Roy's World Barry Gifford,2020-10-06 A tie in to the new documentary Roy s World directed by Rob Christopher narrated by Lili Taylor Matt Dillon and Willem Dafoe these stories comprise one of Barry Gifford s most enduring works his homage to the gritty Chicago landscape of his youth Barry Gifford has been writing the story of America in acclaimed novel after acclaimed novel for the last half century At the same time he s been writing short stories his Roy stories that show America from a different vantage point a certain mix of innocence and worldliness Reminiscent of Mark Twain s Huckleberry Finn and Ernest Hemingway s Nick Adams stories Gifford s Roy stories amount to the coming of age novel he never wrote and are one of his most important literary achievements time pieces that preserve the lost worlds of 1950s Chicago and the American South the landscape of postwar America seen through the lens of a boy s steady gaze The twists and tragedies of the adult world seem to float by like curious flotsam like the show girls from the burlesque house next door to Roy s father s pharmacy who stop by when they need a little help or Roy s mom and the husbands she weds and then sheds after Roy s Jewish mobster father s early death Life throws Roy more than the usual curves but his intelligence and curiosity shape them into something unforeseen while Roy s complete lack of self pity allow the stories to seem to tell themselves *Tom and Jack* Henry Adams,2009-12-01 The drip paintings of Jackson Pollock trailblazing Abstract Expressionist appear to be the polar opposite of Thomas Hart Benton s highly figurative Americana Yet the two men had a close and highly charged relationship dating from Pollock s days as a student under Benton Pollock s first and only formal training came from Benton and the older man soon became a surrogate father to Pollock In true Oedipal fashion Pollock even fell in love with Benton s wife Pollock later broke away from his mentor artistically rocketing to superstardom with his stunning drip compositions But he never lost touch with Benton or his ideas in fact his breakthrough abstractions reveal a strong debt to Benton s teachings I n an epic story that ranges from the caf s and salons of Gertrude Stein s Paris to the highways of the American West Henry Adams acclaimed author of *Eakins Revealed* unfolds a poignant personal drama that provides new insights into two of the greatest artists of the twentieth century **OMNISEED** C. L. Standon,2023-09-05 Roy McKnight is in the hospital at the end of his days As Roy s time on this earth nears closer to its end he is given an incredible gift an angel who guides him on a

journey through the past Here he learns the stories of the people he encountered and the beautiful effect he had on their lives A humble man Roy is touched to learn how he helped others in ways he never even considered He also gains insight into some of the key people in his life and explanations for things that he spent his entire life wondering about He is on the journey of a lifetime as one chapter of his existence comes to a close and a new one begins Omniseed takes you through the life of Roy a plumber whose life was rich not necessarily with money but rather with something worth far more than that people and love Roy touched the lives of family friends and even strangers often without knowing it Omniseed tells the story not only from Roy s perspective but also from the people whose lives he has impacted It will give the reader thought to pause and consider the seeds they sow in their own life and how those seeds can be far reaching for years to come **MY SISTERS** Allan Ishmael Young,2012-11-02 My memoirs of my two older sisters their home lives their education their husbands their children **Virgil's Story** Virgil D. Mochel,2013-08-31 The first part of the story explains how Virgil s ancestors from Europe all arrived at that small region called Woodland Indiana Emphasis is on what was going on in that part of each one s world to cause them to migrate to this country and eventually to that spot in Indiana Wars religious intolerance and decisions by the various kings or queens were the driving forces that caused so many to leave their homelands and look for better conditions Life on a farm during the Great Depression and World War II is described in some detail The emotional devastation upon learning of the deaths of two brothers in that war took a heavy toll on the Mochel Family The second part deals with the many varied experiences of Virgil and Marian as they traveled their life journey together up to the present time **365 Sketches** Joe Janes,2010-05-23 On January 19 2009 Chicago teacher and playwright Joe Janes decided to write a comedy sketch a day for a year He did that When he was done Don Hall of the WNEP Theater Foundation decided to produce them All of them In June of 2010 Don and Joe gathered together over 200 Chicago actors and directors and over eleven nights presented 26 shows each featuring two weeks worth of sketches although one has 15 scenes Yep Crazy All 365 comedy sketches are collected in this book along with a complete list of directors and actors from the Strawdog shows Joe teaches comedy writing at The Second City and Columbia College
