**The Temple of Death. [A Story.]** Edmund MITCHELL (Novelist),1894      *The Temple of Death* E. C. Tubb,1996

*The Temple of Death* Edmund Mitchell,1894      **The Order of the Solar Temple** James R. Lewis,2016-02-24 In October 1994 fifty three members of the Order of the Solar Temple in Switzerland and Quebec were murdered or committed suicide This incident and two later group suicides in subsequent years played a pivotal role in inflaming the cult controversy in Europe influencing the public to support harsher actions against non traditional religions Despite the importance of the Order of the Solar Temple there are relatively few studies published in English This book brings together the best scholarship on the Solar Temple including newly commissioned pieces from leading scholars a selection of Solar Temple documents and important previously published articles newly edited for inclusion within this book This is the first book length study of the Order of the Solar Temple to be published in English      *The Dead Times* Kevin Donovan,2014-02-04 Four years ago Jack Temple was a homicide detective He asked one too many questions and found himself out of a job Now he is a reporter for the Garden City Times writing about cops and still asking too many questions When the mutilated body of Temple's former girlfriend the Mayor's daughter is found frozen in a local park Temple dusts off his detective skills to uncover the truth behind the grisly murder As he digs for clues Temple finds himself drawn into the most difficult and dangerous investigation of his career As an FBI serial killer investigation team takes an interest in the case Temple taps old friends and bitter enemies to pierce the mystery why does the FBI believe so many cases are connected In what becomes an international manhunt he questions whether murder suspects arrested are guilty or just a cover for the truth In the Dead Times Temple must use his wits and his fists to save himself and get the story of a lifetime      **Historic Mackinac** Edwin Orin Wood,1918

*Swift at Moor Park* A. C. Elias, Jr.,2017-11-15 Sometime toward the middle of 1689 a twenty one year old Irishman named

Jonathan Swift entered the employ of Sir William Temple an essayist and retired diplomat Swift spent most of the next decade working as secretary at Moor Park Temple's country house in Surrey When he left in 1699 he was already a satirist of exceptional power Drawing upon considerable new documentary evidence Swift at Moor Park represents the most exhaustive study yet published about this formative period in Swift's literary career and challenges traditional assumptions and conclusions concerning those years A C Elias begins with the work Swift actually did as Temple's secretary amanuensis the one area of Swift's Moor Park experience for which a good portion of documentary evidence survives He collates and thoroughly evaluates the more traditional biographical evidence that has been cited over the years and applies his findings to careful analyses of Swift's earliest poems and prose works Included among these are portions of the celebrated Tale of a Tub as they seem to work in a Moor Park context for Moor Park readers The results are as unexpected as they are likely to prove controversial with clear implications about the nature and workings of Swift's satiric method throughout his career The Swift who emerges is equally unexpected betraying hints of a fondness for mischief a basic sense of pragmatism and a disconcertingly original intelligence yet for all that remains a remarkably elusive figure and perhaps as Elias suggests an unknowable one in the end If Swift at Moor Park investigates Swift's personality and the genesis of his satiric art it is equally concerned with methodology with the testing and evaluating of evidence with its ability to support valid generalization with the relationship between biographical knowledge and literary criticism and with the peculiar temptations and pitfalls that Swift perhaps more than any other figure of his time provides for those who set out to explain him A close analysis of a crucial decade in Swift's life this volume is essential for the scholar of this central figure in English literature **Liahona**, 1917 *Historical Demography and Labor Markets in Prewar Japan* Michael Smitka, 1998 This volume traces the modern critical and performance history of this play one of Shakespeare's most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory **Libraries in Literature** Alice Crawford, Robert Crawford, 2022-09-01 Unashamedly a book for the bookish yet accessible and frequently entertaining this is the first book devoted to how libraries are depicted in imaginative writing Covering fiction poetry and drama from the late Middle Ages to the present it runs the gamut of British and American literature as well as examining a range of fiction in other languages from Rabelais and Cervantes to modern and contemporary French Italian Japanese and Russian writing While the tropes of the complex catalogue and the bibliomaniacal reader persist throughout the centuries libraries also emerge as societal battle sites where issues of personality gender cultural power and national identity are contested repeatedly and often in surprising ways As well as examining how libraries were deployed in their work by canonical authors from Cervantes Shakespeare and Swift to Jane Austen George Eliot and Jorge Luis Borges the volume also examines in detail the haunted libraries of Margaret Oliphant and M R James and a range of much less familiar historic and contemporary authors Alert to the depiction of librarians as well as of book rooms and institutional readers this book will inform entertain

and delight At a time when traditional libraries are under pressure Libraries in Literature shows the power of their lasting fascination *The Battle of the Books* Joseph M. Levine,1991 1 Wotton vs Temple 2 Bentley vs Christ Church 3 Stroke and Counterstroke 4 The Querelle 5 Ancient Greece and Modern Scholarship 6 Pope s Iliad 7 Pope and the Quarrel between the Ancients and the Moderns 8 Bentley s Milton 9 History and Theory 10 Ancients 11 Moderns 12 Ancients and Moderns

**Jonathan Swift** Leo Damrosch,2013-11-05 From a master biographer and leading scholar of eighteenth century literature comes an award winning new portrait of the greatest satirist in the English language Jonathan Swift is best remembered today as the author of Gulliver s Travels the satiric fantasy that quickly became a classic and has remained in print for nearly three centuries Yet Swift also wrote many other influential works was a major political and religious figure in his time and became a national hero beloved for his fierce protest against English exploitation of his native Ireland What is really known today about the enigmatic man behind these accomplishments Can the facts of his life be separated from the fictions In this deeply researched biography Leo Damrosch draws on discoveries made over the past thirty years to tell the story of Swift s life anew Probing holes in the existing evidence he takes seriously some daring speculations about Swift s parentage love life and various personal relationships and shows how Swift s public version of his life the one accepted until recently was deliberately misleading Swift concealed aspects of himself and his relationships and other people in his life helped to keep his secrets Assembling suggestive clues Damrosch re narrates the events of Swift s life while making vivid the sights sounds and smells of his English and Irish surroundings Through his own words and those of a wide circle of friends a complex Swift emerges a restless combative empathetic figure a man of biting wit and powerful mind and a major figure in the history of world letters A Passionate Pilgrim David M. Robertson,2006-08-08 James A Pike the fifth bishop of the

Episcopal Diocese of California was a man of many faces To some he was an iconoclast a man decades ahead of his time who modernized the Church and rendered it more progressive and open to inquiry To others he was a heretic who polarized and desecrated the Church Always controversial and charismatic he took America by storm in the 1960s with his best selling books and his weekly television talk show Dean Pike which won him a cover story in Time A Passionate Pilgrim is an illuminating biography of Pike and an examination of the tragedies triumphs and difficulties that shaped his spectacular rise to fame and his mysterious death in the Israeli desert Negara Clifford Geertz,2021-05-11 Combining great learning interpretative originality analytical sensitivity and a charismatic prose style Clifford Geertz has produced a lasting body of work with influence throughout the humanities and social sciences and remains the foremost anthropologist in America His 1980 book Negara analyzed the social organization of Bali before it was colonized by the Dutch in 1906 Here Geertz applied his widely influential method of cultural interpretation to the myths ceremonies rituals and symbols of a precolonial state He found that the nineteenth century Balinese state defied easy conceptualization by the familiar models of political theory and the standard Western approaches to understanding politics Negara means country or seat of political authority in Indonesian

In Bali Geertz found negara to be a theatre state governed by rituals and symbols rather than by force The Balinese state did not specialize in tyranny conquest or effective administration Instead it emphasized spectacle The elaborate ceremonies and productions the state created were not means to political ends they were the ends themselves they were what the state was for Power served pomp not pomp power Geertz argued more forcefully in Negara than in any of his other books for the fundamental importance of the culture of politics to a society Much of Geertz s previous work including his world famous essay on the Balinese cockfight can be seen as leading up to the full portrait of the poetics of power that Negara so vividly depicts
