Stewart Parker Plays Includes Spokesong Catchpenny Twist Nightshade And Pratts Fall:

Parker Plays: 1 Stewart Parker, 2000-01-10 Stewart Parker was a playwright whose sense of history and elegance of wit and feeling were unusual in the British Theatre Observer This volume includes four plays Spokesong A dazzling play that combines warmth of sentiment with great emotional strength and intellectual playfulness a gorgeously rich play New York Post Catchpenny Twist The most appealing thing about Parker's work is the ease with which he blends lunatic humour with a gritty sense of reality He's done it before in Spokesong and he does it again in this hard ribald and hilarious little play Sunday Times Nightshade A rare delight A mixture of experiment inventiveness wit sheer theatricality obscure motifs and elements that are deeply moving It is a highly complex play there is no story that is told in sequence no meaning that can be easily grasped But as theatre it is superb Hibernia Pratt's Fall A delicate unusual and rather beautiful vehicle a fascinating and delightful entertainment Parker's chosen approach is to tackle serious themes often related to the experience of his native Northern Ireland through a kind of lyrical comedy deceptively lightweight fast moving and slightly surreal Sunday Standard *The Methuen Drama Guide to Contemporary Irish Playwrights* Martin Middeke, Peter Paul

Schnierer, 2010-08-10 The Methuen Drama Guide to Contemporary Irish Playwrights is an authoritative guide to the work of twenty five playwrights from the last 50 years whose work has helped to shape and define Irish theatre Written by a team of international scholars it provides an illuminating survey and analysis of each writer's plays and will be invaluable to anyone interested in studying or teaching contemporary Irish drama The playwrights examined range from John B Keane Brian Friel and Tom Murphy to the crop of writers who emerged in the 1990s and who include Martin McDonagh Marina Carr Emma Donoghue and Mark O Rowe Each essay features a biographical sketch and introduction to the playwright a discussion of their most important plays an analysis of their stylistic and thematic traits the critical reception and their place in the discourses of Irish theatre a bibliography of texts and critical material With a total of 190 plays discussed in detail over half of which were written during the 1990s and 2000s The Methuen Drama Guide to Contemporary Irish Playwrights is unrivalled in its study of recent plays and playwrights

Parker Plays: 2 Stewart Parker, 2000 Stewart Parker was a playwright whose sense of history and elegance of wit and feeling were unusual in the British Theatre Observer This volume includes three of Stewart Parker's most striking plays Northern Star Only an Irishman could have written something like this a freewheeling lunatic sense of invention is harnessed to a cultivated literary imagination and stoked up by moral outrage It is a captivating play Sunday Times Heavenly Bodies The colourful rather Balzacian story of Boucicault An undoubted talent for pungent dialogue The Times Pentecost One of the most stimulating most satisfying most touching most illuminating in years of Irish theatre A total theatrical experience Irish Times Contemporary Irish Drama Anthony Roche, 2009-07-31 This new edition of Anthony Roche's pioneering survey of twentieth century Irish drama brings the story up to date with new material on the contemporary Irish theatre scene Stewart Parker Marilynn Richtarik, 2012-09-06 Born in Belfast during

World War II raised in a working class Protestant family and educated on scholarship at Queen's University writer Stewart Parker's story is in many ways the story of his generation. Other aspects of his personal history though such as the amputation of his left leg at age 19 helped to create an extraordinarily perceptive observer and commentator. Steeped in American popular culture as a child and young adult he spent five years teaching in the United States before returning to Belfast in August 1969 the same week British troops responded to sectarian disturbances there. Parker had developed a sense of writing as a form of political action in the highly charged atmosphere of the US in the late 1960s which he applied in many and varied capacities throughout the worst years of the Troubles to express his own socialist and secular vision of Northern Irish potential. As a young aspiring poet and novelist he supported himself with free lance work that brought him into contact with institutions ranging from BBC Northern Ireland to the Irish Times for which he wrote personal columns and the music review feature High Pop and from the Queen's University Extramural Department to Long Kesh internment camp where his creative writing students included Gerry Adams. It is as a playwright however that Parker earned a permanent spot in the literary canon with drama that encapsulates his experience of Northern Ireland in the 1970s. Marilyn Richarik's Stewart Parker A Life illuminates the genesis development and meaning of such classic plays as Spokesong Northern Star and Pentecost works that continue to shed light on the North's past present and future in the context of Parker's life and times. Meticulously researched and engagingly written this critical biography rewards general readers and specialists alike.
