the United States What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium There have been many changes in the world since he faithfully preached and taught the Scriptures but the wide appeal of his books testify to the timelessness of his message Although he held pastorates in the Congregational and Presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions The mystic Thomas Kempis once wrote He to whom the eternal word speaks is delivered from many opinions In one of his sermons he referred to the words of Amos that there would be a famine for hearing the word of God Amos 8 11 The timeless work of G Campbell Morgan addresses that hunger as his books enable his readers to get beyond opinions to the living Word Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan's books This growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies Among this collection is the classic *The Great Physician* and commentaries on the Gospel of Matthew and John Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books Near the end of his ministry in a sermon entitled *But One Thing* Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America No longer did the inscription say *Ne Plus Ultra* nothing more beyond but *Plus Ultra* more beyond It is the hope of the G Campbell Morgan Trust that the reprinting of these books will bring readers to the more beyond and an even deeper encounter with the Word in Scripture The Morgan Trust Richard L Morgan Howard C Morgan John C Morgan *The Atlantic Monthly*, 1924 ***The Great Physician*** G. Campbell Morgan, 2010-04-01 Or Lord referred to his work as that of the Physician Healing all manner of disease applies to the spiritual as well as the mental and physical our business is of bringing the sin sick face to face with the One Healer To do this demands some knowledge of His Methods and these are most radiantly revealed in the records of His early ministry From the Foreword **W. E. Sangster** Andrew J. Cheate, 2018-08-09 Listened to by huge congregations in Britain and perhaps the most recognizable British Methodist voice in the mid twentieth century W E Sangster was in anyone's estimation a giant of Methodism A preacher without peer in the world a prince of preachers are just two of the labels attached to this preacher theologian of the Methodist tradition This volume captures the preaching of Sangster in his prime on the occasion of the 1956 World Methodist Conference in Junaluska North Carolina Cheate's research brings into the public domain ten sermons nine previously unpublished in this form delivered by Sangster at that great gathering of World Methodism These sermons being transcripts from recordings picked up Sangster in the raw at his most powerful engaging with his listeners This book is a resource therefore that aids students of homiletics and pastors in encountering a master at work without the editorial polish of his extant sermons The sermons on aspects of Christian holiness would be Sangster's first and last sequential series on the subject placing before the reader some of his most mature thought on holiness and its application in daily life **The Parables and Metaphors of Our Lord** G. Notes on the Psalms G. Campbell Morgan, 2010-04-01 Here is a book about the Psalms which are the devotional center of the Bible adored by not only the people of Israel but by New Testament believers generally The Psalms are grouped into five books each of which has a central theme These divisions are preceded by an outline and analysis of the Psalms as to content and purpose While each of the Psalms are analyzed in turn they are also examined as they relate to their grouping It is this synthetic approach which will make it particularly valuable to all students of the Bible To facilitate the study of the Psalms the complete text of each Psalm has been printed preceding its own analysis Dr Morgan has long been recognized as one of the great Bible expositors of modern times and this book deserves a worthy place alongside his other works

Exposition of The Whole Bible G. Campbell Morgan, 2010-05-01 G Campbell Morgan Reprint Series Foreword If it is true that the measure of a person's greatness is their influence not only on his own time but on future generations G

Campbell Morgan must be regarded as a great person His greatness is seen not only in the wide impact of his ministry on both sides of the Atlantic but in the fact that his books are still read and studied sixty five years after his death Named one of the ten greatest preachers of the twentieth century by the contributing board of Preaching magazine Morgan made the Bible a new and living book not only to the congregations who listened to him but the vast multitude of persons who read his books Fox sixty seven years Morgan preached and taught the Scriptures and served churches in England and the United States What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium There have been many changes in the world since he faithfully preached and taught the Scriptures but the wide appeal of his books testify to the timelessness of his message Although he held pastorates in the Congregational and Presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions The mystic Thomas a Kempis once wrote He to whom the eternal word speaks is delivered from many opinions In one of his sermons he referred to the words of Amos that there would be a famine for hearing the word of God Amos 8 11 The timeless work of G Campbell Morgan addresses that hunger as his books enable his readers to get beyond opinions to the living Word Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan s books This growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies Among this collection is the classic The Great Physician and commentaries on the Gospel of Matthew and John Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books Near the end of his ministry in a sermon entitled But One Thing Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America No longer did the inscription say Ne Plus Ultra nothing more beyond but Plus Ultra more beyond It is the hope of the G Campbell Morgan Trust that the reprinting of these books will bring readers to the more beyond and an even deeper encounter with the Word in Scripture The Morgan Trust Richard L Morgan Howard C Morgan John C Morgan The Corinthian Letters of Paul G. Campbell Morgan,2010-04-01 Known as the Prince of Expositors G Campbell Morgan is at his best in this exposition of Paul s letters to the Corinthians He makes these letters as timely and as applicable today as they were when written centuries ago His lucid style and detailed interpretation illuminate the whole text so that the Epistles become as fascinating to the lay reader as to the minister and Bible student In this volume Dr Morgan s sturdy faith stands out like a beacon and his instinctive insight and close scrutiny bring out all the force of Christianity s greatest apostle Here is a mine for preachers seeking new inspiration for their sermons and a handbook for Christian workers and laymen who wish to become better acquainted with the teachings of the Apostle Paul G Campbell Morgan is the author of more than seventy volumes each of which shows its readers why this scholar and preacher could move more people with sheer exposition than any of his contemporaries **Searchlights from the Word** G. Campbell Morgan,2010-04-01 1188 sermon suggestions One from every chapter in the Bible Morgan s expositions sparkle as they enhance Bible texts from

every chapter in the Bible Concise and delightfully free of redundancy these selections reveal the master expositor's keen analytical insight into God's Word To encourage preachers and Bible teachers to develop their own sermon and lesson themes creatively the author mentions that these are sermon suggestions not sermons or sermon outlines He intentionally left the notes untitled preferring to let the text of Scripture be their only caption These penetrating truths firmly anchored in Scripture are best described by G Campbell Morgan himself On every page of the God breathed Writings there are many thoughts which stretch out like long clear arms of light across the darkness discovering things which otherwise were hidden and often illuminating wider areas than those of the immediate context They are searchlights From the multitude of these I have selected one in each chapter of the Bible Perhaps the work will also serve to illustrate a method of showing how focal points of radiating light gather their radiance from the context
