The Face Defeat David Pryce-Jones,1931 *The Face of Defeat: Palestinian Refugees and Guerrillas* David Pryce-Jones,1972 **The Face of Defeat** David Pryce-Jones,1972
Journalistic account of the situation of the Palestinians in the early 1970s **One Day in September** Simon Reeve,2011-08
A page turner Highly skilled and detailed David Denby *The New* **Arab Regional Organizations** ,1992-01-01 Over the past four decades the Arab nations have exercised an enormous political and economic influence on world events Much of that impact has been exerted not through the direct actions of individual governments but collectively or indirectly through pan Arab organizations economic associations such as OPEC or through international agencies including the United Nations and the International Monetary Fund Arab Regional Organizations is a fully annotated bibliographic guide to the functions infrastructures and effectiveness of Arab organizational activity The organizations covered in this volume have grown in importance in lockstep with developments in the Middle East This is particularly so in the areas of economics and energy where there has been the establishment of national control over the oil industry and a consequent economic boom Institutions such as the Gulf Cooperation Council have also become vital to the continued political stability of the member states and to the strategic importance of the region as illustrated by the Iran Iraq war and the Persian Gulf War The book also takes note of the special economic importance of organizations such as the Kuwait Saudi and Abu Dhabi Funds These perform a major role among developing nations because of their project aid and technical assistance programs Arab Regional Organizations covers a variety of subjects but concentrates on economics energy politics and development subjects A lengthy introductory section is designed to provide readers with the background of each organization and to direct them to other sources of information A supplementary section deals with the effects of the Iraqi invasion of Kuwait and the Gulf War Researchers librarians economists political scientists and Middle East specialists will find this volume an invaluable guide to the literature of the region **Openings & Outings** David,2022-06-07 Openings Outings brings together over forty pieces from the long and distinguished career of the writer and commentator David Pryce Jones Taking us from a meeting with Rudolf Hess s widow to the slums of Tangier to the front lines of the Israeli Palestinian conflict with many stops in between Openings Outings presents over fifty years of insight from a writer with endless scope and perspective [The Arab World and Asia between Development and Change](#) Günter Barthel,Lothar Rathmann,2022-08-01 No detailed description available for [The Arab World and Asia between Development and Change](#) **Political Terrorism** A.J. Jongman,2017-07-28 While there is no easy way to define terrorism it may generally be viewed as a method of violence in which civilians are targeted with the objective of forcing a perceived enemy into submission by creating fear demoralization and political friction in the population under attack At one time a marginal field of study in the social sciences terrorism is now very much in center stage The 1970s terrorist attacks by the PLO the Provisional Irish Republican Army the Popular Front for the Liberation of

Palestine the Japanese Red Army the Unabomber Aum Shinrikyo Timothy McVeigh the World Trade Center attacks the assault on a school in Russia and suicide bombers have all made the term terrorism an all too common part of our vocabulary This edition of Political Terrorism was originally published in the 1980s well before some of the horrific events noted above This monumental collection of definitions conceptual frameworks paradigmatic formulations and bibliographic sources is being reissued in paperback now as a resource for the expanding community of researchers on the subject of terrorism This is a carefully constructed guide to one of the most urgent issues of the world today When the first edition was originally published Choice noted This extremely useful reference tool should be part of any serious social science collection Chronicles of Culture called it a tremendously comprehensive book about a subject that any who have anything to lose from property to liberty life to limbs should be forewarned against

Yasir Arafat Barry Rubin, Judith Colp Rubin, 2005-03-03 Yasir Arafat stands as one of the most resilient recognizable and controversial political figures of modern times The object of unrelenting suspicion steady admiration and endless speculation Arafat has occupied the center stage of Middle East politics for almost four decades Yasir Arafat is the most comprehensive political biography of this remarkable man Forged in a tumultuous era of competing traditionalism radicalism Arab nationalism and Islamist forces the Palestinian movement was almost entirely Arafat's creation and he became its leader at an early age Arafat took it through a dizzying series of crises and defeats often of his own making yet also ensured that it survived grew and gained influence Disavowing terrorism repeatedly he also practiced it constantly Arafat's elusive behavior ensured that radical regimes saw in him a comrade in arms while moderates backed him as a potential partner in peace After years of devotion to armed struggle Arafat made a dramatic agreement with Israel that let him return to his claimed homeland and transformed him into a legitimized ruler Yet at the moment of decision at the Camp David summit and afterward when he could have achieved peace and a Palestinian state he sacrificed the prize he had supposedly sought for the struggle he could not live without Richly populated with the main events and dominant leaders of the Middle East this detailed and analytical account by Barry Rubin and Judith Colp Rubin follows Arafat as he moves to Kuwait Syria Jordan Lebanon Tunisia and finally to Palestinian ruled soil It shows him as he rewrites his origins experiments with guerrilla war develops a doctrine of terrorism fights endless diplomatic battles and builds a movement constantly juggling states factions and world leaders Whole generations and a half dozen U S presidents have come and gone over the long course of Arafat's career But Arafat has outlasted them all spanning entire eras with three constants always present he has always survived he has constantly seemed imperiled and he has never achieved his goals While there has been no substitute for Arafat the authors conclude Arafat has been no substitute for a leader who could make peace

Understanding the Volatile and Dangerous Middle East Steven Carol, 2019-09-26 The Middle East can be bewildering which is why we need to connect the dots that pull together the political economic diplomatic military cultural and religious pieces of the puzzle Professor Steven Carol slashes through the confusion with a topical approach focusing on

key issues such as the geographic features of the Middle East demographics of the region the influence of Islam political processes shifting alliances war in the region and the need for security He also takes a careful look at perpetual negotiations attempts to secure peace and the role that the media play in how we view the region His goal to clarify the confusing nature of Middle East affairs and to combat the mistaken beliefs misrepresentations and outright fabrications about the region In a bid to reclaim the truth he shares basic principles relying on factual supporting evidence to prove their validity Seventy eight maps and numerous tables make understanding complex topics easier Whether you re a student educator bureaucrat or politician you ll find insights based on facts in *Understanding the Volatile and Dangerous Middle East* *The Statesman's Year-Book 1979-80* J. Paxton,2016-12-23 The classic reference work that provides annually updated information on the countries of the world **The International Diplomacy of Israel's Founders** John Quigley,2016-01-14 During the early to mid twentieth century the Zionist Organization secured a series of political victories on the international stage leading to the foundation of a Jewish state and to its ability to expand its territorial control within Palestine *The International Diplomacy of Israel s Founders* provides a revisionist account of the founding of Israel by exposing the misrepresentations and false assurances of Zionist diplomats during this formative period of Israeli history By comparing diplomatic statements at the United Nations and elsewhere against the historical record it sheds new light on the legacies of such leaders as Chaim Weizmann David Ben Gurion Abba Eban and Shabtai Rosenne Including coverage of little discussed moments in early Israeli history this book offers an important new perspective for anyone interested in the history of the Israeli Palestinian conflict
