The Five Lives of Our Cat Zook Joanne Rocklin, 2012-04-01 In this warmhearted middle grade novel Oona and her brother Fred love their cat Zook short for Zucchini but Zook is sick As they conspire to break him out of the vet s office convinced he can only get better at home with them Oona tells Fred the story of Zook s previous lives ranging in style from fairy tale to grand epic to slice of life Each of Zook s lives has echoes in Oona s own family life which is going through a transition she s not yet ready to face Her father died two years ago and her mother has started a relationship with a man named Dylan whom Oona secretly calls the villain The truth about Dylan and about Zook s medical condition drives the drama in this loving family story Praise for *The Five Lives of Our Cat Zook* **STARRED REVIEW** Rocklin s characters are fully developed readers will be invested Set in Oakland readers are also treated to a refreshingly authentic child s view of a diverse city The only imperfection in this novel is that it ends **Booklist** starred review Oona s character is a combination of Harriet the Spy in curiosity and Anastasia in spunk Another emotionally satisfying outing from Rocklin hanky recommended **Kirkus Reviews** Just as she did in *One Day and One Amazing Morning* on Orange Street Rocklin intertwines her characters so smartly that the many coincidences and serendipitous events feel organic to the story The story s ending bittersweet inevitable and true offers much needed catharsis for the family and for anyone who has ever loved a pet

The Horn Book This heartwarming family tale is filled with resilient and thoughtful characters who are willing to learn from their mistakes Readers who enjoy the novels of Jeanne Birdsall and Leslie Crunch will appreciate this charming story School Library Journal There is a strong sense of place in this loving story with the ending sure to generate some tears This would make a strong library lesson extension activity Library Media Connection Awards SCBWI's Golden Kite Award for Fiction 2012 Dorothy Canfield Fisher Book Award Rebecca Caudill Young Readers Book Award Women and Comedy Susan Carlson, 2025-10-01 The first comprehensive study of its kind this book explores the contradictory connections between women and dramatic comedy Women and Comedy shows how a genre that has been used historically to restrict women's behavior is being reconfigured to express women's triumphs It thus redefines the assumptions with which both traditional comedy and contemporary women's plays are read and viewed Challenging a critical consensus that has seen comedy as a haven for female power Carlson argues that traditional comedy is deeply sexist welcoming strong women characters only because it can contain their power Through an analysis of a range of comedies by Shakespeare Congreve Maugham Shaw and Ayckbourn the author shows that even in these plays self consciously about liberated females women gain only a limited freedom a freedom that the endings of the plays work to negate This negotiation is seen to result in part from the comic structure itself which privileges a merely temporary inversion and an ultimate return to the status quo Carlson then examines the transitional work of three writers Aphra Behn Henry James and Ann Jellicoe whose heroines follow an unorthodox trajectory through their comic worlds While the work of these writers clearly remains within the mainstream comic tradition the author notes in them a subtle departure most notably in their description of the heroine as subject rather than object which prefigures the full scale transformations of women in comedy by contemporary women writers The book then examines contemporary comedy that revises traditional comic structure at the same time as it explores fundamental social change In making her case for the difference of contemporary comedy by women Carlson examines the reformulations of structure and character and considers issues of community self and sexuality in a broad range of plays by individual playwrights and by the new women's theater collectives Women and Comedy is an important work for students of British drama and will appeal to theater practitioners critics feminist scholars and all those interested in the performing arts

conventions of early modern English Chinese Japanese and Hispanic theatres to the subversion of racialized binaries of masculinity and femininity in recent North American African Asian Caribbean and European productions the matter of gender has consistently taken centre stage This handbook examines how critical discourses on gender intersect with key debates in the field of theatre studies as a lens to illuminate the practices of gender and theatre as well as the societies they inform and represent across space and time Of interest to scholars in the interrelated areas of feminist gender and sexuality studies theatre and performance studies cultural studies and globalization and diasporic studies this book demonstrates how researchers are currently addressing theatre about gender issues and gendered theatre practices While synthesizing and summarizing foundational and evolving debates from a contemporary perspective this collection offers interpretations and analyses that do not simply look back at existing scholarship but open up new possibilities and understandings Featuring essential research tools including a survey of keywords and an annotated play list this is an indispensable scholarly handbook for anyone working in theatre and performance

Who Listens? Janet Bourne, 2025 Chapter 1 describes how the cognitive process of analogy can be used as a framework for analyzing how individual listeners relate what they are hearing to what they may have heard or learned in musical and other experiences in the past The framework emphasizes the cognitive steps a person takes when making an analogy of any kind 1 retrieval remembering patterns and associations based on experience 2 mapping aligning situations and 3 inference transfer transferring inferences associations recognizing manipulations I use this process to analyze hearings of Western art music illustrating not only how listeners might analogize music to other domains such as the body or language as a framing analogy for their listening experience but also how they might analogize details of the music they are currently hearing to music they have heard in the past creating what I call music to music analogies
