Steering Clear Avoiding The Slippery Slope To Moral Failure:

Steering Clear Earl D. Wilson, 2002-08-22 Most people never plan on moral compromise Instead it begins innocently and subtly with a flirtatious conversation or the click of a mouse The mind dwells on the temptation and soon enough the fantasy becomes a reality Then comes the downward spiral of rationalization and denial of addiction and guilt Though we may retreat into our defenses and ignore the red flags inevitably the truth comes to light and we suffer the consequences In the wake of the crash are shattered lives broken marriages and ruined ministries As more and more Christians find themselves trapped in patterns of sexual emotional and financial sin the church desperately needs resources for prevention intervention and restoration Psychologist Earl D Wilson provides a penetrating look at the slippery slope to moral failure uncovering how our self delusions fuel ethical compromise With psychological and biblical insight he identifies how distorted thinking leads to secretive behavior and he describes effective strategies for breaking bad habits Only by bringing such things to light can we open the door to true repentance change and freedom Here is practical help for those who want to get off and stay off the slippery slope as well as hope and healing for those picking up the pieces after a crash Though the road may not be easy forgiveness and wholeness are possible This book serves as an essential companion for those who want to live with integrity and those who minister to them

Finishing Well David W. F. Wong, 2024-11-01 In life it is important how we begin and how we continue But ultimately it is how we finish that really matters Some of us have begun well Some of us have continued well But how will we finish Will we finish well or will we finish badly

Fruitful Boughs Broken Glenn C. Taylor, 2019-06-15 Responding to failure in ministry is painful for all touched by it The journey toward failure is unchosen undesired and unplanned When it occurs we all ask ourselves this one question why The result of failure is the loss of many well trained and adequately equipped men and women from churches Often they disappear into oblivion This has been true throughout history It s not a new problem Witness the experiences of Abraham David Elijah and Peter in Scripture They served well but they also failed disappointing God and their associates Modern pastors too become entrapped in situations of fear loneliness depression and failure We must address ways to prevent failure and learn about possibilities for intervention in order to be the witnessing church that God intends us to be

Battles Christians Face Vaughan Roberts, 2007-03-01 Vaughan Roberts explores seven of the difficulties Christians may have to endure and positive ways to deal with them The Bible warns of a mixed experience in this life We live in a fallen world and have to fight continually against earthly temptations but we do so as heaven s citizens already enjoying some of salvation s great blessings Vaughan Roberts calls us to realism Christians will struggle with battles such as image lust and doubt But he also urges us to seek strength from the Bible by the Spirit and through God s people We are weaker than we often acknowledge but God is far stronger than we can possibly imagine Vaughan Roberts is Rector of St Ebbe s Oxford He has worked extensively with students and is a frequent speaker at university Christian Unions and at conventions such as Word Alive
