always been a history of immigration Panikos Panayi explores the rich and vibrant story of London from its founding two millennia ago by Roman invaders to Jewish and German immigrants in the Victorian period to the Windrush generation invited from Caribbean countries in the twentieth century Panayi shows how migration has been fundamental to London's economic social political and cultural development Migrant City sheds light on the various ways in which newcomers have shaped London life acting as cheap labour contributing to the success of its financial sector its curry houses and its football clubs London's economy has long been driven by migrants from earlier continental financiers and more recent European Union citizens Without immigration fueled by globalization Panayi argues London would not have become the world city it is today

We Are What We Eat Donna R. Gabaccia, 2009-07-01 Ghulam Bombaywala sells bagels in Houston Demetrios dishes up pizza in Connecticut The Wangs serve tacos in Los Angeles How ethnicity has influenced American eating habits and thus the make up and direction of the American cultural mainstream is the story told in *We Are What We Eat* It is a complex tale of ethnic mingling and borrowing of entrepreneurship and connoisseurship of food as a social and political symbol and weapon and a thoroughly entertaining history of our culinary tradition of multiculturalism The story of successive generations of Americans experimenting with their new neighbors foods highlights the marketplace as an important arena for defining and expressing ethnic identities and relationships *We Are What We Eat* follows the fortunes of dozens of enterprising immigrant cooks and grocers street hawkers and restaurateurs who have cultivated and changed the tastes of native born Americans from the seventeenth century to the present It also tells of the mass corporate production of foods like spaghetti bagels corn chips and salsa obliterating their ethnic identities The book draws a surprisingly peaceful picture of American ethnic relations in which Americanized foods like Spaghetti Os happily coexist with painstakingly pure ethnic dishes and creative hybrids Donna Gabaccia invites us to consider If we are what we eat who are we Americans multi ethnic eating is a constant reminder of how widespread and mutually enjoyable ethnic interaction has sometimes been in the United States Amid our wrangling over immigration and tribal differences it reveals that on a basic level in the way we sustain life and seek pleasure we are all multicultural

DESTINATION ISRAEL was written by the author for her children who don't know much about this period of her life In 1960 Israel was not exactly a tourist destination Instead the country was receiving a fascinating influx of Jewish immigrants from all over the world and Elsa a goy was in the midst of them The voyage to Israel was at the invitation of a Jewish scientist who had studied in Holland Elsa van der Laaken found employment in Beer Sheva and Jerusalem and stayed in Israel for 2 1 2 years The result was a collection of handwritten journals embellished with photos and historical notes that eventually shaped this book The author's writing challenge was to stay faithful to her younger self and her impressions of the State of Israel in its formative years The story describes a series of events experienced by a young adult ready to grow up and leave home To learn more about the author as well as her WW II memoir A Point of Reference go to www.vanderlaaken.com A Most
