Bauer, 2020 Recovers the careers of four US women serial writers and establishes a new archive for American literary studies **A Gypsy Curse** D.A. McGrath, 2014-09-06 A Gypsy curse that must be broken A dangerous secret that cannot be revealed Clara s a shape shifter who s cursed The curse is making life impossible and she wants rid of it even though she s been told it can t be done Luke s a Gypsy whose clan is camped at Clara s town He spends his days exploring the area while carefully avoiding the townies that live there Then Clara and Luke s worlds collide and an opportunity arises that Clara simply can t resist the Gypsies may know how to break the curse Can Clara infiltrate the mysterious and distrustful Gypsy clan Will she be able to uncover their secrets at the risk of revealing her own A Litpick Top Choice Award winner A Gypsy Curse is the second book in the Full Moon series If you enjoy a rollercoaster ride of action and suspense then this book is a must read **The Curse of the Gypsy** Alicia Gaspar de Alba, 2018-04-30 In the first story of this absorbing collection Margarita sixteen and married to a soldier who has gone off to fight in the first great war meets and falls in love with Federico Garcia Lorca He calls her Margarita Petita and then turns her name into a poem When he refuses to marry the widowed gypsy girl after a tryst at the river leaves her pregnant her mother curses both Lorca and his offspring May they all die before they see the light of day And so Lorca is killed by fascists and his child dies in Margarita s womb where it remains petrified for 80 years Mysteries and furtive desires pervade the enthralling stories in this group of ten the author calls a deconstructed novel Rich in imagery and language they chronicle the gypsy s life including banishment from

Andalusia by her mother marriage to a famous Mexican bull fighter and the lives of numerous descendants who ultimately leave Mexico for El Paso Texas In one of the final stories Calaveras in the Closet the gypsy s extensive family comes together for her funeral where several long guarded secrets will suddenly come to light Also included in this volume is a historical novella Liberata Wilgefortis The True and Tragic Story of the Bearded Female Saint a mystical retelling of an ancient legend about the first bearded female saint of the Catholic Church whose cult was removed by Vatican II in 1969 Expertly weaving poetry historical events myth and legend into intriguing short fiction Alicia Gaspar de Alba confirms her place as one of the leading contemporary Latinx voices

Blood, Bone, and Marrow Ted Geltner, 2016-05-15 Brilliantly renders the life of the late writer Harry Crews It captures the wild spirit of an unflinching American writer Publishers Weekly starred review In 2010 Ted Geltner drove to Gainesville Florida to pay a visit to Harry Crews and ask the legendary author if he would be willing to be the subject of a literary biography His health rapidly deteriorating Crews told Geltner he was on board and would even sit for interviews and tell his stories one last time Ask me anything you want bud Crews said But you d better do it quick The result is Blood Bone and Marrow the first full length biography of one of the most unlikely figures in twentieth century American literature a writer who emerged from a dirt poor South Georgia tenant farm and went on to create a singularly unique voice of fiction With books such as Scar Lover Body and Naked in Garden Hills Crews opened a new window into southern life focusing his lens on the poor and disenfranchised the people who skinned the hogs and tended the fields the grits as Crews affectionately called his characters and himself He lived by a code of his own design flouting authority and baring his soul and the stories of his whiskey and blood soaked lifestyle created a myth to match any of his fictional creations His outlaw life his distinctive voice and the context in which he lived combine to form the elements of a singularly compelling narrative about an underappreciated literary treasure Harry Crews led a big strange sad and somehow very American life It is well told here The New York Times

The Cursed Shaun Herbert, 2015-03-17 When Jack Edmunds a reporter for the Daily Tribune visits the quiet backwater village of Ellsworth North Yorkshire he gets a little more than he bargained for Witness to the casting of an ancient gypsy curse following allegations of corruption by the authorities Jack along with Suzie Brown his accomplice are drawn into an ever increasing maelstrom of events and strange happenings beyond belief Cut off from the outside world the village of Ellsworth rapidly descends into a bizarre blood bath of demonic possession as friend turns against friend in a frenzie of unstoppable carnage Can the realms of superstition be as tangible as they seem or are they merely a form of self imposed psycho babble that preys upon the mind Either way their journey won t be easy as they confront an ever increasing maelstrom of sinister events exposing them to the darker side of human nature at its worst

Richard (Caveman Instinct -- Gypsy Curse Book 2) Hazel Gower, 2015-08-20 Richard My family is divided some say we were gifted by the gypsies to prosper and know our soul mate others feel we were cursed The divide in the family may have a little to do with the gypsies forgetting to mention that when we Silverman find our soul mate we turn into

possessive cavemen I also thought it was a gift and was filled with jealousy when my cousin Stephan found his other half though he believed it to be a curse But now it s my turn the only problem is Bailey Rodgers thinks I m crazy overbearing and egotistical Bailey My brother Ethan my guardian since I was six was finally loosening the reigns and giving me some freedom Being vision impaired and the only family left he sometimes took his role as protector too far I d convinced Ethan to let me celebrate graduation with a week long holiday just friends sun and fun The start of my holiday didn t start out at all how I had planned when I was kidnapped by a crazy guy telling me I was his soul mate and his to keep forever Imagine my surprise to learn he is a Silverman and supposedly sane Richard wants me to give him a chance but I don t know if I can handle Richard s over protectiveness I already had that with my brother and I didn t want it in my relationship

Southern Writers Joseph M. Flora,Amber Vogel,2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor s place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition s written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South s novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary s original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject

Blood Novels Julia H. Chang,2022-08-31 In the late nineteenth century Spain s most prominent writers Juan Valera Leopoldo Alas and Benito P rez Gald s made blood a crucial feature of their fiction Blood Novels examines the cultural and literary significance of blood unsettling the dominant assumption of the period that blood no longer played a decisive role in social hierarchies By examining fictional works through the rubric of blood novels Julia H Chang identifies a shared fascination with blood that probes the limits of realism through blood s dual nature of matter and metaphor Situating the literature within broader cultural and theoretical debates Blood Novels attends to the aesthetic contours of material blood and in particular how bleeding is inflected by gender caste and race Critically engaging with feminist theory theories of race and whiteness literary criticism and medical literature this innovative study makes a case for treating blood as a critical analytic tool that not only sheds new light on Spanish realism but more broadly challenges our understanding of gendered and racialized embodiment in Spain

Europe and the Roma Klaus-Michael Bogdal,2023-07-27 A magisterial contribution to the understanding of the cultural position of Romani people in Europe nothing short of astounding Literary Review This remarkable book describes a dark side of European history the rejection of the Roma from their initial arrival in the late Middle Ages to the present day To Europeans the Roma appeared to be in complete contradiction with their own culture because of their mysterious origins

unknown language and way of life As representatives of an oral culture for centuries the Roma have left virtually no written records of their own Their history has been conveyed to us almost exclusively through the distorted images that European cultures project Persecuted and shunned the Roma nonetheless spread out across the continent and became an important indeed indispensable element in the European imagination It is impossible to conceive of the culture of Spain southern France and much of Central Europe without this pervasive Romani influence Europe and the Roma brilliantly describes the fascination and fear which have marked Europeans response to the Romani presence Countless composers artists and writers have responded to Romani culture and to fantasies thereof Their projections onto a group whose illiteracy and marginalization gave it so little direct voice of its own have always been a very uneasy mixture of the inspired the patronizing and the frighteningly ignorant The book also shows the link between cultural violence social discrimination and racist policies that paved the way for the genocide of the Roma
