Steeled by Adversity Salo Wittmayer Baron, 1971 American Jewish Life, 1920-1990 Jeffrey S. Gurock, 2013-10-23

This volume contains articles on Jewish life from 1920 to the present. Its entries include studies of the economy and migration in postwar America, the impact of Holocaust survivors on American Society and the reaction to gender stereotypes within American Culture. *Salo Baron* Rebecca Kobrin, 2022-03-15 In 1930 Columbia University appointed Salo Baron to be the Nathan L. Miller Professor of Jewish History, Literature and Institutions, marking a turning point in the history of Jewish studies in America. Baron not only became perhaps the most accomplished scholar of Jewish history in the twentieth century, the author of many books including the eighteen-volume *A Social and Religious History of the Jews*. He also created a program and a discipline, mentoring hundreds of scholars, establishing major institutions, including the first academic center to study Israel in the United States, building Columbia's Judaica collection, intervening as a public intellectual, and exerting an unparalleled influence on what it meant to study the Jewish past. This book brings together leading scholars to consider how Baron transformed the course of Jewish studies in the United States. From a variety of perspectives, they reflect on his contributions to the study of Jewish history, literature and culture, as well as his scholarship, activism and mentorship. Among many distinguished contributors, David Sorkin engages with Baron's arguments on Jewish emancipation; Francesca Trivellato puts him in conversation with economic history; David Engel examines his use of anti-Semitism as an analytical category; Deborah Lipstadt explores his testimony at the trial of Adolf Eichmann; and Robert Chazan and Jane Gerber, both once Baron's doctoral students, offer personal and intellectual reminiscences. Together, they testify to Baron's singular legacy in shaping Jewish studies in America. *Jewish Bialystok and Its Diaspora* Rebecca Kobrin, 2010-05-07 The mass migration of East European Jews and their resettlement in cities throughout Europe, the United States, Argentina, the Middle East and Australia in the late 19th and early 20th centuries not only transformed the demographic and cultural centers of world Jewry, it also reshaped Jews' understanding and performance of their diasporic identities. Rebecca Kobrin's study of the dispersal of Jews from one city in Poland, Bialystok, demonstrates how the act of migration set in motion a wide range of transformations that led the migrants to imagine themselves as exiles not only from the mythic Land of Israel but most immediately from their east European homeland. Kobrin explores the organizations, institutions, newspapers and philanthropies that the Bialystokers created around the world and that reshaped their perceptions of exile and diaspora. **The Port Jews of Habsburg**

Trieste: Absolutist Politics and Enlightenment Culture Lois C. Dubin, 2023-10-03 Winner of the 2000 Barbara Jelavich Prize in Habsburg, Russian or Ottoman history, American Association for the Advancement of Slavic Studies, and finalist in the 1999 National Jewish Book Awards History category, Dubin's brilliant study of the cosmopolitan entrepôt of goods and peoples that was Trieste breaks new ground in our understanding of Jewish life in the Old Regime Europe. It demonstrates, with exacting detail, the extensive privileges such port Jews enjoyed and the effect enlightened absolutism and emancipation

politics exercised upon them while skillfully portraying the Jews political and cultural responses It is a classic study in modern Jewish history David Sorkin University of Wisconsin Madison Lois C Dubin has produced a solid and original monograph that explores the economic legal political and cultural changes experienced by Trieste s Jewish community within the context of the reform policy of the Austrian enlightened absolutists and Enlightenment ideology Dubin has written an outstanding work on Trieste s Jews a very valuable study that I recommend to any reader interested in Jewish and Habsburg history as well as the Enlightenment The American Historical Review A valuable and carefully researched book Dubin s book is an important contribution not only to the study of Habsburg Jewry but also to our understanding of eighteenth century absolutism The Journal of Modern History The book is replete with keen insights into the experiences of European Jews during the initial phases of the transition from the world of corporate orders to modern class society Dubin s discussion of the dynamics of Haskalah in Trieste is a sophisticated and nuanced analysis of one of the crucial chapters in the modernization of European Jewry Journal of Urban History With this superb book Lois C Dubin has successfully and elegantly slain the two headed dragon of modern Jewish historiography nationalism and Germanocentrism She has also provided Habsburg historians with a much needed treatment of the complex interaction between state building reforming absolutism and the Jews one of several significant national minorities within the heterogeneous empire The essential economic role played by Triestine Jewry once Charles VI declared Trieste a free port in 1719 made them indispensable to the Habsburg state This indispensability itself is a critical marker in the shift between medieval and early modern Jewish history What had been a liability Jewish predominance in middle class professions particularly in trade became an asset with the rise of mercantilism and a state centralized economy Coupled with the distinctive culture of Italian Jews toleration shaped the ways in which Triestine Jews responded to Josephinian reforms the Jewish Enlightenment in Berlin challenges to Jewish marriage and divorce law educational changes and the dissolution of the ghetto all of which Dubin explores with nuance and clarity The Port Jews of Habsburg Trieste employs source material in all the essential languages German Hebrew and Italian and Dubin is equally at home analyzing Viennese and Triestine archival material and rare Hebrew periodical literature published in Vienna and Berlin Her assured use of such diverse materials is also welcome because it restores historical agency to the Jewish population which is at the center of her study The Port Jews of Habsburg Trieste will undoubtedly remain the classic treatment of this fascinating city and of Habsburg state building in one of its most important ports Nancy Sinkoff H Net Dubin has made here an important contribution that belongs in every library that addresses Judaism and the modern world German Studies Review Un travail magistral Annales Histoire Sciences Sociales [Gentile New York](#) Gil Ribak, 2012-01-19 The very question of what do Jews think about the goyim has fascinated Jews and Gentiles anti Semites and philo Semites alike Much has been written about immigrant Jews in nineteenth and twentieth century New York City but Gil Ribak s critical look at the origins of Jewish liberalism in America provides a more complicated and nuanced picture of the Americanization

process Gentile New York examines these newcomers evolving feelings toward non Jews through four critical decades in the American Jewish experience Ribak considers how they perceived Gentiles in general as well as such different groups as Yankees a common term for WASPs in many Yiddish sources Germans Irish Italians Poles and African Americans As they discovered the complexity of America s racial relations the immigrants found themselves at odds with white American values or behavior and were drawn instead into cooperative relationships with other minorities Sparked with many previously unknown anecdotes quotations and events Ribak s research relies on an impressive number of memoirs autobiographies novels newspapers and journals culled from both sides of the Atlantic *American Judaism* Jonathan D.
