Steps to Peace with God World Wide Publications, World Wide Publications Staff, 1998-05-01 An effective nonthreatening way to pass along the Lord's lifesaving message **Steps to Peace with God**, 196? *Landscapes of the Jihad* Faisal Devji, 2011-04-27 What are the motives behind Osama bin Laden's and Al Qaeda's jihad against America and the West Innumerable attempts have been made in recent years to explain that mysterious worldview In *Landscapes of the Jihad* Faisal Devji focuses on the ethical content of this jihad as opposed to its purported political intent Al Qaeda differs radically from such groups as Egypt's Muslim Brotherhood and Indonesia's Jemaah Islamiyah which aim to establish fundamentalist Islamic states In fact Devji contends Al Qaeda with its decentralized structure and emphasis on moral rather than political action actually has more in common with multinational corporations antiglobalization activists and environmentalist and social justice organizations Bin Laden and his lieutenants view their cause as a response to the oppressive conditions faced by the Muslim world rather than an Islamist attempt to build states Al Qaeda culls diverse symbols and fragments from Islam's past in order to legitimize its global war against the metaphysical evil emanating from the West The most salient example of this assemblage Devji argues is the concept of jihad itself which Al Qaeda defines as an individual duty incumbent on all Muslims like prayer Although medieval Islamic thought provides precedent for this interpretation Al Qaeda has deftly separated the stipulation from its institutional moorings and turned jihad into a weapon of spiritual conflict Al Qaeda and its jihad Devji suggests are only the most visible manifestations of wider changes in the Muslim world Such changes include the fragmentation of traditional as well as fundamentalist forms of authority In the author's view Al Qaeda represents a new way of organizing Muslim belief and practice within a global landscape and does not require ideological or institutional unity Offering a compelling explanation for the central purpose of Al Qaeda's jihad against the West the meaning of its strategies and tactics and its moral and aesthetic dimensions *Landscapes of the Jihad* is at once a sophisticated work of historical and cultural analysis and an invaluable guide to the world's most prominent terrorist movement **Unsettling Gaza** Joyce Dalsheim, 2011-03-18 Based on fieldwork in the Jewish settlements in and near the Gaza Strip prior to the Israeli withdrawal *Unsettling Gaza* critically examines secular liberalism religiosity and the complexities of being Israeli The book holds up a mirror in which the liberal left and the radical right each find themselves reflected in the face of the other **15 Minutes of Peace with God** Emilie Barnes, 1997 The Perfect Devotional for Today's Busy Woman One of Emilie Barnes' bestselling devotionals more than 69 000 copies sold now has an updated contemporary cover that consumers will love Readers will find inspiration and renewal in this collection of 15 minute a day devotions that explore the wisdom and peace of God In brief meaningful chapters Emilie shares her insight and God's Word to help readers deepen their faith and fully experience God's presence When modeling God's love to family and friends seems impossible this collection will reassure one's heart and restore focus on Jesus the true source of strength and peace God in the Landscape Kerrie Handasyde, 2021-07-15 This

book shows how creative writing gives voice to the drama and nuance of religious experience in a way that is rarely captured by sermons reports and the minutes of church meetings The author explores the history of religious Dissent and Evangelicalism in Australia through a variety of literary responses to landscape from both men and women lay and ordained The book explores transnational themes along with themes of migration and travel across the Australian continent The author gives insight into the literature of Protestant Dissent concerned as it is with travel belonging and the intersection of national and religious identity Much of the writing is situated on the road a soldier returning from the Great War a child on a lone adventure a night time journey through urban slums all of these are in some way dependent on the theme of walking with Jesus as the Holy Land travelogues make explicit God in the Landscape draws the links between landscape literature and spirituality with imagination and insight and is an important contribution to the historical study of religion and the environment

God Land Lyz Lenz, 2019-07-19 Will resonate with any readers interested in understanding American landscapes where white evangelical Christianity dominates both politics and culture Publishers Weekly In the wake of the 2016 election Lyz Lenz watched as her country and her marriage were torn apart by the competing forces of faith and politics A mother of two a Christian and a lifelong resident of middle America Lenz was bewildered by the pain and loss around her the empty churches and the broken hearts What was happening to faith in the heartland From drugstores in Sydney Iowa to skeet shooting in rural Illinois to the mega churches of Minneapolis Lenz set out to discover the changing forces of faith and tradition in God s country Part journalism part memoir God Land is a journey into the heart of a deeply divided America Lenz visits places of worship across the heartland and speaks to the everyday people who often struggle to keep their churches afloat and to cope in a land of instability Through a thoughtful interrogation of the effects of faith and religion on our lives our relationships and our country God Land investigates whether our divides can ever be bridged and if America can ever come together God Land Lyz Lenz s much anticipated debut book is a marvel Not only is it a window into the middle America so many like to stereotype but fail to fully understand in all of its complexity but it mixes reportage memoir and gorgeous prose so seamlessly I wanted to know how she did it Sarah Weinman author of The Real Lolita
