The Evil Eye A Casebook

J Elliott

The Evil Eye A Casebook:

The Evil Eye Alan Dundes, 1992 The evil eye the power to inflict illness damage to property or even death simply by gazing at or praising someone is among the most pervasive and powerful folk beliefs in the Indo European and Semitic world It is also one of the oldest judging from its appearance in the Bible and in Sumerian texts five thousand years old Remnants of the superstition persist today when we drink toasts tip waiters and bless sneezers To avert the evil eye Muslim women wear veils baseball players avoid mentioning a no hitter in progress and traditional Jews say their business or health is not bad rather than good Though by no means universal the evil eye continues to be a major factor in the behavior of millions of people living in the Mediterranean and Arab countries as well as among immigrants to the Americas This widespread superstition has attracted the attention of many scholars and the twenty one essays gathered in this book represent research from diverse perspectives anthropology classics folklore studies ophthalmology psychiatry psychoanalysis sociology and religious studies Some essays are fascinating reports of beliefs about the evil eye from India and Iran to Scotland and Slovak American communities others analyze the origin function and cultural significance of this folk belief from ancient times to the present day Editor Alan Dundes concludes the volume by proffering a comprehensive theoretical explanation of the evil eye Anyone who has ever knocked on wood to ward off misfortune will enjoy this generous sampling of evil eye scholarship and may never see the world through the same eyes again

The Evil Eye Alan Dundes, 1981 *Beware the Evil Eye* John H. Elliott, 2016-04-28 In the Sermon on the Mount Jesus of Nazareth makes reference to one of the oldest beliefs in the ancient world the malignity of an Evil Eye The Holy Scriptures in their original languages contain no less than twenty four references to the Evil Eye although this is obscured by most modern Bible translations John H. Elliott's *Beware the Evil Eye* describes this belief and associated practices its history its voluminous appearances in ancient cultures and the extensive research devoted to it over the centuries in order to unravel this enigma for readers who have never heard of the Evil Eye and its presence in the Bible This is the first of a four volume work on the Evil Eye **Beware the Evil Eye, 4-Volume Set** John H. Elliott, 2017-09-20 In the Sermon on the Mount Jesus of Nazareth makes reference to one of the oldest beliefs in the ancient world the malignity of an Evil Eye The Holy Scriptures in their original languages contain no less than twenty four references to the Evil Eye although this is obscured by most modern Bible translations John H. Elliott's *Beware the Evil Eye* describes this belief and associated practices its history its voluminous appearances in ancient cultures and the extensive research devoted to it over the centuries in order to unravel this enigma for readers who have never heard of the Evil Eye and its presence in the Bible The four volumes cover the ancient world from Sumer to the Middle Ages **Beware the Evil Eye Volume 1** John H. Elliott, 2015-11-11 In the Sermon on the Mount Jesus of Nazareth makes reference to one of the oldest beliefs in the ancient world the malignity of an Evil Eye The Holy Scriptures in their original languages contain no less than twenty four references to the Evil Eye although this is obscured by most modern Bible translations John H. Elliott's *Beware*

the Evil Eye describes this belief and associated practices its history its voluminous appearances in ancient cultures and the extensive research devoted to it over the centuries in order to unravel this enigma for readers who have never heard of the Evil Eye and its presence in the Bible **The Evil Eye, Thanatology and Other Essays** Roswell Park, M.d.,Roswell Park M D,2015-10-18 If we accidentally cut someone off in traffic we may get a scowl or menacing glare in return For most of us it is soon shrugged off but in many places the evil eye is taken very seriously The evil eye is a human look believed to cause harm to someone or something else The supernatural harm may come in the form of anything from a minor misfortune to disease injury or even death Folklorist Alan Dundes in his edited volume *The Evil Eye A Casebook* notes that the victim s good fortune good health or good looks or unguarded comments about them invite or provoke an attack by someone with the evil eye If the object attacked is animate it may fall ill Symptoms of illness caused by the evil eye include loss of appetite excessive yawning hiccups vomiting and fever If the object attacked is a cow its milk may dry up if a plant or fruit tree it may suddenly wither and die It can even affect objects and buildings The evil eye cast upon a vehicle may cause it to break down irreparably while a house so cursed may soon develop a leaky roof or an insect infestation Just about anything that goes wrong for any reason or no reason at all may be blamed on the power of the evil eye [An Anatomy of Witchcraft](#) Oscar Di Simplicio,Martina Di Simplicio,2023-11-30 Much has been written on witchcraft by historians theologians philosophers and anthropologists but nothing by scientists This book aims to reappraise witchcraft by applying to it the advances in cognitive sciences The book is divided into four parts Part I Deep History deals with human emotions and the drive to represent witches as evil female agents Part II Historical Times focuses on those rare state and church repressions of malefice which surprisingly did not feature in Islamic lands Modern urbanization dealt a blow to the rural civilizations where accusations of witchcraft were rife Part III In the Laboratory applies neuroscience to specific case studies to investigate the personification of misfortune the millenary stereotype witch woman the reality of evil and the phenomenon of treasure hunting Part IV Millenials wonders whether intentional malefic hatred in a closed chapter in the history of humanity *An Anatomy of Witchcraft* is ideal reading for students and scholars Given its interdisciplinary nature the book will be of interest to scholars from many fields including evolutionary psychology anthropology women s history and cognitive sciences [American Myths, Legends, and Tall Tales](#) Christopher R. Fee,Jeffrey B. Webb,2016-08-29 A fascinating survey of the entire history of tall tales folklore and mythology in the United States from earliest times to the present including stories and myths from the modern era that have become an essential part of contemporary popular culture Folklore has been a part of American culture for as long as humans have inhabited North America and increasingly formed an intrinsic part of American culture as diverse peoples from Europe Africa Asia and Oceania arrived In modern times folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science fiction and conspiracy theories with mass media such as comic books television and films contributing to the retelling of old myths This multi volume encyclopedia will teach

readers the central myths and legends that have formed American culture since its earliest years of settlement Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it Organized alphabetically the coverage includes Native American creation myths tall tales like George Washington chopping down his father s cherry tree and the adventures of King of the Wild Frontier Davy Crockett through to today s urban myths Each entry explains the myth or legend and its importance and provides detailed information about the people and events involved Each entry also includes a short bibliography that will direct students or interested general readers toward other sources for further investigation Special attention is paid to African American folklore Asian American folklore and the folklore of other traditions that are often overlooked or marginalized in other studies of the topic *Magic and the Supernatural in Fourth Century Syria* Silke Trzcionka,2006-11-22 *Magic and the Supernatural in Fourth Century Syria* presents an in depth investigation of a variety of magical practices with a focused study in the late antique Syria and Palestine Offering new research using both archaeological and literary sources and blending Classical Jewish and Christian traditions from both regions Silke Trzcionka examines a myriad of magical activities such as curses spells and amulets accusations related to chariot races love and livelihood methods involved in protection healing possession and exorcism The information is provided with clarity and theoretical sophistication which enables students to develop an understanding of these beliefs and their place within the social context of the time Altogether a useful enlightening and enjoyable book which students studying religion and or social history will find invaluable **Magic and Impotence in the Middle Ages**

Catherine Rider,2006-01-26 *Magic and Impotence in the Middle Ages* investigates the common medieval belief that magic could cause impotence focusing particularly on the period 1150 1450 The subject has never been studied in detail before but there is a surprisingly large amount of information about it in four kinds of source confessors manuals medical compendia that discussed many illnesses commentaries on canon law and theological commentaries on the Sentences of Peter Lombard Although most historians of medieval culture focus on only one or two of these kinds of source a broader comparison reveals that medieval writers held surprisingly diverse opinions about what magic was how it worked and whether it was ever legitimate to use it Medieval discussions of magically caused impotence also include a great deal of information about magical practices most of which have not been studied before In particular these sources say a great deal about popular magic a subject which has been particularly neglected by historians because the evidence is scanty and difficult to interpret *Magic and Impotence* makes new information about popular magic available for the first time *Magic and Impotence* also examines why the authors of legal medical and theological texts were so interested in popular magical practices relating to impotence It therefore uses magically caused impotence as a case study to explore the relationship between elite and popular culture In particular this study emphasizes the importance of the thirteenth century pastoral reform movement which sought to enforce more orthodox religious practices Historians have often noted that this movement brought churchmen into contact

with popular beliefs but this is the first study to demonstrate the profound effect it had on theological and legal ideas about magic *Despair and the Return of Hope* Peter C. Shabad, 2007-09-26 When unmourned experiences of helplessness and disavowed desires turn into a passive fatalism people stop hoping for the best and fear the worst despairing that the real world has anything good to offer This can lead individuals to memorialize past sufferings through psychological symptoms and compulsive repetitions Dr Shabad discusses how patients after many years of living a life limited by resentment fear and despair can come to terms with their childhood experiences a mother who can never be satisfied a father who consistently buries his head in the newspaper He explains how people can overcome hardships endured and losses suffered The authentic spontaneous dialogue between therapist and patient provides the generosity and courage necessary to shed their now obsolete defenses and mourn what cannot be remedied or replaced Rich clinical material demonstrates how mourning can bring about self acceptance and set individuals free to take responsibility for and live out their own personal truths This is a deeply felt and beautifully written tribute to the redemptive power of psychotherapy and to the regenerative capabilities in all human beings **Early Christian Monastic Literature and the Babylonian Talmud** Michal Bar-Asher

Siegal, 2013-12-23 This book examines literary analogies in Christian and Jewish sources culminating in an in depth analysis of connections between Christian monastic texts and Babylonian Talmudic traditions Health and Healing in the Early Modern Iberian World Margaret E. Boyle, Sarah E. Owens, 2021-04-19 This interdisciplinary collection takes a deep dive into early modern Hispanic health and demonstrates the multiples ways medical practices and experiences are tied to gender

The Portrait of the Lover Maurizio Bettini, 2023-12-22 There are a surprising number of stories from antiquity about people who fall in love with statues or paintings and about lovers who use such visual representations as substitutes for an absent beloved In a charmingly conversational witty meditation on this literary theme Maurizio Bettini moves into a wide ranging consideration of the relationship between self and image the nature of love in the ancient world the role of representation in culture and more Drawing on historical events and cultural practices as well as literary works The Portrait of the Lover is a lucid excursion into the anthropology of the image The majority of the stories and poems Bettini examines come from Greek and Roman classical antiquity but he reaches as far as Petrarch Da Ponte and Poe The stories themselves ranging from the impassioned to the bizarre and from the sublime to the hilarious serve as touchstones for Bettini s evocative explorations of the role of representation in literature and in culture Although he begins with a consideration of lovers portraits Bettini soon broadens his concerns to include the role of shadows dreams commemorative statues statues brought to life and vengeful statues in short an entire range of images that take on a life of their own The chapters shift skillfully from one theme to another touching on the nature of desire loss memory and death Bettini brings to the discussion of these tales not only a broad learning about cultures but also a delighted sense of wonder and admiration for the evocative power and endless variety of the stories themselves There are a surprising number of stories from antiquity about people who fall in love

with statues or paintings and about lovers who use such visual representations as substitutes for an absent beloved In a charmingly conversational witty meditation on *The Secret History of the Soul* Richard Sugg,2014-08-11 What would Christianity be like without the soul While most people would expect the Christian bible to reveal a highly traditional opposition of matter and spirit the spirit forces of the Old and New Testaments are often surprisingly physical dynamic and practical a matter of energy as much as ethics The Secret History of the Soul examines the forgotten or suppressed models of body soul and human consciousness found in the literature philosophy and scripture of the ancient and classical worlds It shows how the spirit forces of Homer Plato Aristotle and the Old and New Testaments tended to be quantities not entities and to be closely bound up with the dynamic physical flux of the human body rather than cleanly abstracted in some absolute immaterial realm Forces such as *menos* and *thymos* *nephesh* *pneuma* and *dynamis* not only blurred the line between body and soul but were potent and transferable being used in New Testament culture to effect magical cures or bestow magical power Related to this surprising lack of body soul dualism is a lack of dualistic afterlife in either Homer or Hebrew scripture where Hades and Sheol are the sole post mortem destinations The Secret History of the Soul restores the living strangeness of a spirit world filled with potent energy and practical magic in cultures which had not yet glimpsed the abstracted soul of later Christianity

The Global Encyclopaedia of Informality, Volume 3 Alena Ledeneva,2024-02-26 For a post human hitchhiker human life with its anxiety ageing illness and constant need for problem solving may look unviable Yet for humans the life struggle is softened by human touch human emotion and human cooperation The Global Encyclopaedia of Informality Volume 3 continues the journey of the two previous volumes into the world s open secrets unwritten rules and hidden practices It focuses on issues of emotional ambivalence and pressures of the digital age The informal practices presented in this volume demonstrate the urgency of alleviating tensions between continuity and all too rapid change and the need to tackle the central problem of modern societies uncertainty The volume takes a reader on a biographical journey through elusive taken for granted or banal ways of getting things done from over 70 countries and world regions It offers innovative understanding of the significance of fringes and challenges the assumption that informality is associated exclusively with poverty underdevelopment the Global South oppressive regimes or the former socialist countries of Eastern Europe and Central Asia It also maps the patterns of informality around the globe identifies specific informal practices in a context sensitive way and documents their ambivalent impact on people engaged in problem solving on societies in which these problems arise and on humanity overall Praise for The Global Encyclopaedia of Informality Volume 3 This book tells a story of human cooperation It is not the narrative you ll find in books teaching you how to solve problems It is an assemblage of something much more endemic fundamentally human and much more pervasive than we tend to think of informality It involves money and power but also the alternative currencies of gaining advantage or gaming the system Bruce Schneier author of *A Hacker s Mind* Alena Ledeneva s latest database of rule bending is a goldmine for documentary makers and

storytellers Entries from 70 countries covering a human lifespan from Chinese anchor babies to funeral feasts in Azerbaijan offer remarkable insights into the way the world really works Lucy Ash journalist [Encyclopedia of Ancient Greece](#) Nigel Wilson,2013-10-31 Examining every aspect of the culture from antiquity to the founding of Constantinople in the early Byzantine era this thoroughly cross referenced and fully indexed work is written by an international group of scholars This Encyclopedia is derived from the more broadly focused Encyclopedia of Greece and the Hellenic Tradition the highly praised two volume work Newly edited by Nigel Wilson this single volume reference provides a comprehensive and authoritative guide to the political cultural and social life of the people and to the places ideas periods and events that defined ancient Greece [The Origins Of Human Social Nature](#) Otto Pipatti,2024-05-23 This book is the first comprehensive study of Westernmarckian sociology and social anthropology which flourished in Finland for half a century until the Second World War Edward Westermarck 1862 1939 was not only the founder of Finnish sociology but also Britain s first professor of sociology influencing and contributing to teaching and research at LSE for nearly three decades In Finland a group of disciples shared his Darwinian interest in the human mind and the comparative study of the origins of social phenomena Like Westermarck they also conducted extensive ethnographic fieldwork beyond Europe Many of them became internationally renowned scholars who published their works through leading British publishers The book traces his influence on British sociology and social anthropology more broadly also by considering his work and students at LSE who emphasised their debt to Westermarck Drawing on both published writings and unpublished archival material the book offers a reinterpretation of origin as the Westermarckian school s core concept [The Anthropology of Religion, Magic, and Witchcraft -- Pearson eText](#) Rebecca L Stein,Philip Stein,2015-08-07 This book emphasizes the major concepts of both anthropology and the anthropology of religion and examines religious expression from a cross cultural perspective while incorporating key theoretical concepts It is aimed at students encountering anthropology for the first time **Plants of Life, Plants of Death** Frederick J. Simoons,1998 This study examines plants associated with ritual purity fertility prosperity and life and plants associated with ritual impurity sickness ill fate and death It provides detail from history ethnography religious studies classics folklore ethnobotany and medicine

While this might not be the The Evil Eye A Casebook full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Evil Eye A Casebook eBooks, including some popular titles.

FAQs About The Evil Eye A Casebook Books

What is a The Evil Eye A Casebook PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Evil Eye A Casebook PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Evil Eye A Casebook PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Evil Eye A Casebook PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Evil Eye A Casebook PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
