odysseus and Gilgamesh, have distinguishing characteristics that set them apart. However, their shortcomings and contradictions make their personalities complex and relatable to readers. Although Gilgamesh and Odysseus exhibit characteristics of classic epic heroes, their flaws—such as pride, impulsivity, and a propensity for hubris—add depth to their characters, highlighting their humanity and rendering them memorable literary characters.

Ancient Greek literature is where the traits of an epic hero first appeared, which included physical strength, brains, courage, leadership, and wisdom. These qualities are present in different degrees in both Gilgamesh and Odysseus, and they share the ideals and values of the people in their communities. These definitions can be well related and compared to the odyssey pdf since the heroes possess ideals and values that their communities consider admirable (Homer 1194). For instance, Gilgamesh is renowned for his extraordinary bravery, physical prowess, intellect, and natural leadership qualities, as evidenced by his quest for immortality (Sandars 4-5). On the other hand, Odysseus is admired more for his cunning and cleverness than for his strength, and his most significant strength is the capacity to outwit his enemies.

Both Gilgamesh and Odysseus, despite having many admirable qualities, behave inconsistently and have faults that have disastrous results. When Gilgamesh decided to slay the Bull of Heaven, he killed his best friend, Enkidu, due to his conceit and impatience. Because he fears dying and wishes to avoid it, he resists accepting his mortality. However, as demonstrated by his decision to reveal his identity to Polyphemus, Odysseus's haughtiness and pride ultimately cause him to lose some of his ships and many of his crew.

Odysseus and Gilgamesh have qualities and features that are uncommon in epic heroes. For instance, Gilgamesh is shown to have powerful feelings and vulnerability,
