Still Seeing Things:

Seeing Things Kartik Nair, 2024-02-13 In 1980s India the Ramsay Brothers and other filmmakers produced a wave of horror movies about soul sucking witches knife wielding psychopaths and dark caped vampires *Seeing Things* is about the sudden cuts botched prosthetic effects continuity errors and celluloid damage in these movies Such moments may very well be failures of various kinds but in this book Kartik Nair reads them as clues to the conditions in which the films were once made censored and seen offering a view from below of the world's largest film culture Combining extensive archival research and original interviews with close readings of landmark films including *Purana Mandir Veerana* and *Jaani Dushman* this book tracks the material coordinates of horror cinema's spectral images In the process *Seeing Things* discovers a spectral materiality one that informs Bombay horror's haunted houses grotesque bodies and graphic violence and gives visceral force to our experience of the genre's globally familiar conventions *Seeing Things at Night* Heywood Broun, 2020-07-31

Iadevaia, 2007-11 What starts with the arrival of a package that contains four notebooks written by a scientist becomes an adventure for Professor Guido Galileo and several of his students Come enjoy the thrill of discovery and danger with Guido Elinor and the students as they experience the effect of stranger things while traditional science is challenged by fringe science *Escape from the Village* Chris Baker, 2013-10-07 An eleven year old girl and boy live in an isolated village with 258 other citizens Nobody has a name and everything is calculated to break their spirits so that they surrender to an existence of gray routine But they have each other They each have a passion music and art And a mysterious force is guiding them and protecting them When the savagery of those in control finally transforms the girl the boy must help

her find herself again The path is an amazing journey through which they discover the depths of their humanity and a startling method to shake the village at its roots Perhaps they can shift the world toward happiness Escape from the Village is an homage to true friendship which can sustain the human spirit even against physical and spiritual torture It is a touching love story like no other Wendy McElroy She draws the pictures He makes the music They both share a big secret There is no music or art in the village where a pre adolescent boy and girl They go to a mysterious house where they make music and art while other citizens can not go there Their creativity separates them from their peers in many ways They will soon discover that there is much more being kept from them Take the grim dystopia of the Hunger Games and combine it with the charm of Moonrise Kingdom the result is Escape from the Village

Colossians David J. Landegent,2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey
