Destined from birth to serve as protector of the princess Zariya Khai is trained in the arts of killing and stealth by a warrior sect in the deep desert yet there is one profound truth that has been withheld from him. Book jacket **PLENUM** Harlen Campbell, 2015-07-10

A sacrifice that altered the course of time. Arthur Penn was a sucker for a lost cause. He rescued an old man from an ambush and carried him to a hospital but he didn't expect a one way trip. He didn't expect to find himself fighting off an amorous girl a century before the Pilgrims land. And he certainly didn't expect to be drafted into a bloody war raging across a thousand human centuries. Beautiful women. Brave men. Lonely machines. Terrifying aliens lost in a tunnel that connects every point in space and time. A ship that sails a universe so huge it can't be described in human words. A lady who wants to be a mother. A true woman with a disturbing talent with an axe. All hang on courage of a hero who'd rather be in Chicago. The Land Robert K. Swisher Jr., 2012-03-15

Crumbling Indian and Spanish ruins, lost gold and a modern ranch are all part of *The Land*, where centuries of men and women have lived, loved, fought and died. It is a novel of their hopes, dreams of wealth and power, their lust and greed. Symbolic of what this piece of earth means is the spear point made by Silver Moon and cast aside to be found by each successive generation. The spear point fills each possessor with the vision of the past and these ghostly visions have a determining effect on the fate of those who hold it in their hands. In the end it is this ancient spear point that saves the ranch and its owner from disaster. ROBERT K. SWISHER JR. has been a ranch foreman and a mountain guide. An individual who knows the outdoors and western history, he has successfully combined these interests in stories, poems and novels. He is also the author of *The Last Narrow Gauge Train Robbery*, *Fatal Destiny*, *Only Magic Love Lies Bleeding*, *How Far The Mountain* and *Last Day In Paradise*, all from Sunstone Press. **Small Beneath the Sky** Lorna Crozier, 2011-05

A tender unsparing portrait of a family. It is also a book about place. In this splendid volume of recollections, award-winning poet Lorna Crozier charts the geography that shaped her character and her understanding of the world. Page 4 of cover *Immortal* Dean Crawford, 2012-05-17
