The Exeter Blitz:

The Exeter Blitz David Rees, 1978-01-01 Sp ndende historie om tyskernes bombardement af Exeter i maj 1942 **The Story of the Exeter Blitz** ,194? **Exeter Burning** Peter David Thomas, 2002-04-30 [The Exeter Blitz](#) Express and Echo, 2006 **Express and Echo : the Exeter Blitz** Jan Nichols, 19?? [Exeter Blitz](#) ,1992 **Secret Exeter** Tim Isaac, Chris Hallam, 2018-09-15 Explore the secret history of Exeter through a fascinating selection of stories facts and photographs **Bombing, States and Peoples in Western Europe 1940-1945** Claudia Baldoli, Andrew Knapp, Richard Overy, 2011-06-30 This is the first book to treat bombing during WWII as a European phenomenon and not just the Blitz on Britain and Germany With Western Europe now at the heart of a united continent it is even more difficult to explain how only 70 years ago European states destroyed much of the urban landscape from the air There were many blitzes between 1940 and 1945 with an estimated 700 000 people killed The purpose of this book is to provide the basis for a comparison of the experience of western states under the impact of bombing In particular it considers the political cultural and social responses to bombing rather than the military strategic and social dimensions which have formed the core of the discussion hitherto This book will correct the popular perception of the British Blitz as the key bombing experience by exposing the reality of life under the bombs for communities as far apart as Brest Palermo and Rostock An international panel of historians consider the issues raised amidst the bombing of human rights and protection of civilians in this seminal event in C20th history **The Terror Raids of 1942** Jan Gore, 2020-12-02 Meticulous research provides the fullest insight yet into the impact of this bombing campaign on Britain s home front during the Second World War We shall go out and bomb every building in Britain marked with three stars in the Baedeker Guide the German Foreign Office announced in April 1942 as the Luftwaffe attacked Exeter Bath Norwich York and Canterbury Over a thousand people died These raids were direct retaliation for RAF raids on equally historic German cities Hitler had ordered that Preference is to be given where attacks are likely to have the greatest possible effect on civilian life and in this narrow aim as Jan Gore shows in the first full history of the raids to be published for over twenty years they certainly succeeded She explains the Luftwaffe s tactics the types of bombs that were used high explosive parachute mines and incendiaries and records the devastating damage they caused Her main focus is on the effect of the bombing on the ground In graphic detail she describes the air raid precautions the role of the various civil defense organizations and the direct experience of the civilians Their recollections many of which have not been published before as well as newspaper articles and official reports give us a vivid impression of the raids themselves and their immediate aftermath One can never understand what either side hoped to achieve by destroying historic cities and killing and maiming their citizens during a conflict such as the second world war Jan Gore attempts to explain the thinking behind it and the awful consequences A terrific account Books Monthly **Bunnies** Kieran Lynn, 2012-10-31 Growing frustrated at the destruction of his rural idyll a farmer picks up a pamphlet that encourages him on a dangerous path He has a great idea to

secure the future of the native animals on his land to kill all of the non natives With his daughter against him and his son on the fence his idea looks equally brilliant and insane His goal may be achieved but at what cost A dark comedy pondering the effects of extremism Bunnies is new play by up and coming young writer Kieran Lynn *Creating Verbatim Theatre from Oral Histories* Clare Summerskill,2020-09-13 Offering a roadmap for practicing verbatim theatre plays created from oral histories this book outlines theatre processes through the lens of oral history and draws upon oral history scholarship to bring best practices from that discipline to theatre practitioners This book opens with an overview of oral history and verbatim theatre considering the ways in which existing oral history debates can inform verbatim theatre processes and highlights necessary ethical considerations within each field which are especially prevalent when working with narrators from marginalised communities It provides a step by step guide to creating plays from interviews and contains practical guidance for determining the scope of a theatre project identifying narrators and conducting interviews developing a script from excerpts of interview transcripts and outlining a variety of ways to create verbatim theatre productions By bringing together this explicit discussion of oral history in relationship to theatre based on personal testimonies the reader gains insight into each field and the close relationship between the two Supported by international case studies that cover a wide range of working methods and productions including The Laramie Project and Parramatta Girls this is the perfect guide for oral historians producing dramatic representations of the material they have sourced through interviews and for writers creating professional theatre productions community projects or student plays **Gothic Tourism** Emma McEvoy,2016-01-26 From Strawberry Hill to The Dungeons Alnwick Castle to Barnageddon Gothic tourism is a fascinating and sometimes controversial area This lively study considers Gothic tourism s aesthetics and origins as well as its relationship with literature film folklore heritage management arts programming and the edutainment business *Children at War* Kate Agnew,Geoff Fox,2001-10-01 This book provides a critical appraisal of the treatment of war in children s reading during the 20th century covering World War I World War II and subsequent wars including Vietnam the Gulf War and the war in the Balkans **Recreating the Past** Lynda G.
