I AM: A Journey in Jewish Faith Lewis John Eron, 2018-10-01 I AM A Journey in Jewish Faith is a spiritual theological meditation on the Shema the biblical statement of God's oneness that rests in the heart of the Jewish people Through poetry and prose Rabbi Eron uses the words of the Shema Listen carefully all you people of Israel the Eternal is our God the Eternal alone and the three biblical passages that follow it in the Jewish worship service to explore and express a contemporary understanding of the ties that bind each of us and God together The two fundamental themes of the Shema declaration of the oneness of God and proclamation that people and God are in a relationship anchor Eron's presentation of a deeply spiritual expression of monotheistic faith from a modern Jewish perspective As we discover ourselves as unique individuals we open our hearts and minds to the God who like ourselves is unique This powerful symmetry provides the foundation upon which we can build the lasting and sustaining relationships that connect us not only to God but also to each other and to all creation

Messianism, Zionism, and Jewish Religious Radicalism Aviezer Ravitzky, 1996-09 The Orthodox Jewish tradition affirms that Jewish exile will end with the coming of the Messiah How then does Orthodoxy respond to the political realization of a Jewish homeland that is the State of Israel In this cogent and searching study Aviezer Ravitzky probes Orthodoxy's divergent positions on Zionism which range from radical condemnation to virtual beatification Ravitzky traces the roots of Haredi ideology which

opposes the Zionist enterprise and shows how Haredim living in Israel have come to terms with a state to them unholy and therefore doomed Ravitzky also examines radical religious movements including the Gush Emunim to whom the State of Israel is a divine agent He concludes with a discussion of the recent transformation of Habad Hassidism from conservatism to radical messianism This book is indispensable to anyone concerned with the complex confrontation between Jewish fundamentalism and Israeli political sovereignty especially in light of the tragic death of Israeli Prime Minister Yitzhak Rabin
