Ten Sisters Virginia Ruth Waggoner Rackley, Delorse Hart, Doris Wenzel, Audrey Alford, Vera Barber, Phyllis Ferguson, Irma Swirk, Mary Hickmott, Rhita Brniak, 2000 **Ten Sisters** Virginia Ruth Waggoner Rackley, 1997 In this story of ten sisters

who were taken from their parents and separated from each other in 1942 each chapter is written by one the sisters following their reunion in the 1990s Ten Sisters Dew, 2009-08-31 This book is a collection of the autobiographies composed by ten sisters It is an inspirational story of a family with extraordinary parents who raised twenty two children After over a year of marriage they became surrogate parents of seven children They never complained but did whatever it took to provide for the household Ten daughters share unforgettable real life accounts of how the whole family handled calamity Each unique story will share a different aspect of Gods faithfulness to His Word and to those who put their trust in Him This book testifies that God will never leave us nor forsake us and He is a present help in the time of trouble It is a book to commemorate amazing parents who lived for a cause bigger than themselves and survived insurmountable challenges Each chapter tells about a Mom who was audacious in facing oppositions because of her faith in an unfailing God And above all this book tells about a loving heavenly Father who is the foundation of the family who spoke a Word over the lives of family members and used earthly parents to train the children to carry out His plan This story shows how God has been watching over His Word that was planted in the lives of individuals to perform it long after the parents are gone *The death-blow to spiritualism, the true story of the Fox sisters, M.F. Katie Helm,2009-06 An exciting passionate thread of awareness of God s love and presence is woven throughout this author s life story When did her unique spiritual journey begin Was its source from imagining levitating from her bed at age three Peering on tiptoe into her beloved grandmother s coffin at age five Sitting on her blind grandfather s knee awed by his reading a Braille Bible Or holding her cousin s dying baby as they were rushed from the crash scene to the hospital At a very early age this delightful little girl with curly red hair and matching freckles became convinced that God knew her and loved her However there was scant evidence of her being special in a busy family with nine children moving from place to place following her dad s passion for the excitement of another oil boom It is a candid story of a recklessly begun marriage of passion maturing into a solid and enduring love This same passionate thread is strong bright and binding as she follows God s bidding to become a foster parent yet later watches helplessly in horror as her lovely virtuous daughter becomes a victim of violent spouse abuse The reader will find an inspiring journey of growing faith meeting all the challenges life can throw at her including three bouts with cancer adopting a troubled teenager and caring for her aged mother diagnosed with Alzheimer s disease Yet that same passionate thread darkens and becomes frayed almost to the breaking point as she describes the Great Divide Readers will immediately identify and recall their own black hole as she describes an ordeal that left an ugly gaping tear in her heart Your heart will run skip and jump as you relive this redhead s adventurous journey of faith **Based On a True Story** Jagada K.
