Stevensons A Biography Of An American Family:

The Stevensons Jean H. Baker,1997-06 Presents a portrait of four generations of the Stevenson family in America from the first Scotch Irish immigrants to the life and career of the noted liberal politician Adlai Stevenson **Reader's Guide to American History** Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

Dawn Clark Netsch Cynthia Grant Bowman,2010-01-20 Bowman s eminently readable account discovers a rara avis in Illinois state politics a woman of character who lost neither her genteel yet unpretentious demeanor nor her passion for the progressive politics she shared with her early mentor Governor Adlai E Stevenson from book jacket Eleanor Roosevelt and Adlai Stevenson Richard Henry,2010-09-27 The mutually energizing and often volatile friendship between Eleanor Roosevelt and Adlai Stevenson unexplored in depth by scholars until this study was one of the last century s remarkable political alliances Both Stevenson and Eleanor Roosevelt shared a view of politics as a moral enterprise one in which the fulfillment of its mission was the betterment of the human condition This belief was the foundation upon which their legislative initiatives were constructed Employing letters and diaries as well as contemporary media accounts this book examines the perspectives the convictions the style and the spirit that both principals brought to the calling of public service

OBSSESSED: THE PRESIDENCY AND ILLINOIS SENATORS PERCY, STEVENSON III, SIMON Robert E. Hartley,2023-07-16 From history books memoirs news stories and public utterances it is known that untold numbers of serving United States senators dreamed of residing in the Oval Office Many fewer committed to open pursuit of the office and even fewer made it Three Illinois senators from the 1950s to the 1990s Republican Charles H Percy Democrats Adlai E Stevenson III and Paul Simon can be counted as actively engaged in the hunt with widely differing outcomes Each had internal and external pressures Percy Encouraged by Dwight Eisenhower and his brother Milton and dogged by media speculation Stevenson III Expected to follow in the footsteps of his greatgrandfather and his father Stevenson II Simon Ambitious to find ever higher elective outlets for his policy ideas and willing to take the risk Circumstances aside their common goal was to be president Their stories include campaign images and fresh perspectives based on documents **The Cause** Eric Alterman,2013-05-28 A major history of American liberalism and the key personalities behind the movement Why is it that nearly every liberal initiative since the end of the New Deal whether busing urban development affirmative action

welfare gun control or Roe v Wade has fallen victim to its grand aspirations often exacerbating the very problem it seeks to solve In this groundbreaking work the first full treatment of modern liberalism in the United States bestselling journalist and historian Eric Alterman together with Kevin Mattson present a comprehensive history of this proud yet frequently maligned tradition In *The Cause* we meet the politicians preachers intellectuals artists and activists from Eleanor Roosevelt to Barack Obama Adlai Stevenson to Hubert Humphrey and Billie Holiday to Bruce Springsteen who have battled for the heart and soul of the nation

Biographical Directory of the United States Congress, 1774-2005 United States. Congress, 2005 Lists every member of the U S House and Senate since 1789 with brief biographical entries on each member

When America Was Great Kevin Mattson, 2005-01-01 A sweeping intellectual history that will make us rethink postwar politics and culture When America Was Great profiles the thinkers and writers who crafted a new American liberal tradition in a conservative era from historians Arthur Schlesinger Jr and C Vann Woodward to economist John Kenneth Galbraith and theologian Reinhold Niebuhr A compelling tale that will redefine the word liberal for a new generation Mattson retraces the intellectual journey of these towering figures They served in the Second World War They opposed communism but also wanted to make America's poor visible to the affluent society Contrary to those who characterize liberals as naive or sentimental bleeding hearts they had a tough minded and nuanced vision that stressed both human limitations and hope They felt America should stand for something more than just a strong economy
