THE KID FROM ARMOURDALE Lloyd E. Howser,2007-05-15 This is a story about a kid that was raised during the Great Depression when the word welfare was virtually unspoken He had deep loyalties for God country and family It was the custom in those days to salute the flag each school day He attended weekday church school every Wednesday afternoon during his elementary school years His family was poor but proud and self reliant Lloyd learned early in life that if he wanted something he had to work for it His loyalty to his country was reflected in his leaving high school and volunteering for the navy the day after the Japanese attacked Pearl Harbor It s about the struggle of two high school dropouts that fell in love They started life together on the bottom rung and it never occurred to them to feel sorry for themselves They were happy in their stroll together down the rough and rocky road that lay ahead Theirs was a love affair that lasted fifty seven years They were both from broken homes and determined that their children would not suffer a similar fate It is the story of two kids willing to work hard to study and learn to save a penny wherever possible It is a story of survival They ate weeds as some people might call them They liked to call them spring greens He hunted rabbit squirrel and quail in winter and fished during the summer It all went into the larder Inch by inch they elevated their lot in life not unlike a waterlogged timber that might slowly rise to the surface and into the sunshine They grabbed snatches of education wherever they could Esther took typing shorthand and secretarial courses and later a school of cosmetology Lloyd finished high school took college courses and acquired a little more than the equivalent of two years of college when the air force selected him for an engineering course at the University of Colorado It s about the search for Valhalla a place and the means to retire after a lifelong struggle by two kids so unlikely to succeed in life Together they proved the truth of the old adage If there is a will there is a way **Force of Nature** Suzanne Brockmann,2007-08-14 Hard driving suspense and intense passion are the hallmarks of bestselling author Suzanne Brockmann s pulse pounding thrillers In her tales of daring danger courage and desire men and women of action fight fiercely love deeply and time after time raise the bar for adventure Force of Nature is no exception Florida private investigator and ex cop Ric Alvarado s life is spiraling out of control His beautiful new girl Friday Annie Dugan is far more interested in fieldwork than filing and despite Ric s best efforts to ignore the attraction sparks are flying between them Then one of Ric s clients turns femme fatale and tries to gun down an innocent man Thanks to quick thinking and even quicker reflexes Ric comes to the rescue only to learn he s done a very good deed for some very bad people Suddenly Ric finds

himself deep undercover with Annie working for notorious crime boss Gordon Burns One mistake from Ric s painfully inexperienced partner and they re both dead FBI agent Jules Cassidy s life isn t in much better shape For years the FBI has been trying to prove Gordon Burns s ties to terrorist activity Now thanks to Ric and Annie Jules has found a way into the lion s den But in the course of his investigation he comes face to face with Robin Chadwick the charismatic but self destructive and closeted movie star for whom Jules feels a powerful attraction Robin s in town promoting his latest film and Gordon Burns is a star struck movie buff With Robin and Jules s help Ric and Annie are soon entrenched in Burns s organization surrounded by killers who may already have executed an FBI infiltrator Before long the couple realizes that many more lives besides their own will be at stake if they make a false move As the heat between them reaches dangerous levels so do the risks they re willing to take in the line of duty for the sake of loyalty and in the name of something that runs even deeper
