The Essence Of God:

Natural Theology Bernard Boedder, 1915 *The Essence of God in the Doctrine of Trinity* Marcel Okonkwo, 2020-12-16

This book is a Dogmatic Theology book which explains the undivided unity among the three persons in one God. The divine essence is thus not something that exists above or separate from the three Persons but the divine essence is the being of the three Persons. Neither should we think of the Persons as being defined by attributes added on to the being of God. Wayne Grudem 1994 explains: But if each person is fully God and has all of God's being then we also should not think that the personal distinctions are any kind of additional attributes added on to the being of God. Rather each person of the Trinity has all of the attributes of God and no one Person has any attributes that are not possessed by the others. On the other hand we must say that the Persons are real that they are not just different ways of looking at the one being of God the only way it seems possible to do this is to say that the distinction between the persons is not a difference of being but a difference of relationships. This is something far removed from our human experience where every different human person is a different being as well. Somehow God's being is so much greater than ours that within his one undivided being there can be an unfolding into interpersonal relationships so that there can be three distinct persons.

The Role of God in Spinoza's Metaphysics Sherry Deveaux, 2007-02-26

Baruch Spinoza began his studies learning Hebrew and the Talmud only to be excommunicated at the age of twenty four for supposed heresy. Throughout his life Spinoza was simultaneously accused of being an atheist and a God intoxicated man. Bertrand Russell said that compared to others Spinoza is ethically supreme the noblest and most lovable of the great philosophers. This book is an exploration of what Spinoza understood God to be and how for him the infinite and eternal power of God is expressed and how finite human beings can have a true idea of this greatest of all entities. Sherry Deveaux begins with an analytic discussion of these three questions and an explication of three different views held by contemporary commentators on Spinoza. She then shows that the commonly held views about Spinoza are inconsistent with Spinoza's texts especially his magnum opus the Ethics. Next comes an analysis of topics in Spinoza that must be understood in order correctly to answer the three questions. For example the notions of power and true idea are discussed along with Spinoza's definition of the essence of a thing which is shown to be central to the discussion of Spinoza's God. Deveaux then claims that Spinoza defines God's essence as absolutely infinite and eternal power and that contrary to the commonly held view that God's essence is identical with the attributes e.g. thought and extension God's essence or power is expressed through the attributes.

The Essence of God Marie Burkins, 2024-07-29 *The Indescribable God* Barry D. Smith, 2012-10-05

The God of classical Christian faith is radically transcendent utterly beyond understanding and words. So if God is to be known it must be in the luminous darkness of unknowing. Drawing on a wide range of primary sources biblical patristic and medieval Barry D. Smith identifies and explores seven ways of expressing the otherness of God in classical Christian thinking. By allowing historical theologians to speak for themselves he shows how an aversion to ontotheology long

precedes postmodernism The book first lays out the Old Testament and New Testament foundations for subsequent Christian reflections on divine transcendence These were the teachings that the early church assumed and with the assistance of Greek philosophy further refined with their own set of apophatic conceptual tools The main focus of the book is a sevenfold exposition of that theological refinement Smith concludes by looking towards possible future theological developments within this apophatic tradition Drawing on the theological methodology of historic Christianity he indicates how a synthesis of the biblical teaching on the otherness of God with philosophical traditions other than those inherited from Greek philosophy is also possible

God, Time, Infinity Mirosław Szatkowski, 2018-05-07 The issues of the nature and existence of God time and infinity respectively and how they relate to each other are some of the most complicated problems of metaphysics This volume presents contributions of thirteen internationally renowned scholars who deal with various aspects of these complex issues The contributions were presented and discussed during the international conference God Time Infinity held in Warsaw September 22-24 2015

To Gaze upon God Samuel Parkison, 2024-09-03 Though the doctrine of the beatific vision has woefully been forgotten in the church today Samuel Parkison argues that the beatific vision is central for the life of the church today Through close readings of Aquinas Dante Calvin and more Parkison reminds us of the beatific vision's historical and contemporary significance

The Mind of God Dr. Jay Lombard, 2018-09-11 For fans of Deepak Chopra Rudy Tanzi and Andrew Newberg A renowned behavioral neurologist provides insights to some of the most curious spiritual questions we all face Is there a God It's a question billions of people have asked since the dawn of time You would think by now we'd have a satisfactory universal answer No such luck Or maybe we do and we just need to look in the right place For Dr Jay Lombard that place is the brain and more importantly the mind that center of awareness and consciousness that creates reality In *The Mind of God* Dr Lombard employs case studies from his own behavioral neurology practice to explore the spiritual conundrums that we all ask ourselves What is the nature of God Does my life have purpose What's the meaning of our existence Are we free What happens to us when we die For Lombard these metaphysical questions are a jumping off point for exploring the brain in search of the seat of the soul It is neuroscience the author contends and how we and our brains interpret what's going on around us that can lead us to a deeper and more fulfilling faith Mixing his personal experiences in the medical field including compelling cases such as the male patient who really thought he was pregnant and a woman who literally scared herself to death along with his own visionary insight into spiritual experience Lombard has much to tell us about the nature and power of belief and what we can do to focus our beliefs in a positive direction If you want to find more meaning in your life or are searching for a deeper understanding of why we believe what we believe then this book can lead to an exciting transformation in the way you see and understand the world around you With cutting edge research and provocative case studies renowned behavioral neurologist provides insights to some of the most curious spiritual questions of mortality

Commentary of Cornelius À Lapide: S. John's gospel, chaps. 1-11. 3rd ed Cornelius Cornelii a Lapide,1908 **The Great Commentary of Cornelius À Lapide ...** Cornelius Cornelii a Lapide,1908 **Ecosophical Aesthetics** Patricia

MacCormack,Colin Gardner,2018-06-14 Inspired by the ecosophical writings of Felix Guattari this book explores the many ways that aesthetics in the forms of visual art film sculpture painting literature and the screenplay can act as catalysts allowing us to see the world differently beyond traditional modes of representation This is in direct parallel to Guattari s own attempt to break down the 19th century Kantian dialectic between man art and world in favour of a non hierarchical transversal approach to produce a more ethical and ecologically sensitive world view Each chapter author analyses artworks which critique capitalism s industrial devastation of the environment while at the same time offering affirmative imaginative futures suggested by art Including contributions from philosophers film theorists and artists this book asks How can we interact with the world in a non dominant and non destructive way How can art catalyze new ethical relations with non human entities and the environment And crucially what part can philosophy play in rethinking these structures of interaction

Avicenna on the Ontology of Pure Quiddity Damien Janos,2020-05-05 This study focuses on the metaphysics of the great Arabic philosopher Avicenna or Ibn S n d 1037 C E More specifically it delves into Avicenna s theory of quiddity or essence a topic which seized the attention of thinkers both during the medieval and modern periods Building on recent contributions in Avicennian studies this book proposes a new and comprehensive interpretation of Avicenna s theory of the pure quiddity also known as the quiddity in itself and of its ontology The study provides a careful philological analysis of key passages gleaned from the primary sources in Arabic and a close philosophical contextualization of Avicenna s doctrines in light of the legacy of ancient Greek philosophy in Islam and the early development of Arabic philosophy falsafah and theology kal m The study pays particular attention to how Avicenna s theory of quiddity relates to the ancient Greek philosophical discussion about the universals or common things and Mu tazilite ontology Its main thesis is that Avicenna articulated a sophisticated doctrine of the ontology of essence in light of Greek and Bahshamite sources which decisively shaped subsequent intellectual history in Islam and the Latin West **Theological Models of the Doctrine of the Trinity** James Henry Owino Kombo,2016-08-30

The doctrine of the Trinity is the foundational doctrine for all Christian theology doxology and practice In this publication James Kombo brings a unique and valuable contribution to understanding the Trinity and how God can be understood within the context of any culture and language Kombo first recognizes and brings into focus God s self presentation in Scripture as the triune God Moving from the early church through various church traditions over the centuries he interacts with how each tradition viewed God and their interpretation of the Trinity Closing with a distinctly African view of God from the Luo language tradition used mostly in Kenya and Tanzania Kombo emphasises the benefits of considering alternative models of interpretation from various regions of the world Kombo s work applying his research across cultures makes this an excellent resource in any context of ministry and the academy **Maximus the Confessor and Evolutionary Biology** Andrew P.

Jackson,2024-11-04 This book brings Maximus the Confessor's logoi doctrine into dialogue with modern day evolutionary biology It explores the extent to which the logoi as described by Maximus exhibit features that are concordant with evolution before going on to consider more discordant aspects that cannot be ignored The author addresses the curious resonance between the logoi and evolution in a systematic way through a close reading of primary textual material allied with a deep understanding of both the classical Darwinian and extended evolutionary syntheses The study joins with other Maximian interpreters in attesting to the incarnational and theophanic nature of the logoi but seeks to extend this distinctively Eastern Christo cosmology into the problematic territory of biological evolution a territory historically dominated by Western scholarship The book will be of interest to scholars of religion and science as well as Patristics and the Eastern Orthodox theological traditions On a Complex Theory of a Simple God Christopher Hughes,1989 Hughes discusses Aquinas work regarding the apparently irreconcilable theses of natural and revealed theology and he argues that Aquinas fails in his attempt to reconcile absolute simplicity with the doctrines of the Trinity and the Incarnation Hughes also offers a provocative account of divine simplicity and explores its implications for the Thomistic doctrines of the Trinity and Incarnation

Introduction to Philosophy Jack Rogers,Robert A. Evans,Forrest E. Baird,1998-07-21 This unique approach to the history of Western thought uses the case study method to clarify ways of understanding reality and defining philosophy The cases reflect the life experiences of twelve key philosophers from classical to contemporary times Rogers and Baird summarize the historical context central questions and crucial factors of each life discussed A brief response to each case written by a major contemporary philosopher helps readers analyze the cases and shows how philosophy deals with basic human concerns Each case includes study questions notes and suggested readings **The Collected Works of Witness Lee, 1969, volume 3** Witness Lee, The Collected Works of Witness Lee 1969 volume 3 contains messages given by Brother Witness Lee from July 17 through December 28 1969 Brother Lee remained in Los Angeles through the month of July until the end of August He made a brief trip to San Francisco California and then rested nearly the entire month of September At the beginning of October he visited San Francisco California and then traveled to Phoenix Arizona Mesa Arizona Albuquerque New Mexico Las Vegas Nevada and San Francisco California a second time After returning to Los Angeles for one day in the middle of November he visited Yorba Linda California Louisville Kentucky Toronto Canada East Hartland Connecticut Boston Massachusetts New York City Pittsburgh Pennsylvania and Erie Pennsylvania He returned to Los Angeles at the end of December Regrettably there is no record of his speaking in Phoenix Las Vegas Louisville Toronto East Hartland and Boston The majority of his speaking in Pittsburgh and Erie was recorded in handwritten notes The contents of this volume are divided into fourteen sections as follows 1 Twenty six messages given in Los Angeles California from July 17 through August 21 These messages were previously published in a twenty four chapter book under the title Christ and the Church Revealed and Typified in the Psalms 2 One message given in Los Angeles California on August 16 It is included in this volume under

provides the single most comprehensive and accessible presentation of the teachings and worldview of the Vilna Gaon's primary student Rabbi Chaim Volozhin. It is focused on Rabbi Chaim's magnum opus Nefesh HaChaim, a work that has lain in almost total obscurity for nearly two centuries due to its deep Kabbalistic subject matter. Nefesh HaTzimtzum opens up the real depth of the ideas presented in Nefesh HaChaim together with all of Rabbi Chaim's related writings, making them accessible to the public for the first time in any language. In addition to the complete English translation of Nefesh HaChaim, Nefesh HaTzimtzum includes the full Hebrew text of Nefesh HaChaim and many other writings by Rabbi Chaim with correspondingly hyperlinked English and Hebrew texts along with in-depth explanations, an informative historical overview, an easily consumable innovative presentation layout, and a full index. After centuries of confusion, extensive clarification is provided of the central Kabbalistic concept of Tzimtzum, or the secret of how an infinite God occupies a finite world. Most importantly, it unequivocally demonstrates that the key Kabbalists, including the Vilna Gaon, Rabbi Chaim Volozhin, and the Baal HaTanya, all unanimously agreed on the underlying principles of the concept of Tzimtzum, and that contrary to widespread historical misunderstanding, there was no fundamental dispute about the philosophical principles of Judaism between the Hasidim and the Mitnagdim. Based on this, Nefesh HaTzimtzum shows that both Nefesh HaChaim and Sefer HaTanya present the same methodology for serving God, which is rooted in their identical understanding of the concept of Tzimtzum. Nefesh HaTzimtzum is published in two volumes which are sold separately. This volume contains the complete Hebrew text of Nefesh HaChaim, which is brought to life by an illuminating translation and incisive commentary. It additionally provides extensive translated source material necessary to properly understand the basic text. The text is further complemented by an informative introduction which includes a historical overview.

God's New Testament Economy

Witness Lee, *God's New Testament Economy* is a thorough study of the New Testament. It does not provide superficial inspiration nor is it a dry systematic analysis. However, in this book, Witness Lee presents a revelation of the Triune God's plan that will both inform and encourage the reader to pursue a full experience of our wonderful Triune God.

The Essence Of God Introduction

In today's digital age, the availability of The Essence Of God books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Essence Of God books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Essence Of God books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Essence Of God versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Essence Of God books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Essence Of God books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Essence Of God books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Essence Of God books and manuals for download have transformed the way we access information. They provide a cost-effective and

convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Essence Of God books and manuals for download and embark on your journey of knowledge?
