personality strengths all with the goal of spiritual growth **Tempera Mysticism** Shirley A. Miller,1991 The first and foremost authority on the history and meaning of the four temperament theory the sanguine choleric phlegmatic and melancholy personality types **My Personality GPS** Keith Henry and Berni Dymet,2013-10-30 Most of us believe that somewhere somehow there must be a unique destiny for our lives Something more than just eking out an existence A plan to live out this life we ve been given to the full But unless we really know who we are how we ve been wired on the inside our personality type if you will then how can we possibly discover what we re meant to be doing with ourselves our unique gig in life Berni Dymet Keith Henry have written a book that s not only entertaining and easy to read but incredibly insightful and intensely practical This book is about you because personality GPS is all about helping you locate your unique Personality Type But what makes it so wonderfully different is that it s been written with a very special purpose in mind it s been written so that you can live out your life to the full You ll discover how wonderfully different God has made each one of us your specific personality type and what that means for your life how to uncover the personality types of your family friends and colleagues how to develop richer and more meaningful relationships by knowing yourself and others and most importantly how you can impact this world and discover fulfillment in serving people by being who you were always meant to be The Temperament God Gave You Art Bennett,Laraine Bennett,2007 *Prayer and Temperament* Chester P. Michael,Marie C. Norrissey,1984 The possibility of a close connection between personality types and prayer and spirituality has been conjectured by many persons There has been much discussion on the topic but almost nothing has been published The present volume is among the first in print on the relationship between human temperament and prayer The conclusions in this book are based on a Prayer Project conducted throughout 1982 with more than four hundred participants from all over the United States and even from Canada and Australia The recommendations for the different forms of prayer appropriate for the different temperaments and personality types have been tested in a number of workshops in parish retreats and in spiritual direction of numerous persons Without claiming to be the last word that can be said on this subject of prayer and temperament the authors now offer their findings and conclusions to a wider audience It is hope that many others will find the same help to their prayer life and growth in spirituality that hundreds of other women and men have received **Godly Personalities** Roger Deemer,2011-01-31 Warning You re about to uncover your vulnerabilities However your spiritual strengths will also be revealed as you begin an expedition of discovery in the most vital areas of your life Using insights from the Myers Briggs Type Indicator MBTI you will explore the Creator s gifts in your diverse personality type Godly Personalities provides hope in facing common temptations avoiding deception patiently persevering through life s challenges and living in peace with all people Understanding personalities is a key to living a godly life Improve intimacy in your marriage find harmony with family members and achieve genuine unity with other believers People have been using MBTI in professional settings for years to improve individual and team performance and leadership skills now it s time to apply it to your daily life
