The Living Age ,1850 **Littell's Living Age** Eliakim Littell, Robert S. Littell, 1850 **Unsettling the Literary West** Nathaniel Lewis, 2003-01-01 The test of western literature has invariably been Is it real Is it accurate Authentic The result is a standard anything but literary as Nathaniel Lewis observes in this ambitious work a wholesale rethinking of the critical terms and contexts and thus of the very nature of western writing Why is western writing virtually missing from the American literary canon but a frequent success in the marketplace The skewed status of western literature Lewis contends can be directly attributed to the strategies of the region s writers and these strategies depend consistently on the claim of authenticity A perusal of western American authorship reveals how these writers effectively present themselves as accurate and reliable recorders of real places histories and cultures but not as stylists or inventors The imaginative qualities of this literature are thus obscured in the name of authentic reproduction Through a study of a set of western authors and their relationships to literary and cultural history Lewis offers a reconsideration of the deceptive and often undervalued history of western American literature With unequivocal admiration for the literature under scrutiny Lewis exposes the potential for startling new readings once western writing is freed from its insistence on a questionable authenticity His book sets out a broader system of inquiry that points writers and critics of western literature in the direction of a new and truly sustaining literary tradition **Poe's Pym** Richard Kopley, 1992 The interpreter s dream text as one critic called Edgar Allan Poe s *The Narrative of Arthur Gordon Pym* has prompted critical approaches almost as varied as the experiences it chronicles This is the first book to deal exclusively with Pym Poe s longest fictional work and in many ways his most ambitious Here leading Poe scholars provide solutions and interpretations for many challenging enigmas in this mysterious novel The product of a decade of research and planning Poe s Pym offers a factual basis for some of the most fantastic elements in the novel and uncovers surprising connections between Poe s text and exploration literature nautical lore Arthurian narrative nineteenth century journalism Moby Dick and other writings Representing a rich cross section of current modes of literary study from source study to psychoanalytic criticism to new historicism these sixteen essays probe issues such as literary influence the limits of language racism the holocaust prolonged mourning and the structure of the human mind Poe s Pym will be an invaluable resource for students of both contemporary criticism and nineteenth century American culture Contributors John Barth Susan F Beegel J Lasley Dameron Grace Farrell Alexander Hammond David H Hirsch John T Irwin J Gerald Kennedy David Ketterer Joan Tyler Mead Joseph J Moldenhauer Carol Peirce Burton R Pollin Alexander G Rose III John Carlos Rowe G R Thompson Bruce I Weiner **Congressional Record** United States.
