The 9 Arts of Spiritual Conversations Mary Schaller, John Crilly, 2016 Love God love people Could evangelism really be that simple Often it doesn't seem so It can feel scary awkward and uncomfortable as we try to navigate loaded questions and different perspectives Even the most faithful of believers sometimes get stumped But can you imagine if we as Christians simply spent time with people who are far from God and provided a safe place to talk about spiritual matters If we listened to them and discovered what was really important to them After all it's what Jesus did And it's what you can do too Drawing straight from the life and ministry of Jesus The 9 Arts of Spiritual Conversations offers simple practices to help you build relationships with people who believe differently Anyone who has read and appreciated *Becoming a Contagious Christian* or *Just Walk across the Room* won't want to miss this book on creating a safe space to have natural loving and spiritual conversations with others

A Short Border Handbook Gazmend Kapllani, 2013-11-14 It is not a recognized mental illness like agoraphobia or depression It's largely a matter of luck whether one suffers from border syndrome it depends where you were born I was born in Albania After spending his childhood and school years in Albania imagining that the miniskirts and quiz shows of Italian state TV

were the reality of life in the West and fantasizing accordingly about living on the other side of the border the death of Hoxha at last enables Gazmend Kapllani to make his escape However on arriving in the Promised Land he finds neither lots of willing leggy lovelies nor a warm welcome from his long lost Greek cousins Instead he gets banged up in a detention centre in a small border town As Gazi and his fellow immigrants try to find jobs they begin to plan their future lives in Greece imagining riches and successes which always remain just beyond their grasp The sheer absurdity of both their plans and their new lives is overwhelming Both detached and involved ironic and emotional Kapllani interweaves the story of his experience with meditations upon border syndrome a mental state as much as a geographical experience to create a brilliantly observed amusing and perceptive debut The Christian Advocate ,1907 *Twice-told tales.
