Stickfighting Evan S. Baltazzi, 1983-01-01 **Japan's Complete Fighting System Shin Kage Ryu** Robin L. Rielly, 2011-12-20 Master the extremely effective but relatively unknown Shin Kage Ryu jiu jitsu with this illustrated martial arts book Shin Kage Ryu jiu jitsu has existed as a fighting system for over two hundred years and the literal meaning of the three characters is spirit shadow way Originating in Japan and influenced by Okinawan fighting systems the art has evolved into one that incorporates karate like kicks punches and strikes as well as the throwing grappling and joint techniques of judo Thus Shin Kage Ryu is a complete fighting system one that combines the best elements of karate with those of jujutsu The unique mix of disciplines in Shin Kage Ryu makes it possible to fight with an opponent in an upright position and if necessary take him to the ground and score a victory by grappling or choking Students are also taught extensive attack and defense techniques with both the sword and knife *Karate Training* Robin L. Rielly, 2012-02-21 This martial arts guide could actually be considered two books in one a thorough history of Japanese karate do and a profusely illustrated instruction manual for students of the martial art who have advanced beyond the beginning stages Part One Concerned about the misinterpretation of Japanese culture in general and karate in particular by many Western practitioners of karate the author sets out in Part One of his book to trace the history of karate from its probable origins in India or perhaps Greece and its transmission in successively more developed forms to China Okinawa and then Japan In Part Two In this practical martial arts training manual the author first demonstrates important points of etiquette to be used in the karate dojo He follows with well illustrated instructions of kumite sparring drills including those involving two practitioners and those such as the doubleline drill and the circle drill which give practice in facing a number of opponents Descriptions of many of these are not readily found in other English language publications He then presents nine kata introductory the advanced kata Sochin and Nijushiho **Pa-kua** Robert W. Smith, Allen Pittman, 1990-07-15 This book outlines the history and techniques of Pa kua a style of boxing based on the eight pa trigrams kua of the I Ching This martial arts guide gives a thorough account of the philosophy behind the art It also presents to the West for the first the orthodox style of the last Chinese Pa kua master Wang Shu chin Described in great detail and fully illustrated are the basic techniques the eight palm shapes and the eight traditional methods of walking the circle Guided by this easy to follow text the student of Pa kua can probe deeply into the hitherto hidden secrets of one of the most complete systems of self defense ever developed Brutal Justice Mark Sewell, 2016-02-19 Crime is rampant the City cries in pain The call is made for a protector a hero are you that hero Do you feel the burning urge to fight evil but maybe you're not quite sure where to start Do I need a stick how about a mask Must I develop 6 pack abs before heading off into the night What will the neighbours think Well you've had your entire life to be normal and what did that get you Probably not much or maybe it has good for you Its time to get positive its time to get crazy its time to impose your glorious indomitable will upon the world at large So don't plod through another day at your boring
