Temple of the Living God Philip N. Richardson, 2018-12-21 When writing to the Corinthians the Apostle Paul used figurative temple language repeatedly to shape the identity of his audience Temple of God

Temple of the Holy Spirit and Temple of the Living God While other scholars have identified the place of the Jerusalem temple in Paul's thinking or the impact of temples in the life of Corinth there has been no comprehensive study of the way that figurative temple language in philosophy could have influenced the Corinthians worldview Hellenistic philosophy was pervasive in the first century and provided theological guidance for faith and practice to Paul's Gentile audience before their conversion Philip N Richardson provides a comprehensive survey of figurative temple language in Hellenistic philosophy shedding light on the way that the kinds of philosophical thought known in cities like Corinth may have influenced the Corinthians to think about figurative temple language This study throws into sharp relief the similarities and differences between Paul's use of temple language and that of philosophy and illuminates Paul's setting of this language in the wider framework of 1-2 Corinthians and his purpose for its use in the argument of the letters The Basis for the Building Work of God Witness Lee, 2003-10 *Theomatics II* Del Washburn, 1994-07-21 *Theomatics II* is actually two books in one The first half explains the scientific method and demonstrates theomatic patterns throughout the Bible The second half is devoted entirely to the subject of Bible prophecy and the Apocalypse Paul's Critique of Theocracy David Odell-Scott, 2009-05-15 Odell Scott argues that for Paul no one may boast that they are selected by God and no one has the authority to rule as God's representative **Telling God's Story** Preben Vang, Terry G. Carter, 2013-08-01 How well do you know His story By the time a Christian reaches young adulthood he is likely to be quite familiar with every major story in the Bible but not from having studied them in any particular order Ask an average Bible student to arrange certain characters and events chronologically and the results are telling *Telling God's Story* looks closely at the Bible from its beginning in Genesis to its conclusion in Revelation By approaching Scripture as one purposefully flowing narrative emphasizing the interconnectedness of the text veteran college professors Preben Vang and Terry G Carter reinforce the Bible's greatest teachings and help readers in their own ability to share God's story effectively with others Ideal for classroom settings this second edition of *Telling God's Story* now features all supporting charts photographs and illustrations in full color First and Second Corinthians John Proctor, 2015-03-23 Books in the Westminster Bible Companion series assist leaders and students in their study of the Bible as a guide to Christian faith and practice Each volume presents the text under discussion explains the biblical book in its original historical context and explores the text's significance for faithful living today These books are ideal resources for preparing text-based sermons and a worthy addition to seminary courses and advanced Bible study groups In this volume John Proctor provides an accessible study on First and Second Corinthians Paul's first letter to the Corinthians addresses the basic components of human life such as leadership marriage hospitality and bereavement The second letter mostly revolves around the pains and joys of a pastoral relationship Proctor's volume provides insightful commentary that examines how the letters spoke to the people of Corinth and how they are received today **Notes, explanatory and practical, on the Epistles of Paul to the Corinthians** Albert Barnes, 1840 Keepers of the Temple

Deborah O'Donnal,2012-07-01 Do you ever wonder why in spite of the fact that there are more and more churches being built in America each year the church and Christianity are making less of an impact within our society Each church was built for the purpose of bringing glory to God ministering to people and spreading the gospel These are excellent aspirations so what seems to be the problem Why are God seeking outsiders and even insiders becoming more and more put off with the church The purpose of this book is not to reveal the failings of the church but rather to reveal how we Christians are failing to be all that we aspire of the church and all that Christ aspires of us Take an intriguing walk through the Bible s history of the original temple as we explore its past and discover more about God s plans for these modern temples today Then examine the blueprint left behind for us of our new covenant temple design the life of Christ Following His model can transform us into the type of living temples that continue His aspirations and change the world in a way that the church and religion were never designed to be capable of

Nourishment for the Spiritual Pilgrimage Vernon T. Jones,2017-02-16 In the morning while it was still very dark he got up and went out to a deserted place and there he prayed Mark 1 35 Jesus taught by his words and actions He went by himself to pray when he was tired when faced with upcoming trying events or when he just wanted to be alone in the presence of his Lord He gave us guidance about what to pray how to pray and why to pray and was very familiar with the Hebrew Scriptures Thus if we want to become Jesus disciple we should follow his model and invest time and emotional energy into prayer Bible study and reflection Nourishment For The Spiritual Pilgrimage provides an aid for those who want to participate in the spiritual pilgrimage of becoming a lifelong disciple of Jesus Christ It offers insight and support for those who daily want to turn their hearts souls and minds to God s will in their lives as they strive to help in bringing about God s kingdom in this present time There are countless other devotionals but hopefully this can offer something that many of the others may not a specific focus on the concept of discipleship
