Ten Men Dead:

Ten Men Dead David Beresford, 1997 In 1981 ten men starved themselves to death inside the walls of Long Kesh prison in Belfast While a stunned world watched and distraught family members kept bedside vigils one soldier after another slowly went to his death in an attempt to make Margaret Thatcher's government recognize them as political prisoners rather than common criminals Drawing extensively on secret IRA documents and letters from the prisoners smuggled out at the time David Beresford tells the gripping story of these strikers and their devotion to the cause An intensely human story Ten Men Dead offers a searing portrait of strife torn Ireland of the IRA and the passions on both sides that Republicanism arouses

the efforts of the prison authorities to suppress the language and the dramatic impact this had on Irish society Drawing on interviews with the prisoners and various other materials Mac Giolla Chríost shows how these developments gave rise to the popular coinage of the term *Jailtacht* a deformation of *Gaeltacht* the official Irish speaking districts of the Republic of Ireland to describe this unique linguistic phenomenon *Bobby Sands* Denis O'Hearn,2016-03-20 This is the best selling biography of the IRA resistance fighter and hunger striker Bobby Sands In this updated new edition Denis O Hearn draws from a wealth of interviews with friends comrades fellow prisoners and prison wardens to provide a faithful and shocking insight into life in Northern Ireland's H Block prisons an exploration of the motivations and thoughts of the Republican strikers and the story of one of the world's most radical inspirational figures Following his journey from its very beginnings an ordinary boy from a working class background in Belfast to a highly politicised articulate revolutionary whose death in HM Prison Maze sent reverberations around the world *Bobby Sands Nothing But An Unfinished Song* captures the atmosphere of the time and the vibrancy of the man a militant anti imperialist who held on to his humanity despite living through a bitter ugly struggle

Dragontiarna: Gates Jonathan Moeller,2019-11-30 The gates between worlds have been thrown open and armies of invaders have come forth to threaten the realm of Andomhaim Ridmark Arban is the Shield Knight of Andomhaim and he and all his allies stand in the invaders path But it will take more than swords magic to win the victory For Ridmark's foes are led by the Heralds of Ruin and behind the Heralds is the dark power of the Warden of Urd Morlemoch [Writing Resistance in Northern Ireland](#) Aimée Walsh,2024-04-02 Writing Resistance in Northern Ireland is an examination of feminist republicanism's in the north of Ireland between 1975 and 1986 Republican prison protest was rife during this period and fractures opened up between the feminist and republican movements Despite their shared objective of self determination the two movements did not achieve a natural or total congruence While it has been argued that there is a disjuncture between feminism and nationalism this book argues for a new perspective on feminist republicanism's in the north and tells the story of a niche collective of republican feminists who came to the fore during the Troubles and sought bodily political and economic autonomy The book examines source material including historical narratives jail writings journalism documentary film and literary texts and paints a vivid picture of a movement of republican feminist women's writing concerned with political crisis gender and the nation Aim e Walsh uses the plural republicanism's as a way of encapsulating the varied iterations of nationalist feminism from militant republicanism in Armagh Gaol to a non violent literary nationalist feminism This examination of the interaction between nationalism and gender shows how the study of women's writing can offer a paradigm shift in the history of the Troubles as seen through a feminist lens **Demons, Hamlets and Femmes Fatales** Jayne Steel,2007 The book provides a lively discussion of the ways in which popular fiction appropriates the figure of the Provisional IRA activist and the political conflict within the north of Ireland It looks at how authors recreations or transformations of Irish republicanism might reveal self referential images that are ultimately a product of national

identity and or gender identity An important focus of the book interrogates British fascination and fixation with the Provisional IRA and its terrors The many novels discussed in this study include Gerald Seymour Harry's Game Campbell Armstrong Jig Bernard MacLaverty Cal Mary Costello Titanic Town Jennifer Johnston Shadows on our Skin Deidre Madden One by One through the Darkness [The Sound of the Shuttle](#) Gerald Dawe,2020-01-06 The Sound of the Shuttle is an eloquent and compelling selection of essays written over four decades by Belfast born poet Gerald Dawe exploring the difficult and at times neglected territory of cultural belonging and northern Protestantism The title taken from a letter of John Keats during a journey through the north east in 1818 evokes the lives now erased from history of the thousands of workers in the linen industry tobacco factories and shipyards of Belfast Sketching in literary social and political contexts to widen the frame of reference Dawe offers fascinating insights into the current debate about a New Ireland by bringing into critical focus the experiences beliefs and achievements of an at times maligned and often misread community generally referred to as Northern protestants In making the telling point that The jagged edges of the violent past are still locked within ideological vices The Sound of the Shuttle is an insightful and honest report based upon many years of creative and critical practice An essential book for our changing times [Dead Weight](#) G.P. Robbins,2023-07-25 Newly promoted Detective Jace Smithson has his hands full with solving the murders of ten men and the kidnapping of a unicorn capable of producing diamonds On the surface the crime appears to be a classic tale of greed and violence but digging deeper reveals something sinister has come to Cauldron City Securing the safety and security of those he swore to protect is only the beginning of Jace's problems Add in his relationship with the dragons of Cauldron City along with a few personal secrets and he's the ideal target for the killer Surviving to tell the tale will test his wit and skills in ways he never thought possible But if he wants to obtain justice for the wronged he will have to face his challenged beliefs and come to terms with the darker realities of the city he calls home *Ireland-Related Featured Articles* , [Sympathetic Ink](#) Shane Alcobia-Murphy,2006-01-01 Northern Irish poets have been notably reticent when addressing political issues in their work In Sympathetic Ink Shane Alcobia Murphy traces that tendency through the works of Seamus Heaney Paul Muldoon and Medbh McGuckian Using collections of the poets papers made only recently available Alcobia Murphy focuses on the oblique subtle strategies they apply to critique contemporary political issues He employs the concept of sympathetic ink or invisible ink arguing that rather than avoiding politics these poets have via complex intertextual references and resonances woven them deeply into the formal construction of their works Acute and learned Sympathetic Ink will serve as a perfect introduction to these crucial figures of Irish poetry **Refusal to Eat** Nayan Shah,2022-01-04 The first global history of hunger strikes as a tactic in prisons conflicts and protest movements The power of the hunger strike lies in its utter simplicity The ability to choose to forego eating is universally accessible even to those living under conditions of maximal constraint as in the prisons of apartheid South Africa Israeli prisons for Palestinian prisoners and the detention camp at Guant namo Bay It is a weapon

of the weak potentially open to all By choosing to hunger strike a prisoner wields a last resort personal power that communicates viscerally in a way that is undeniable especially when broadcast over prison barricades through media and to movements outside Refusal to Eat is the first book to compile a global history of this vital form of modern protest the hunger strike In this enormously ambitious but concise book Nayan Shah observes how hunger striking stretches and recasts to turn a personal agony into a collective social agony in conflicts and contexts all around the world laying out a remarkable number of case studies over the last century and more From suffragettes in Britain and the US in the early twentieth century to Irish political prisoners Bengali prisoners and detainees at post 9 11 Guantamo Bay from Japanese Americans in US internment camps to conscientious objectors in the 1960s from South Africans fighting apartheid to asylum seekers in Australia and Papua New Guinea Shah shows the importance of context for each case and the interventions the protesters faced The power that hunger striking unleashes is volatile unmooring all previous resolves certainties and structures and forcing supporters and opponents alike to respond in new ways It can upend prison regimens medical ethics power hierarchies governments and assumptions about gender race and the body's endurance This book takes hunger strikers seriously as decision makers in desperate situations often bound to disagree or fail and captures the continued frustration of authorities when confronted by prisoners willing to die for their positions Above all Refusal to Eat revolves around a core of moral practical and political questions that hunger strikers raise investigating what it takes to resist and oppose state power

Ireland: An Agony Continued Ken Wharton, 2015-05-19 This book is called An Agony Continued because it was simply that an agony It was an agony which commenced at the end of the 1960s and as the new decade of the 80s arrived so the pain the grief the loss and the economic destruction of Northern Ireland continued Little did any of us know at the time but it was to do so for almost a further two decades Between January 1980 and December 1989 around 1 000 people died many were soldiers and policemen some were Prison Officers some were paramilitaries and some were innocent civilians The Provisional IRA PIRA and their slightly more psychopathic cousins in the Irish National Liberation Army INLA would continue to kill innocent civilians by the score during this decade Across the sectarian divide the Ulster Freedom Fighters UFF and the equally vicious Ulster Volunteer Force UVF would continue to slaughter Catholics in streets in pubs and in restaurants This book will look at the period which encompassed the 48 months of 1980 and 1983 It was a near half decade which saw the Hyde Park and Regent's Park massacre of soldiers and horses from the Blues and Royals and the cowardly bombing of the Royal Green Jackets band It further witnessed the murder of 18 people by the INLA at a disco held in the Droppin Well in Ballykelly and also the death of the leader of the Shankill Butchers Lenny Murphy The years under study include the 1981 deaths of ten Republican paramilitaries who starved themselves to death in protest against the loss of their status as political prisoners As ever this book pulls no punches in its absolute detestation of both Republican and Loyalist paramilitaries This

book continues Ken Wharton's epic journey through the Troubles in Northern Ireland viewed primarily through the eyes of the British Army squaddies on the ground **Driven to Death** Ariel Merari, 2010-12-02 The deepest study yet of one of the least understood phenomena of our time A scholarly work that read like a page turner Bob Simon CBS News Chief Middle Eastern correspondent and recipient of the Edward Weintal Prize for Diplomatic Reporting
