

"Good friend of mine disappeared 12 years ago. He went hunting with a couple good friends of ours. One morning, **they woke up, and he was just gone.**

His tent was perfectly fine, and it didn't even look like he had slept that night. His truck, rifle, and dog were still there, but he was gone, the only thing he took was his knife.

We spent a full month looking and never found a trace. Four years ago, **I went back and I found him."**
