beasts of prey fearless as the very spirit of the storm itself The adventures of the North Pacific Vikings read more like some old legend of the sea than sober truth and the wild strain had its fountain head in the most tempestuous hero and beastlike man that ever ascended the throne of the Russias When Peter the Great of Russia worked as a ship s carpenter at the docks of the East India Company in Amsterdam the sailors tales of vast undiscovered lands beyond the seas of Japan must have acted on his imagination like a match to gunpowder Already he was dreaming those imperial conquests which Russia still dreams of pushing his realm to the southernmost edge of Europe to the easternmost verge of Asia to the doorway of the Arctic to the very threshold of the Chinese capital Already his Cossacks had scoured the two Siberias like birds of prey exacting tribute from the wandering tribes of Tartary of Kamchatka of the Pacific of the Siberian races in the northeasternmost corner of Asia And these Chukchee Indians of the Asiatic Pacific told the Russians of a land beyond the sea of driftwood floating across the ocean unlike any trees growing in Asia of dead whales washed ashore with the harpoons of strange hunters and most comical of all in the light of our modern knowledge about the Eskimo s tail shaped fur coats of men wrecked on the shores of Asia who might have qualified for Darwin s missing link inasmuch as they wore tails And now the sailors added yet more fabulous things to Peter s knowledge There was an unknown continent east of Asia west of America called on the maps Gamaland Now Peter s consuming ambition was for new worlds to conquer What of this Gamaland But as the world knows Peter was called home to suppress an insurrection War domestic broils massacres that left a bloody stain on his glory busied his hands for the remaining years of his life and January of 1725 found the palaces of all the Russias hushed for the Hercules who had scrunched all opposition like a giant lay dying ashamed to consult a physician vanquished of his own vices calling on Heaven for pity with screams of pain that drove physicians and attendants from the room Perhaps remorse for those seven thousand wretches executed at one fell swoop after the revolt perhaps memories of those twenty kneeling supplicants whose heads he had struck off with his own hand drinking a bumper of quass to each stroke perhaps reproaches of the highway robbers whom he used to torture to slow death two hundred at a time by suspending them from hooks in their sides perhaps the first wife whom he repudiated the first son whom he had done to death either by poison or convulsions of fright came to haunt the darkness of his deathbed Catherine the peasant girl elevated to be empress of all the Russias could avail nothing Physicians and scientists and navigators Dane and English and Dutch whom he had brought to Russia from all parts of Europe were powerless Vows to Heaven in all the long hours he lay convulsed battling with Death were useless The sins of a lifetime could not be undone by the repentance of an hour Then as if the dauntless Spirit of the man must rise finally triumphant over Flesh the dying Hercules roused himself to one last supreme effort     **The**
