*Cal 98 the Essene Book of Days Calendar* Danaan Parry, 1997-08      *The Essene Christ* Upton Clary Ewing, 1961      *The Secret Life of Jesus the Essene* Raymond W. Bernard, 1997-09 A remarkable revelation concerning the true character life and crucifixion of Jesus by eye witnesses who knew him based on the Safed Alexandrian Essene Scrolls      *The Essene Book of Days, 2000* Danaan Parry, 1999-08      *Deception in the Church* Mary Kelsey, 2006-01-06 Deception in the Church brings a timely warning to both Christians and non Christians to be alert to the strategies satan uses to keep us from the truth The book traces the historical development of Christianity the battles for the faith against the legalism and tradition of the Jews to the influences of Greek philosophy and Gnosticism It reveals the heresy and corruption of the faith by Roman Catholicism and the undermining influences of science and humanism to post modernism and New Age thinking      **Rhetoric and the Dead Sea Scrolls** Bruce McComiskey, 2021-04-26 Discovered in 1947 the Dead Sea Scrolls are a collection of ancient Israelite documents many of which were written by a Jewish sectarian community at Qumran living in self exile from the priesthood of the Second Temple This first book length study of the rhetoric of these texts illustrates how the Essenes employed different rhetorics over time as they struggled to understand God s word and their mission to their people who seemed to have turned away from God and his purposes Applying methods of rhetorical analysis to six substantive texts Miq at Ma a eh ha Torah Rule of the Community Damascus Document Purification Rules Temple Scroll and Habakkuk Pesher Bruce McComiskey traces the Essenes use of rhetorical strategies based on identification dissociation entitlement and interpretation Through his analysis McComiskey uncovers a unique fascinating story of an ancient religious community that had sought to reintegrate into Temple life but dejected instead established itself as the new covenant people of God for this world only to turn ultimately to a trust in a metaphysical afterlife Presenting forms of ancient Jewish rhetoric largely uninfluenced by classical rhetoric this book broadens our understanding of human and religious rhetorical practice even as it provides new insight into the events that led to the emergence of the Talmudic period Rhetoric and the Dead Sea Scrolls will be useful to scholars working in the fields of religious rhetoric Jewish studies and early Christianity      **The Secret Legacy of Jesus** Jeffrey J. Bütz, 2009-12-21 Shows how the true teachings of Jesus were passed down through the centuries and shaped the vision of the Founding Fathers Reveals for the first time the hidden link that connects James the Brother Islam the Cathars the Knights Templar and Freemasonry Shows how the Founding Fathers used these teachings enshrined in Masonic principles to build a new nation With the success of Paul s desire to impose his vision for the Church the true teachings of Jesus as preserved by his family and disciples were forced into hiding This clandestine movement was evidenced by such early groups as the Nazarenes Ebionites and Elkesaites but is generally thought to have died out when the Church of Paul branded these groups as heretics However despite the ongoing persecution by the Roman Catholic orthodoxy this underground Jewish strain of Christianity was able to survive and resist incorporation into its more powerful rival Jeffrey B tz

author of *The Brother of Jesus and the Lost Teachings of Christianity* reveals for the first time the hidden theological link that connects James the Brother of Jesus and the Ebionites with the religion of Islam the Cathars the Knights Templar and Freemasonry In *The Secret Legacy of Jesus* B tz demonstrates how this centuries old underground stream of Christ s original teachings remained alive and how it surfaced again in Colonial America where the Founding Fathers used Masonic principles rooted in Jewish Christian teachings to establish what they believed would be a New Jerusalem With the rise of a fundamentalist Christianity this potent spiritual vision was lost but B tz contends it can be recovered and used to bring about the reconciliation of Christians Jews and Muslims throughout the world      **The Dance of Learning** Jeannette Regan,2009 What is the spark that lights the fire of learning between learner and teacher This study uses action research and action learning to deepen the author s understanding and praxis      **Essene Book of Days, 1999** Danaan Parry,1998-08-01

**Jesus as the Fulfillment of the Temple in the Gospel of John** Paul M. Hoskins,2007-02-01 This study examines John s portrayal of Jesus as the fulfillment and replacement of the Temple It also shows how a traditional conception of typology can be helpful for understanding the nature of the relationship between Jesus and the Temple Interpreters often associate John 1 14 1 51 2 18 22 and 4 20 24 with Jesus replacement of the Temple Based on these texts one can already begin to see that he fulfills and replaces the Temple in that he is the new locus of God s presence glory revelation and abundant provision for his people In particular John 2 18 22 clearly associates Jesus role as the Temple with his death and resurrection According to Isaiah part of God s decisive action on behalf of his people and for revealing himself to the nations is the lifting up of the Temple above all other temples In John this expectation finds its fulfillment in Jesus John s language of lifting up and glorification marks Jesus death resurrection and exaltation as climactic events through which God lifts up and glorifies Jesus the true Temple Jesus death resurrection and exaltation are also the means by which God provides for his people Jesus offers his flesh and blood for the life of the world and sends the Spirit to enrich believers with the benefits of his sacrificial death In doing so he simultaneously fulfills prophecies and patterns associated with the Passover Feast of Tabernacles Feast of Dedication and the Temple      *Alexandria and Qumran: Back to the Beginning* Kenneth Silver,2017-12-31 This book addresses the proto history and the roots of the Qumran community and of the Dead Sea Scrolls in the light of contemporary scholarship in Alexandria Egypt      **Jesus, A Visual History** Donald L. Brake,2014-11-25 *Jesus A Visual History* offers a unique vantage point into Jesus story introducing readers to the historical context of Gospel accounts Its easy reading style thorough research and visual presentation will leave readers with a greater and lasting appreciation for Jesus the Messiah Maps and charts summarize and visualize the events of Jesus life along with full color photos and 19th century black and white images of the modern sites where biblical events took place In addition original artwork researched for accuracy illuminates Jesus life and work This engaging visually driven book will be valued by readers as an accessible yet accurate invitation to better understand both the Holy Land and the Savior who walked it      **A History of the Jews and Judaism in**

**the Second Temple Period, Volume 3** Lester L. Grabbe, 2020-02-20 This is the third volume of the projected four volume history of the Second Temple period collecting all that is known about the Jews from the period of the Maccabean revolt to Hasmonean rule and Herod the Great Based directly on primary sources the study addresses aspects such as Jewish literary sources economy Qumran and the Dead Sea Scrolls the Diaspora causes of the Maccabean revolt and the beginning and end of the Hasmonean kingdom and the reign of Herod the Great Discussed in the context of the wider Hellenistic world and its history and with an extensive up to date secondary bibliography this volume is an invaluable addition to Lester Grabbe's in depth study of the history of Judaism

*Jesus and Purity Halakhah* Thomas Kazen, 2021-12-03 This study traces Jesus attitude to impurity within the historical context at the end of the Second Temple period when practices of ritual purity came to play an increasing role in Jewish society and an expansionist trend gained in influence and support The traditional focus on sayings material and criteria of authenticity in historical Jesus research is modified narrative traditions with implicit purity issues are appealed to and extra canonical traditions are included The main areas examined are the most important fathers of impurity leprosy skin diseases genital discharges and corpse contamination Jesus is found to have acted in ways that could have been understood by some of his contemporaries as indifference to these types of impurity His behaviour is shown on several points to clash with current purity halakhah and dominant expansionist ideals In an attempt to interpret his actions within the Jewish context and culture of the Second Temple period three explanatory models are provided Jesus attitude can be seen as part of a moral trajectory in Judaism It can be understood as a response to a regional Galilean dilemma It can be viewed in a power perspective as an expression of Jesus eschatological struggle against demonic evil The result is that Jesus may be understood as operating within the purity paradigm of his time yet seemingly indifferent in the eyes of some pushing it to the breaking point Such a reconstruction makes subsequent developments intelligible in which various Christian currents drew conflicting conclusions Those looking to Jesus behaviour for some sort of guidance today may perhaps find contemporary analogies

**The Oxford Handbook of the Dead Sea Scrolls** Timothy H. Lim, John J. Collins, 2012-10-11 In 1946 the first of the Dead Sea Scroll discoveries was made near the site of Qumran at the northern end of the Dead Sea Despite the much publicized delays in the publication and editing of the Scrolls practically all of them had been made public by the time of the fiftieth anniversary of the first discovery That occasion was marked by a spate of major publications that attempted to sum up the state of scholarship at the end of the twentieth century including *The Encyclopedia of the Dead Sea Scrolls* OUP 2000 These publications produced an authoritative synthesis to which the majority of scholars in the field subscribed granted disagreements in detail A decade or so later *The Oxford Handbook of the Dead Sea Scrolls* has a different objective and character It seeks to probe the main disputed issues in the study of the Scrolls Lively debate continues over the archaeology and history of the site the nature and identity of the sect and its relation to the broader world of Second Temple Judaism and to later Jewish and Christian tradition It is the Handbook's intention here to reflect on diverse opinions and

viewpoints highlight the points of disagreement and point to promising directions for future research

*Qumran: The Site of the Dead Sea Scrolls: Archaeological Interpretations and Debates* Jean-Baptiste Humbert, Jürgen Zangenberg, 2018-11-01 Today archaeology plays an ever growing role in Qumran studies Fifteen papers presented in 2002 at Brown University provide the necessary data to break new ground in the recent debate about the character of Qumran Section I discusses material from old and new excavations that help assess the validity of the traditional Qumran Essene hypothesis Part II discusses various aspects of the main settlement such as division of space the character of period III the date of the cave scroll deposits and the use of food Part III deals with the Qumran cemetery and a similar graveyard at Khirbet Qazone Part IV places Qumran into a wider regional context concentrating on local agriculture and ceramic production The articles strongly call for a new awareness for archaeological detail and in their various ways instigate a renewed debate about how to bring texts and material culture into a meaningful dialogue

**The Antichrist Theme in the Intertestamental Period** G.W. Lorein, 2003-12-01 What are the antecedents of the Antichrist figure and its associated themes in Jewish literature prior to the New Testament Here Lorein offers the texts and translations of all the relevant passages together with a discussion of their meaning and significance He concludes that the Antichrist theme arises in different currents within this literature but has its sources in the Old Testament Hebrew Bible In its scope and detail as well as in many of its conclusions and its general synthesis this book surpasses previous scholarship on a very important aspect of New Testament and early Christian thought
