treatment of short fiction writing and chronicles its development in Britain and Ireland from 1880 to the present Provides a comprehensive treatment of the short story in Britain and Ireland as it developed over the period 1880 to the present Includes essays on topics and genres as well as on individual texts and authors Comprises chapters on women s writing Irish fiction gay and lesbian writing and short fiction by immigrants to Britain **The Field Day Anthology of Irish Writing** Seamus Deane,Andrew Carpenter,Angela Bourke,Jonathan Williams,1991 The Realist Short Story of the Powerful Glimpse Kerry McSweeney,2007 An aesthetic perspective on the short fiction of Chekhov Joyce Hemingway O Connor and Carver Taking a distinctively aesthetic approach to the genre of realist short fiction Kerry McSweeney clusters the work of five masters Anton Chekhov James Joyce Ernest Hemingway Flannery O Connor and Raymond Carver to offer a poetics of the form for students and scholars At the center of this argument is the notion that the realist short story is a glimpse powerful and tightly focused into a world that the writer must precisely craft and in which the reader must fully invest Selecting writers from different generational national and cultural backgrounds McSweeney chooses writers based on their commitment to the realist representation of experience and their shared belief in the importance and efficacy of the short story form By considering their efforts in tandem he develops a means to assess the strategies and claims of realist short fiction McSweeney demonstrates that when the comments these writers have made about their work are assembled and critically scrutinized the result is an aesthetic critical model as opposed to more interpretative models that focus attention on the determination or indetermination of meanings He suggests that a fully adequate reading of a realist short story involves the integration of three components the enjoyment and contemplation of the story in and of itself affective receptivity or a response to the story s emotional content and cognitive activity or the reflective consideration of the story s conceptual implications In individual chapters on Chekov Joyce Hemingway O Connor and Carver this presentational model is applied to widely known and often anthologized readings from each writer McSweeney brings into sharp focus the distinctive features of each piece makes qualitative discriminations and assesses the profitability of other critical models He concludes with an invitation to test the mettle of his approach in reading other realist short story writers *Elizabeth Gaskell Premium Collection: 10 Novels & 40+ Short Stories* Elizabeth Gaskell,2023-11-30 The Elizabeth Gaskell Premium Collection 10 Novels 40 Short Stories presents a comprehensive anthology that showcases Gaskell s remarkable skills in weaving detailed narratives infused with social commentary and rich characterizations This collection encompasses notable works like North and South and Wives and Daughters highlighting her pioneering exploration of class dynamics and gender roles in Victorian England Gaskell s literary style is characterized by her nuanced prose and keen psychological insight which enable readers to engage deeply with the societal challenges depicted in her stories making her a distinctive voice in the social realist tradition of the 19th century Born in 1810 Elizabeth Gaskell s life was marked by personal and societal upheaval including the loss of her mother and the influences of her industrial surroundings in Manchester These experiences significantly

Thirteen-A Compilation of Short Stories , To Tell the Story C. Thomas Elkins,2011-02-10 Those of us hearing a Well Told Story may become more aware of the Implications of that story than by a mere recital of facts The use of the Story Form of relating an event may be the best method of capturing the significance of the actual event In the understanding and presentation of the Christian faith Story is considered as a fundamental category of reality It is the perfect vehicle for presenting the Good News of the Gospel John Paul Roth The presentation of real events in story form preserves the remembrance of reality without limiting its implications to the mere recording of historical facts The Gospel story carries us beyond the realm of human understanding into the higher realm of faith The power of story assists us in bridging the gap between the inexplicable in the Gospel Story and the human experience This holds true with the stories which accompany and support the underlying Story of God in Jesus Christ True stories as is the Gospel Story will take precedence over stories told only for entertainment or to serve a specific agenda Yet even the stories of integrity and truth need to be told well and with skill This is discussed in detail herein As Theologians we must tell the Story with truth and understanding as Evangelists with persuasiveness and tolerance and as Preachers or Witnesses we must share the Story often convincingly and with Love Loving God loving each other and the Story never ends *The Best Short Stories of ... and the Yearbook of the American*
