*The Europe That Was* Geoffrey Household, 2015-05-05 Tales of Europe before and after the war when lives could change in an instant Fleeing the Cuban revolution a businessman's return to England is blocked by the secret police of General Franco In Hungary a peasant treasures a barrel of wine as a symbol of the world she lost during the war At a Romanian ball in the frenzied years that followed the break up of the Austro Hungarian Empire a British traveler finds himself challenged to a duel And in England an American pilot stumbles into an auction and discovers that the Greek bowl in his hands may be worth far more than he is willing to pay From country to country Geoffrey Household takes us through the back alleys and open fields of the continent he knows so well and finds that there is a beautiful madness in the European spirit that no war can kill The Cambridge History of the European Union: Volume 2, European Integration Inside-Out Mathieu

Segers, Steven Van Hecke, 2023-11-09 Volume II examines the history of the European Union from an inside out perspective focusing on the internal developments that shaped the European integration process Split into three parts Part I covers the principles that have defined European integration exploring the treaties and their changes through time with Brexit being a core milestone Part II considers the different instruments within the architecture of European integration with special focus on the development of policies the euro and enlargement Part III concentrates on the various narratives surrounding European integration in particular the concepts goals and ideas that both spoke and failed to speak to the hearts and minds of Europeans This includes the *longue durée* concept peace European culture the absence of religion prosperity and a lack of solidarity and democracy America, Germany, and the Future of Europe Gregory F. Treverton, 2014-07-14 Gregory Treverton reviews the significant episodes in Europe's history after World War II emphasizing America's preoccupation with Europe and the decisive effect of U S foreign policy on European security and economic arrangements during the postwar years Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The future of the European Union** Great Britain:

Parliament: House of Commons: Foreign Affairs Committee, 2013-06-11 Incorporating HC 115 i iv from session 2012 13 **A Theology for Europe** James Barnett, 2005 This volume is about the partnership of the Christian churches in their dialogue with the European Institutions In a context of plurality the discourse between religion society and political institutions requires a descriptive and reflective theology that is both informed by the received tradition and provisional enough to share the universal quest for truth and justice Contributors represent many aspects of European culture history and recent political development The book confronts European history the contribution of civil society in gaining freedom from political

oppression and the experience of the churches in victory and defeat In treating discourse between and among people of political conviction and religious faith it adopts an accessible method and addresses politicians religious leaders and thinkers in a common framework and language

**Europe, Russia and the Liberal World Order** Timofei Bordachev,2021-08-30 This book analyses Russia Europe EU relations by exploring their practical essence and conceptualizing them in terms of the main categories of international relations research It argues that the liberal world order established in Cold War days whereby international relations are underpinned by a global balance of power and a highly institutionalized framework of international relations thereby balancing power and morality continued after the Cold War with high hopes in the early 1990s for a new order of security and cooperation for all Europe including Russia It goes on to show how the liberal world order has broken down one manifestation of this being the new conflict between Russia and Europe in recent years a conflict resulting from the failure of European countries the EU to acknowledge the actual balance of military economic and political power the lack of limits on the policy of European countries in terms of infringing on Russia s interests and Russia s consequent revision after 1999 of its policy of co operation Overall the book provides huge insight into the nature of Europe Russia relations

**Democracy in Europe** Daniel Innerarity,2018-03-01 This book calls for a philosophical consideration of the development challenges and successes of the European Union The author argues that conceptual innovation is essential if progress on the European project is to be made new meanings rather than financial or institutional engineering solutions will help solve the crisis By applying a philosophical approach to diagnosing the EU crisis the book reconsiders the basic concepts of democracy in the context of the complex reality of the EU and the globalised world where profound social and political changes are taking place It will be of interest to students and scholars interested in EU politics political theory and philosophy

Transnational Citizenship in the European Union Espen D. H. Olsen,2012-05-03 This book argues that European citizenship is transnational a status that has emerged incrementally during the European integration process Transnational Citizenship in the European Union follows an institutionalist approach and

traces the development of citizenship discourse from the founding treaties of the EU to the most recent effort of constitution making and the Lisbon Treaty This helps demonstrate that such discourse has followed a path based on the foundational principles of free movement and non discrimination rather than revolutionary ideas of a postnational citizenship beyond the nation state This in depth analysis of citizenship in the EU takes into account the institutional configuration of membership rights identity and participation It also brings in the domestic level of the debate through the examination of national positions on reform proposals and the interplay between EU and member states conceptions of citizenship Lastly by investigating citizenship practices the book helps foster understanding of how the EU works as a political system and the relationship between European institutions and the recipients of their integrative politics i e the citizens

**The Identity Factor in Chinese Relations with Europe** Bjørnar Sverdrup-Thygeson, 2024-12-26 This book offers a sustained historically grounded analysis of the identity factor in China Europe relations The identity of the modern Chinese state was forged in the context of European emissaries gunboats and books The effects still shape China s policies towards Europe today as it becomes a focal point in the great power competition between the US and China The author argues that identity dilemmas are central to Chinese Europe policies both past and present This is reflected in the two pronged composition of the book one historical section combined and complemented with one contemporary section Case studies of three key political flashpoints between the EU individual European countries and China over the last two decades demonstrates the contemporary relevance of a set of identity issues whose deep roots are uncovered through analysing Chinese political texts from the preceding two centuries Aimed primarily at scholars and students of Chinese and European international relations this book will also be of interest to scholars of ontological security theory constructivism and other identity driven approaches to international politics

Europeanization of Environmental Policy in the New Europe Mats Braun, 2016-04-22 Prior to the European Union EU 2004 2007 enlargement there were several predictions that this event would hamper progressive decision making within the EU on environmental policy It was believed that the new member states had adopted EU rules as a consequence of the EU s conditionality and consequently they would rather slow down the reform speed in the field after accession In this book Mats Braun offers an up to date account of how post communist member states have handled policy initiatives in the field of environmental policy after accession Using detailed case studies of how Bulgaria the Czech Republic Poland and Romania dealt with two different EU policy initiatives REACH and the Climate Energy Package he explores whether social norms and the process of socialization can help us understand why the track record of new member states in the area of environmental policy is more varied than was originally envisaged prior to enlargement

**Social Europe, the Road not Taken** Aurélie Dianara Andry, 2022-10-20 This book examines the European Left s attempt to think and give shape to an alternative type of European integration a social Europe during the long 1970s Based on fresh archival material it shows that the western European Left in particular social democratic parties trade unions and to a lesser extent

Eurocommunist parties formulated a project to turn capitalist Europe into a workers Europe This project favoured coordinated measures for wealth redistribution market regulation a democratisation of the economy and of European institutions upward harmonisation of social and fiscal systems more inclusive welfare regimes guaranteed employment economic and social planning with greater consideration for the environment increased public spending to meet collective needs greater control of capital flows and multinational corporations a reduction in working time and a fairer international economic order favouring the global south During the pivotal years following 1968 deeply marked by labour militancy new social movements economic crisis and the unmaking of the postwar compromise a window of opportunity opened in which European integration could have taken different roads The defeat of social Europe was a result of a decade long social conflict which ended with the affirmation of a neoliberal Europe Investigating this forgotten struggle and the reasons of its defeat can be useful not just to scholars and students eager to understand the historical evolution of European integration the European Left and European capitalism but also to anyone interested in building alternative European and global futures

**The Making of Consumer Law and Policy in Europe** Hans-W. Micklitz, 2021-11-04 This book analyses the founding years of consumer law and consumer policy in Europe It combines two dimensions the making of national consumer law and the making of European consumer law and how both are intertwined The chapters on Germany Italy the Nordic countries and the United Kingdom serve to explain the economic and the political background which led to different legal and policy approaches in the then old Member States from the 1960s onwards The chapter on Poland adds a different layer the one of a former socialist country with its own consumer law and how joining the EU affected consumer law at the national level The making of European consumer law started in the 1970s rather cautiously but gradually the European Commission took an ever stronger position in promoting not only European consumer law but also in supporting the building of the European Consumer Organisation BEUC the umbrella organisation of the national consumer bodies The book unites the early protagonists who were involved in the making of consumer law in Europe Guido Alpa Ludwig Kr mer Ewa Letowska Hans W Micklitz Klaus Tonner Iain Ramsay and Thomas Wilhelmsson supported by the younger generation Aneta Wiewi rowska Domagalska Mateusz Grochowski and Koen Docter who reconstructs the history of BEUC Niklas Olsen and Thomas Roethe analyse the construction of this policy field from a historical and sociological perspective This book offers a unique opportunity to understand a legal and political field that of consumer law and policy which plays a fundamental role in our contemporary societies

**Antireligious Activities in the Soviet Union and in Eastern Europe** United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Europe, 1965 Investigates activities of the Soviet Union and its allies regarding religious freedom especially relating to alleged Jewish persecution

**Shaping the New Europe** M. Landesmann, D. Rosati, 2004-04-30 This volume brings together contributions on the major economic policy issues which have opened up as a result of the immanent process of European Union Enlargement The issues analyzed range from modelling

and analyzing the costs and benefits of enlargement to challenges for macroeconomic policy both at the EU level and in the new member countries to the state of affairs in the new member countries with respect to sectoral policy reforms such as those undertaken in the financial sector and in competition policy and the impact of enlargement on Europe's trade policy agenda

*Americanization of the European Economy* Harm G. Schröter, 2005-12-05 One of the main features of the world economy since the late nineteenth century has been the growing dominance of the American economy in both quantitative and qualitative terms Aspects of this development e.g. rationalization or the world wide diffusion of Coca Cola have been researched but largely in isolation Americanization of the European Economy provides a comprehensive yet compact survey of the growth of American economic influence in Europe since the 1880s Three distinct but cumulative waves of Americanization are identified Americanization was and still is a complex process of technological political and cultural transfer and this overview explains why and how the USA and the American model of industrial capitalism came to be accepted as the dominant paradigm of political economy in today's Europe Americanization of the European Economy summarizes the ongoing discussion by business historians sociologists and political scientists and makes it accessible to all types of readers who are interested in political and economic development

*The Legacy of the Cold War* Wojciech Mastny, Zhu Liqun, 2013-12-16 The unexpected end of the protracted conflict has been a sobering experience for scholars No theory had anticipated how the Cold War would be terminated and none should also be relied upon to explicate its legacy But instead of relying on preconceived formulas to project past developments taking a historical perspective to explain their causes and consequences allows one to better understand trends and their long term significance The present book takes such perspective focusing on the evolution of security its substance as well as its perception the concurrent development of alliances and other cooperative structures for security and their effectiveness in managing conflicts In *The Legacy of the Cold War* Wojciech Mastny and Zhu Liqun bring together scholars to examine the worldwide effects of the Cold War on international security Focusing on regions where the Cold War made the most enduring impact the Euro Atlantic area and East Asia historians political scientists and international relations scholars explore alliances and other security measures during the Cold War and how they carry over into the twenty first century

**Malaysia and the European Union** Christoph Marcinkowski, Constance Chevallier-Govers, Ruhana Harun, 2011 EU Malaysian relations are all too often seen through the lens of economics and trade Although this is legitimate an extension of cooperation could also open up new avenues of collaboration and understanding between Europe and Asia This book brings together manifold perspectives on economics finance trade education history culture gender human rights and multiculturalism issues which are currently gaining in importance between Malaysia and the European Union Series Freiburger Sozialanthropologische Studien Freiburg Studies in Social Anthropology Etudes d'Anthropologie Sociale de l'Université de Fribourg Vol 32

**A Short History of Brexit** Kevin O'Rourke, 2019-01-31 Crisp clear and quietly devastating Guardian Excellent authoritative highly readable Irish

Times A succinct expert guide to how we got to Brexit After all the debates manoeuvrings recriminations and exaltations Brexit is upon us But as Kevin O Rourke writes Brexit did not emerge out of nowhere it is the culmination of events that have been under way for decades and have historical roots stretching back well beyond that Brexit has a history O Rourke one of the leading economic historians of his generation explains not only how British attitudes to Europe have evolved but also how the EU s history explains why it operates as it does today and how that history has shaped the ways in which it has responded to Brexit Why are the economics the politics and the history so tightly woven together Crucially he also explains why the question of the Irish border is not just one of customs and trade but for the EU goes to the heart of what it is about The way in which British Irish and European histories continue to interact with each other will shape the future of Brexit and of the continent Calm and lucid A Short History of Brexit rises above the usual fray of discussions to provide fresh perspectives and understanding of the most momentous political and economic change in Britain and the EU for decades The European Environmental Conscience in EU Politics Thomas Hoerber, Gabriel Weber, 2021-12-06 Based on empirical studies of European energy and environmental policies this book suggests that in combination these two policy fields form a consensus in the EU which might also become the basis for a new European ideology namely European sustainabilism It asks why an environmental conscience has grown since the late 1960s in the industrialised world and shows that whilst there is undeniable environmental degradation during this time and that a European environmental conscience has mainly developed through successive steps of European integration in energy policy In this connection between energy and the environmental we find one driver for European integration and indeed European identity If sustainabilism should become a European ideology it will substantially influence the way future Europeans will live This book will be of key interest to scholars and students of European Studies International Relations Political Science History Economics Sustainability Studies Environmental and Energy Policies in Europe
