This Is My Beloved Lisa Smith, 2024-12-20 Christians throughout the ages have longed for a deeper, more intimate experience of Jesus' love to connect with him in a way that is impactful, satisfying, and touches the innermost places of the heart. Many found the answer by embracing Jesus not simply as their Savior, Teacher, and Lord, but also in his biblical role as the Bridegroom of the church. *This Is My Beloved* helps the reader respond to the bridal love of Jesus in practical, transformative ways by offering inspiring life stories and personal writings of Christians from the past and linking their encounters with the bride's journey in the Old Testament book Song of Songs. Readers will learn to awaken their affections and satisfy some of their deepest desires by encountering profound intimacy and delightful friendship as the bride of Jesus.

The Pearl and the Hut Volume II Yiana Belkalopolos, 2023-02-03 *The Pearl and the Hut Volume II* explores understandings and higher perceptions around the psychological developments and heart challenges of adult children of divorce. The soul's spiritual insights in Rudolf Steiner's human consciousness philosophy, Anthroposophy, renew a person's humanness in the face of massive and necessary world changes. From the soul's psyche orientations of the twenty-one-year-old and the Sentient Soul period of life to the fifty-six-year-old living into the Spirit Self nature, adult children of divorce see ways to navigate complex development stages without bypassing important relationships, feelings, thoughts, and deeds. Biographies, verses, stories, and a selection of life-enhancing practices encourage a person's heart, warm inner nature, and will strength to manage on-going conflicts, overcome neglect, and create the humane soul family that Pearls need. A simple Platonic Solids thinking practice highlights a powerful self-awareness device for Pearls to keep their life forces whole, pull themselves inwardly together in times of emotional and mental overwhelm, and stay grounded during shifting and confusing events. Striving past survival personality, they can cultivate the truly human rights of loving, self-acceptance, and compassionate togetherness with others.
