Still Photography The Problematic Model:

Still Photography Lew Thomas, 1981-01-01 Frank and Lillian Gilbreth Michael C. Wood, John Cunningham Wood, 2003
First published in 2004 Routledge is an imprint of Taylor Francis an informa company *The Oxford Handbook of Management Theorists* Morgen Witzel, Malcolm Warner, 2013-02-28
Concurrent with the increasing complexity of the field of management the need to re examine the foundations from which its theories have advanced has become ever more important and useful The Oxford Handbook of Management Theorists examines and evaluates the contributions that seminal figures past and present have made to the theory of management by providing in depth up to date and detailed scholarly analysis of their ideas and influence Chapters by leading management and management history scholars explore the origins of each thinker or school of thought and their ideas and discuss the significance and influence in a broader framework The Handbook contextualises each theorist and their theories analysing their actions interactions and re actions to contemporary events and to each other It is arranged in three parts pioneers of management thinking from Frederick Taylor to Chester Barnard post war theorists such as the Tavistock Institute and Edith Penrose and the later phase of Business School theorists including Alfred Chandler Michael Porter and Ikujiro Nonaka This book will be essential reading for anyone interested in how and why management ideas have emerged and the ways in which they are currently developing and will evolve in the future

Phillips, 2012-02-01 This is a book about life modeling Unlike the painter whose name appears beside his finished portrait the life model posing nude perhaps for months goes unacknowledged Standing at a unique juncture between nude and naked between high and low culture between art and

pornography the life model is admired in a finished sculpture but scorned for her or his posing Making use of extensive interviews with both male and female models and quoting them frequently Sarah R Phillips gives a voice to life models She explores the meaning that life models give to themselves and to their work and seeks to understand the lived experience of life models as they practice their profession Throughout history people have romanticized life models in an aura of bohemian eroticism or condemned them as strippers or sex workers Modeling Life reveals how life models get into the business managing sexuality in the studio what it means to be a muse and why their work is important **Small-Scale Armour**

Modelling Alex Clark,2011-09-20 Since the mid 1990s small scale armour modelling has seen a great resurgence in popularity mostly due to model manufacturers in Germany and the many smaller companies that have started selling add ons and accessories Using a highly visual step by step approach this book covers all of the major aspects of small scale armour modeling including construction painting finishing and presentation Covering World War II armour modern vehicles and everything in between this book is the ultimate guide for those who appreciate the beauty and craftsmanship of small scale armour models **Exposure** ,1985 **Transmission** Peter d'Agostino,David Tafler,1994-09-01 The essays in this volume investigate the impact of all media including the emerging technologies on the social cultural economic and political climate in the context of aesthetic values and issues of gender race and class Transmission examines the array of forces moving the contemporary video landscape forward comparing the past with the present as well as the future as it looks at the impact of video on commercial television the relationship of media to the social causes it mis represents and the effects of new communication tools on participating constituents **Situating Cindy Sherman** Sarah Patricia Evans,2004 Focuses on artistic photographer Cindy Sherman s Untitled Film Stills in three historical contexts **Popular Photography - ND**
