The Epistle of Paul to the Ephesians David J. Garrard, 2023-01-27 Ephesians high Christology means that it is impossible to read without making the individual aware of the absolute supremacy of the One who took on flesh for mankind's salvation Yet it is no simple study and one which requires careful examination of the numerous topics covered by Paul The purpose of this book is to develop not only Ephesians interpretation but facilitate a better understanding of the factors which have bearing upon everyday Christian living It is vital to grasp how these factors influence our relationship with what Christ has already made available for his followers and assure them of the perfection which is yet to be fully established at Christ's return The letter is full of unique material including the fascinating section on spiritual warfare in the last chapter As westerners our worldview tends to limit our understanding of the unseen world so that we often wrestle with such concepts as angels the Devil and demons but Paul makes it very clear that not only are these powers quite real but that at every level Christ is supreme This should give each of his followers the fortitude to aim at victorious living in him
