The Temple Scroll Yigael Yadin, 1985 Beschrijving van onderzoek en ontcijfering van n van de belangrijkste Dode Zeerollen The Dead Sea Scrolls Arthur E. Palumbo, 2004 Who wrote the Dead Sea Scrolls Paleographical dating has tended to downplay the Scrolls importance and to distance them from the personages of earliest Christianity but a carefully worked out theory based on radiocarbon dating and other tests connects *The Dead Sea Scrolls* Rappaport, Devorah Dimant, 2018-11-26 A fortieth anniversary is an occasion to be marked under any circumstances especially when it concerns a discovery as significant as that of the Dead Sea Scrolls The proper way to mark this occasion was to organize a symposium that would be as comprehensive as possible both in content and in variety of approaches and which would be held in the land of the Scrolls The papers here reflect not only the variety and richness of subjects treated by contemporary research on Qumran but also its international character Since the study of texts remains the first task of the Qumran scholar many of the collection s papers belong to its first section Texts and Text Studies The other six sections are The History of the Qumran Community Halakha at Qumran Qumran and the Hebrew Bible Qumran and the New Testament and The Hebrew of the Dead Sea Scrolls **Exploring the Dead Sea Scrolls** Hanan Eshel, 2015-09-16 Among the most prominent hallmarks of the late Prof Hanan Eshel 1958 2010 were his generosity passion and integrative approach The eighteen essays in this volume were selected by Prof Eshel shortly before his untimely death to be printed as a collection aimed at contextualizing the textual finds of the Dead Sea Scrolls within their archaeological settings and within the contours of contemporary scholarship The Qumran texts that stand at the center of these articles are correlated with archaeological and geographic information and with a variety of textual sources including epigraphic evidence and especially the Hebrew Bible Josephus and rabbinic texts The essays are organized according to the provenance of the discovered material with sections devoted to the Damascus Document and the scrolls from Caves 1 3 4 and 11 as well as a final more general chapter Half of the essays have been previously published in English while the other half have been translated from Hebrew here for the first time The book includes essays that have been co authored with Esther Eshel Shlomit Kendi Harel Zeev Safrai and John Strugnell The Dead Sea Scrolls Charlotte Hempel, 2010-07-26 This volume presents the proceedings of an international conference of the same title held at the University of Birmingham in 2007 The contributors are drawn from the ranks of leading international specialists in the field writing alongside promising younger scholars The volume includes studies on the contribution of the Scrolls to Second Temple Jewish history the archaeological context the role of the temple and its priesthood as well as treatments on selected texts and issues These proceedings offer a timely and up to date assessment of the Dead Sea Scrolls and the material remains unearthed at Qumran in their wider context and not infrequently challenge prevailing lines of interpretation Helen Jacobus has won the Sean Dever Memorial Prize with her contribution to this volume Commenting on the Dever prize Professor Carol Meyers of Duke University North Carolina said The judges thought highly of Helen s

Thompson, 2004-05-01 An international team of historians archaeologists and biblical scholars discuss new perspectives on the archaeology history and biblical traditions of ancient Jerusalem and examine their ethical literary historical and theological relationships Essays range from a discussion of the Hellenization of Jerusalem in the time of Herod to an examination of its identity and myth on the Internet while Thomas L Thompson's informed Introduction queries whether a true history of ancient Jerusalem and Palestine can in fact ever be written Contributors include Thomas L Thompson Michael Prior Niels Peter Lemche Margreet Steiner Sara Mandell John Strange Firas Sawwah Lester Grabbe Philip Davies Thomas M Bolin Ingrid Hjelm David Gunn and Keith Whitelam **The Text of the Pentateuch** Sidnie White Crawford, 2022-02-07 In the last several decades since the first publications of the biblical Dead Sea Scrolls a revolution has occurred in the understanding of the history of the text of the Hebrew Bible during the Second Temple period The present volume is a collection of articles documenting that revolution written by Sidnie White Crawford over an almost thirty year period beginning in 1990 As a member of the editorial team responsible for publishing the Qumran scrolls the author was responsible for the critical editions of nine Deuteronomy scrolls and the four Reworded Pentateuch manuscripts thus her work played a critical role in the changing understanding of the textual history of the Pentateuch especially the book of Deuteronomy and the Rewritten Bible texts The author's lifework is brought together here in an accessible format While the majority of the articles are reprints the volume will close with two major new pieces a text critical study of the Deuteronomistic Paraphrase of the Temple Scroll and a comprehensive overview of the history of the text of the Pentateuch **The Bible and the Dead Sea Scrolls: Scripture and the scrolls** James H. An Apocryphal God Mark McEntire, 2015 Mark McEntire continues the story begun in *Portraits of a Mature God* extending his narrative beyond the conclusion of the Hebrew Bible as Israel and Israel's God moved into the Hellenistic world The narrative McEntire perceives in the apocryphal literature describes a God protecting and guiding the scattered and persecuted a God responding to suffering in revolt and a God disclosing mysteries yet also hidden in the symbolism of dreams and visions McEntire here provides a coherent and compelling account of theological perspectives in the writings of Hellenistic Judaism

Jesus' Fulfilment of the Torah and Prophets Steven James Stiles, 2023-10-09 Steven James Stiles examines Jesus teaching about the Torah in the Gospel according to Matthew as a participant and contributor to the larger phenomenon of writing texts about the Torah in Second Temple Judaism In this light Matthew's presentation of Jesus and his teaching concerning the Torah align well with other interpretation strategies and patterns in Second Temple Judaism Jesus teaching on the Torah also addresses many of the same concerns other Jewish groups in antiquity had for following the Torah properly This approach to examining Torah interpretation in Matthew's Gospel highlights the shared concerns and assumptions between Jesus followers and other Jewish groups in antiquity It also provides significant insight into Matthew's depiction of Jesus as Israel's Davidic Messianic and ultimate teacher of all things concerning the kingdom of heaven

Mark 10 9 12 Luke 16 18 and 1 Cor 7 11 From the early Church through their formation and into the present day they have continued to rouse debate within the Churches and among believers This work focuses on one aspect of that debate namely what Jesus has to say regarding divorce when his sayings are interpreted in their literary and historical context To aid in this contextual understanding the sayings are studied in the order in which they were written down in ancient times Not every aspect of the debate therefore is addressed nor could it be on an issue of such personal and pastoral complexity Yet it is the challenge of biblical scholars to study the Word of God in all its complexity and to try to make that Word understandable This work is offered to scholars and believers alike in the hope of adding to that understanding
