The Executioners War:

The Executioner's War Book Don Pendleton, 1977 *The Executioners Bible* Steve Fielding, 2008-11-12 The Executioner's Bible tells the story of these working class men who carried out this gruesome profession until its abolition in the late 1960s. Despite often being unassuming and quiet professionals, men like Albert Pierrepoint, William Billington, and many other Chief and Assistant executioners made a name for themselves in a world hungry for salacious and gruesome news. Read about the bungling hangmen sacked for incompetence, drunken executioners dismissed for brawling, one hangman driven to suicide, and another who got out just in time to be the last man to pull the lever at the height of the swinging sixties. They were the last of their kind, the hangmen of the 20th Century. And this is their fascinating, sometimes repugnant, always enthralling story. The secrets of over six controversial decades of capital punishment are finally revealed. *Tales of the Executioners, Volume Two* Joleene Naylor, 2019-04-26 Fourteen short stories that complete the saga of Malick's Guild. Volume Two continues the stories of the vampires' elite enforcers, well established in contemporary times. The Guild rots from within as Malick's madness spirals out of control. His desperate plots to regain and tame his prodigal son lead to rebellion, betrayal, and death. Can the survivors pick up the pieces, or will fiery chaos rule? ***The Anthropology of War*** Keith F. Otterbein, 2009-03-24 Keith Otterbein, a long-time authority on anthropological studies of warfare, provides a rich synthesis of theory, literature, and findings developed by anthropologists and scholars from other disciplines. This in-depth yet concise look at warfare opens with two well-known ethnographic examples of warring peoples: the Dani and the Yanomam. The origins and evolution of war, types of warfare, weapons and tactics, military organizations, and the social bases of war structure discussions within the text. Analyses of historical events and case studies inform readers of different perspectives about why people go to war, how societies can be identified as having war, the elements necessary for war, and how war might be avoided. Otterbein concludes the text by presenting the concept of Positive Peace, promoting peace as a goal of human existence as a way for humans to eliminate the fatal consequences of war. ***My Father's Wars*** Alisse Waterston, 2024-09-17 Winner International Congress of Qualitative Inquiry Outstanding Book Award 2016. My father was born into war; begins this remarkable saga in Alisse Waterston's intimate ethnography, a story that is also twentieth-century social history. This is an anthropologist's vivid account of her father's journey across continents, countries, cultures, languages, generations, and wars. It is a daughter's moving portrait of a charming, funny, wounded, and difficult man, his relationships with those he loved, and his most sacred beliefs. And it is a scholar's reflection on the dramatic forces of history, the experience of exile and immigration, the legacies of culture, and the enduring power of memory. This book is for Anthropology and Sociology courses in qualitative methods, ethnography, violence, migration, and ethnicity. *Tales of the Executioners, Volume One* Joleene Naylor, 2018-10-29 Fifteen short stories of love, death, heartbreak, and blood. Meet the Executioners' elite enforcers of the vampires' laws. Walk with them through origin stories, follow them across the sea to the colonies, and run with them through the wilds as they try to bring

civilization to a land ruled by day sleeper clans Fifteen interwoven stories tell the beginning of The Guild set under the watchful and sometimes malevolent gaze of the ancient Malick whose heavy shadow stretches even across the sea Meet his favorite son his willful daughter his child like pet and many more whose jealousies hatreds and loves twist together to create consequences they can't foresee Look for Tales of the Executioners Volume Two where the story continues **Faulkner and War** Noel Polk, Ann J.
