Reporting on Risks Albert Okunade, Jim Willis, 1997-07-30 Health and safety risk issues such as AIDS hazardous waste disposal airline disasters and health care policy frequently dominate the news and require a new level of sensitivity and expertise on the part of journalists This volume focuses on a study of the trends in risk reporting and offers guidelines on how to report the dangers of these risks more accurately It also examines the ethical implications of reporting risks to the public This work will be of interest to those studying communication specifically in the areas of ethics in journalism and public health and medical reporting

Unaccountable Janine Wedel, 2014-10-15 From the Tea Party to Occupy Wall Street however divergent their political views these groups seem united by one thing outrage over a system of power and influence that they feel has stolen their livelihoods and liberties Increasingly protesters on both ends of the political spectrum and the media are using the word corrupt to describe an elusory system of power that has shed any accountability to those it was meant to help and govern But what does corruption and unaccountability mean in today s world It is far more toxic and deeply rooted than bribery Foreign governments with a history of human rights violations military coups and more hire American public relation firms to suppress reports and search results for their crimes Investigative journalism has been replaced by truthiness From Super PACs pouring secret money into our election system to companies buying better ratings from Standard Poors or the extreme influence of lobbyists in congress all are embody a new corruption and remain unaccountable to our society s supposed watchdogs which sit idly alongside the same groups that have brought the government business and much of the military in to their pocket

The Chicago Banker, 1916 *Media and Suicide* Thomas Niederkrotenthaler, Steven Stack, 2017-07-28 Somewhere in the world in the next forty seconds a person is going to commit suicide Globally suicides account for 50 percent of all violent deaths among men and 71 percent for women Despite suicide prevention programs therapy and pharmacological treatments the suicide rate is either increasing or remaining high around the world Media and Suicide holds traditional and emergent media accountable for influencing an individual s decision to commit suicide Global experts present research historical analysis theoretical disputes including discussion on the Werther and Papageno effects and policy regarding the media s impact on suicide They answer questions about the

effects of different types of media and storytelling show how the impact of social media can be diminished discuss internet bullying mass shootings and mass suicides show the effects of recovery stories and much more The editors also present examples of suicide policy in the United States Switzerland the United Kingdom Ireland and Hong Kong on how to best communicate reporting guidelines to decrease the copycat effect especially in less developed nations where most of the world's nearly one million suicides occur each year Although there is much work to be done to prevent media influenced suicide this innovative volume will contribute a large piece to this complex puzzle

News from Abroad Donald R. Shanor, 2003-07-30 Over the last two decades following major conflicts in Kuwait Kosovo Afghanistan and Iraq Americans began to participate more actively than ever before in the world's numerous nationalist religious and ethnic conflicts During this time however American news organizations drastically reduced the resources devoted to in depth coverage of international affairs Viewing foreign bureaus as an expensive luxury major news providers closed overseas offices and cut the number of full time correspondents working abroad relying instead upon improvised news crews flown in on short notice to cover the latest crisis In this insightful and hard hitting investigation former international news correspondent Donald R. Shanor follows the deterioration of international reporting and assesses the dangers that arise when U S citizens and policymakers are uninformed about foreign events until local problems erupt into international crises Shanor also considers three major factors technology immigration and globalization that are influencing and complicating the debate over whether quality or profit should prevail in foreign reporting In only a decade the Internet has become a primary source of information for millions of Americans particularly for younger generations At the same time a surge in America's immigrant population is rapidly changing the country's ethnic and cultural landscape making news from abroad local news in many cities while global business practices are broadening the range of issues directly affecting the average citizen News from Abroad provides a comprehensive portrait of the contemporary state of international news coverage and argues for the importance of maintaining networks of experienced journalists who can cover difficult subjects keep Americans informed about the global economy deliver early warnings of impending disasters and threats to national security and prevent the United States from falling into cultural isolation

The Secret History of Marvel Comics Blake Bell, Michael J. Vassallo, 2013-11-16 The Secret History of Marvel Comics digs back to the 1930s when Marvel Comics wasn't just a comic book producing company Marvel Comics owner Martin Goodman had tentacles into a publishing world that might have made that era's conservative American parents lynch him on his front porch Marvel was but a small part of Goodman's publishing empire which had begun years before he published his first comic book Goodman mostly published lurid and sensationalistic story books known as pulps and magazines featuring sexually charged detective and romance short fiction and celebrity gossip scandal sheets And artists like Jack Kirby who was producing Captain America for eight year olds were simultaneously dipping their toes in both ponds The Secret History of

Marvel Comics tells this parallel story of 1930s 40s Marvel Comics sharing offices with those Goodman publications not quite fit for children The book also features a comprehensive display of the artwork produced for Goodman s other enterprises by Marvel Comics artists such as Jack Kirby and Joe Simon Alex Schomburg Bill Everett Al Jaffee and Dan DeCarlo plus the very best pulp artists in the field including Norman Saunders John Walter Scott Hans Wesso L F Bjorklund and Marvel Comics 1 cover artist Frank R Paul Goodman s magazines also featured cover stories on celebrities such as Jackie Gleason Elizabeth Taylor Liberace and Sophia Loren as well as contributions from famous literary and social figures such as Isaac Asimov Theodore Sturgeon and L Ron Hubbard
