## Tempest And Exodus:

**Tempest and Exodus** Ralph Ellis, 2010-11-04 epub format The Tempest Stele of Ahmose I contains a quotation from the biblical account of the plagues This again demonstrates that the Israelite leaders were the Hyksos pharaohs of Lower Egypt and so the biblical Jacob was probably the Hyksos pharaoh Jacoba This earlier date for the exodus means that the biblical plagues were probably a real event caused by the island of Thera Santorini exploding and the fallout from this natural catastrophe caused a historically documented civil war and great exodus of the Hyksos Israelite people from Egypt However if these links between Egyptian and Israelite history are true then it is possible that Mt Sinai was actually the Israelite name for the Great Pyramid of Giza The sacred mountain of the Jews was actually a pyramid Sequel to Jesus Last of the Pharaohs Followed by Solomon Pharaoh of Egypt and Eden in Egypt L *Tempest & Exodus* Ralph Ellis, 2000 Whilst working on the new edition of Jesus Last of the Pharaohs the author Ralph Ellis discovered a large biblical quotation on an ancient Egyptian stele The quotation appears to be two separate accounts from both the Egyptian and the Israelite perspective of a conference in Egypt discussing the way in which the biblical Exodus should be organized The quotation has fundamental implications for both history and theology because it explains exactly what the pharaoh of the Exodus was the destruction that the Israelites wrought upon the Egyptians why the Tabernacle was constructed and why the biblical Exodus started It even explains exactly who the Israelites really were and thus why the Torah Bible and Koran were written *K2, Quest of the Gods* Ralf Ellis, The Great Pyramid in the Himalaya In Thoth Architect of the Universe Ralf discovered evidence for megalithic maps But if these megalithic maps are to be of any use in a quest for the mythical Hall of Records then they need to be a little more detailed than a simple representation of continents Luckily the shaft angles inside the Great Pyramid can refine these maps down to just a few tens of meters And so Ralf embarked on a long trek into the high Himalaya to see what lay at the heart of the Giza map Strangely enough what he found there was a giant snow white pyramid aligned with the cardinal points with a causeway aligned at 14 from its base exactly the same as the Great Pyramid itself Sequel to Thoth Architect of the Universe v3 6

*Shards of Illumination II* Ralph Ellis, 2024-03-11 eBook edition with colour images 520 pages of gnosis The Shards series are a compilation of hundreds of posts and articles I have written during 2022 and 2023 Both volumes cover a large selection of topics from alternative biblical exegesis to energy policy criticism to climate deception and to covid idiocy Yet the disinformation and gaslighting continues unabated and has even surpassed the peak of just two years ago When will it end I hear you ask Only when we stand up to it and call it out in public Our new age is not the Anthropocene it is actually the Deceptocene Thus we see Clerics only telling their flocks half of the gospel story Medics refusing to investigate alternative therapeutics Climate scientists amending and cherry picking data The media not investigating alternate facts and data Academics jumping on bandwagons for grant funding Politicians using cherry picked data to their advantage These many deceptions can only be the result of intentional deceit not mere incompetence Although these deceptions are invigorated by

bandwagon riders those who seek personal advantage through turning a blind eye to the corruption It is time to stand up to the Woke cry bullies and break through the deception V1 9 2024 eBook colour Volume 2 See Volume 1 also on Google

**Solomon, Pharaoh of Egypt** Ralph Ellis,2010-11-04 epub format There are indisputable links between the Egyptian and Judaic royal lines demonstrating that King David and King Solomon were actually kings of a unified Egypto Judaic nation This is why there is no evidence for these monarchs in the archaeology of modern Israel for the evidence including the tombs sarcophagi and death masks of these famous monarchs are actually located in the north eastern Nile Delta The Queen of Sheba was also related to this royal line and as befitting the great Queen of the South her sarcophagus was discovered at Deir el Bahri in Luxor The book also shows the location of King Solomon s Mines and the true historical identity of Hiram Abif the hero of the Masonic 3rd degree Followed by Eden in Egypt L **Shards of Illumination I** Ralph Ellis,2022-02-04

Shards of Illumination Volume I 550 pages of gnosis Academic disinformation appears to be reaching a peak Was it always this way and only now with increased connectivity can we see their duplicity Or are we living in a new era of deception The new age is not the Anthropocene it is actually the Deceptocene Thus we see Clerics only telling their flocks half of the gospel story Medics refusing to investigate alternative therapeutics Climate scientists amending and cherry picking data The media not investigating alternate facts and data Academics jumping on bandwagons for grant funding Politicians using cherry picked data to their advantage Are these academic deceptions the result of intentional deceit or sheer incompetence To be sure there are any number of incompetent scientists historians and clerics but I get the impression that much of this is due to deliberate falsification and fraud The world is awash with duplicity and deceit and it is time to break through the deception Volume I V1 3 Colour See also Volume 2 **The Grail Cypher** Ralph Ellis,2015-09-21 The secrets of Arthurian history revealed

Cleopatra to Christ Ralph Ellis,2010-11-04 epub Format Why was the birth of a poor carpenter in the first century AD attended by the Magi the Persian king makers Why was Jesus later known as the King of the Jews Using many strands of contemporary evidence Ralph Ellis has pieced together a historical jigsaw puzzle demonstrating that the biblical Jesus was directly descended from Cleopatra VII the most famous queen of Egypt But this is not all for in piecing this story together it would seem that Jesus also had an aristocratic Roman and royal Persian ancestry too and it is the latter bloodline element that explains the appearance of Persian Magi at his birth Sequel to Jesus Last of the Pharaohs Followed by King Jesus L *The Return of the Serpents of Wisdom* Mark Amaru Pinkham,1997-09 According to ancient records the patriarchs and founders of the early civilisations in Egypt India China Peru Mesopotamia Britain and the Americas were colonised by the Serpents of Wisdom who arrived in these lands after abandoning their beloved homelands and crossing great seas While bearing names denoting snake or dragon these Serpents of Wisdom oversaw the construction of magnificent civilisations within which they and their descendants served as the priest kings and as the enlightened heads of mystery school traditions This book recounts the history of these Serpents and why they are returning now **Thoth, Architect of the Universe** Ralf

Ellis,1997-01-14 What was the purpose of all the megalithic architecture that was created all around the world during the Stone Age Ralf has developed a theory that each of these structures represents a map of the world a map that may have been designed to pinpoint the location of the mythical Hall of Records There is no difficulty in seeing these maps at Stonehenge and Giza one just needs a little lateral thinking In fact a six year old is more likely to spot them than an adult Ralph also demonstrates how important the metrology of Giza was to the ancients In fact we still use these units today for the Great Pyramid measures 1760 cubits around the base and the Imperial Mile measures 1760 yards Thus America in particular is still using Egyptian metrology The Megalithic Map series Latest version v5 4 Stonehenge Avebury Silbury Henge Great Pyramid Giza Meidum Pyramid Precession King Jesus Ralph Ellis,2011-03 epub format The most comprehensive and revolutionary reappraisal of biblical history This book explains every facet and every character within the New Testament narrative and places them within a real historical context Contrary to orthodox perceptions King Jesus and Queen Mary Magdalene were the richest couple in Syrio Judaea The Romans wanted to impose taxes on Jesus and Mary which provoked the Jewish War King Jesus fought and lost that war so he was crucified reprieved and sent into exile in Roman England This identification of Jesus as a wealthy royal warrior hero of first century Judaea may sound bizarre but that is what the texts say All research and quotations are from original sources including the New Testament Tanakh Talmud Josephus Origen Eusebius Irenaeus Herodian Suetonius Tacitus Clement etc Sequel to Cleopatra to Christ L **Eden in Egypt** Ralph Ellis,2010-12-11 Why was the birth of a poor carpenter in the first century AD attended by the Magi the Persian king makers Why was Jesus later known as the King of the Jews Using many strands of contemporary evidence Ralph Ellis has pieced together a historical jigsaw puzzle demonstrating that the biblical Jesus was directly descended from Cleopatra VII the most famous queen of Egypt But this is not all for in piecing this story together it would seem that Jesus also had an aristocratic Roman and royal Persian ancestry too and it is the latter bloodline element that explains the appearance of Persian Magi at his birth

**Scota, Egyptian Queen of the Scots** Ralph Ellis,2010-11-04 epub format The legends of Ireland and Scotland tell a fantastic tale of an Egyptian queen and her Greek husband who were exiled from Egypt to Ireland at some point during the second millennium BC It is said that it was from this Queen Scota and King Gaythelos that the modern titles for the Scottish and Gaelic people were derived But what are we to make of this ancient story is it based more upon fact or fiction Historians have as one might expect taken the story to be complete fiction but Ralph Ellis has taken a lateral look at this mythology and found many links and associations that lead to one inescapable conclusion that the extraordinary tale of Queen Scota and King Gaythelos is probably true See also Eden in Egypt L **Jesus, King of Edessa** Ralph Ellis,2012 Jesus was a king of Edessa 600 pages of gnosis Colour Images This is the book that the Catholic Church has been dreading for the last 1700 years This is the book that will end Christianity as we know it And this is not advertising hyperbole this really is the end of the Christian fairytale We now know who Jesus was Visit his city see the ruins of his citadel gaze upon his statue handle his

coins In reality Jesus was a son of King Abgarus of Edessa a king with a small realm a large treasury and even bigger ambitions Thus Jesus true history undermines much of the biblical fairystory that the gospel authors crafted and so Christianity will never be the same again The jacket image shows Jesus wearing his Crown of Thorns the ceremonial crown of the Edessan monarchy We suggest that readers start with Cleopatra to Christ and then King Jesus The wait before arriving at the last episode in the trilogy will be worthwhile for if a book could be valued on its eureka moments then this final book would be priceless The King Jesus Trilogy Latest version v12 1 2024 Book three of the King Jesus Trilogy in four parts Followed by The Grail Cypher      **The Giza Death Star Deployed** Joseph P. Farrell,2003 Physicist Joseph Farrell is amazing sequel to The Giza Death Star which takes us from the Great Pyramid of Giza to the asteroid belt and the so called Pyramids of Mars Farrell expands on his thesis that the Great Pyramid was a chemical maser designed as a weapon and eventually deployed with disastrous results to the solar system The Great Pyramid as a weapon Evidence of the Use of Weapons of Mass Destruction in Ancient Times The Astonishing Technology used in the Giza Death Star Evidence of a similar Death Star Pyramid built on Mars The mystery of the Asteroid Belt solved Topics in this amazing book include Exploding Planets The Movie the Mirro and the Model Dating the Catastrophe and the Compound A Brief History of the Exoteric and Esoteric Investigations of the Great Pyramid No Machines Please The Stargate Conspiracy The Scalar Weapons Message or Machine A Tesla Analysis of the Putative Physics and Engineering of the Giza Death Star Cohering the Zero Point Vacuum Energy Flux Synopsis of Scalar Physics and Paleophysics Configuring the Scalar Pulse Wave Inferred Applications in the Great Pyramid Quantum Numerology Feedback Loops and Tetrahedral Physic      How to Survive 2012 Patrick Geryl,2007 In this book Geryl provides the blueprint for those wishing to survive the 2012 diaster to prepare themselves and prevail He explains in detail the myriad problems survivors will encounter and the precautions that need to be taken to overcome them      Jesus, Last of the Pharaohs Ralph Ellis,1997-04-21 It is a little known fact that the exodus of the Hyksos pharaohs from Egypt to Jerusalem is an incredibly similar event to the exodus of the Israelites from Egypt to Jerusalem Classical historians and theologians will not entertain any connection between the two because this infers that the Israelite leaders were actually pharaohs of Egypt However Ralph Ellis has taken this obvious comparison and demonstrated the royal Egyptian ancestry of the Judaic patriarchs and also of Jesus Ralph has also uncovered evidence for the New Testament Saul St Paul in the historical record a discovery that brings with it several new accounts of the life of Jesus Saul the inventor of Christianity was actually Josephus Flavius a well known historian Jesus was the governor of Tiberias and owned a castle there and he may have died during the siege of Jerusalem in about AD70 rather than AD 33 crucified along with two of his compatriots Followed by Tempest Exodus and Eden to Egypt Latest version v5 6 Hyksos Shepherd Kings Jacob Sea People Jesus Saul Jerusalem Egyptian False Prophet historical Jesus      **Eden in Sumer on the Niger** Catherine Obianuju Acholonu,2014-01-06 EDEN IN SUMER ON THE NIGER provides archeological linguistic genetic and inscribed evidence of

the West African origin of mankind language religion and civilization It provides multidisciplinary evidence of the actual geographical location in West Africa of the Garden of Eden Atlantis and the original homeland of the Sumerian people before their migration to the Middle East By translating hitherto unknown pre cuneiform inscriptions of the Sumerians Catherine Acholonu and Sidney Davis have uncovered thousands of years of Africa s lost pre history and evidences of the West African origins of the earliest Pharaohs and Kings of Egypt and Sumer such as Menes and Sargon the Great This book provides answers to all lingering questions about the African Cavemen Igbos Esh Adamas Adites original guardians of the human races Who gave their genes for the creation of Homo Sapiens Adam and were the teachers in the First Age of the world

**The Tutankhamen code** Malcolm Grant Hutton,2014 When Claude Tarba showed off a family heirloom in a crowded Arabian restaurant in Melbourne that simple act of pride among friends didn t go unnoticed It set in motion a journey through the little known high mountain country of The Yemen then on to the Italianate City of Asmara in the Ancient land of Eritrea and a hijacking which landed him in Western Turkey Eventually after a number of risky adventures that took him to the far southern reaches of Egypt he found himself committed to a treasure quest which if proved successful would change the future perception of the human race for the next couple of millennia Clues uncovered in the Tomb of the God King Tutankhamen entrance our unwitting hero and his new friends committing them all through something more than curiosity to a trail of intrigue with villains popping up everywhere intent on stopping them from achieving their main goal the installation of Claude as an honorary new Pharaoh Despite foiling several attempts on their lives Claude and his companions then have to contend with another scoundrel and his giant of a servant who have their eyes on the treasure whatever it may turn out to be The story takes us back into the ancient world of 18th Dynasty Egypt where we meet the legendary King Solomon who with his son and heir plan and set the stepping stones that may only be discovered and followed by a future generation worthy enough to restore the glory and spiritual beliefs of the Egypt that once was Not only is the narrative one full of thrills and unusual situations it is also transports the reader into the colourful life of contemporary and ancient Egypt The unexpected climax will have everyone thinking What really did happen thousands of years ago to kick start civilisation as we know it today
