Ten Sunday Schools That Dared To Change:

10 Sunday Schools that Dared to Change Elmer L. Towns, 1993 **The Ten Most Influential Churches of the Past Century** Elmer Towns, 2015-01-20 Your Church Can Influence the World History has shown that great leaders have the ability to reach beyond the walls of their churches to influence cultures for Christ We've seen it in the Pentecostal Charismatic movement in the explosive growth of house churches in Communist China in the expansion of the Southern Baptist Convention and in the worldwide rise of praise and worship music led by Hillsong Church among other phenomena In **The Ten Most Influential Churches of the Past Century** Dr Elmer Towns presents evidence of the powerful influence of these churches and how their innovative strategies and faith accomplish these goals Then he tells how you can apply these principles to your church You will learn how some of the most influential leaders in Church history became conduits for your future ministry and how your church can experience exponential growth Most importantly you will see that the great results in these ten churches grow out of the power of the Word of God the ministry of many dedicated lay workers the faith producing ministry of great leaders all under the anointing of the Holy Spirit *Walking with Giants* Elmer L. Towns, 2012-09-03 Elmer Towns is known around the world as cofounder of the world's largest Christian university and as author of more than 175 popular books on prayer spirituality and the church His is also known as a motivator par excellence of men and women who long to be exceptional for the cause of Christ But not many people know that a long desert experience lies behind Towns's extraordinary success an experience that taught him how to be in the words of the apostle Paul crucified with Christ Galatians 2:20 In these memoirs one of the modern church's most influential teachers shares his fascinating life story drawing out principles that can be applied by anyone seeking to become great in God's kingdom Leaders and students alike will be challenged to greater faithfulness and encouraged to seek God more deeply *Reaching a Generation for Christ* Richard R. Dunn, Mark H. Senter III, 1997-03-05 Things have changed The Truth has not The 1950s are gone forever The days of the Sunday school attendance award and the much loved Sunday school picnic have faded into oblivion Yet some youth ministries still operate as if today's kids are living in a vacuum unaffected by the changing morals of today's society How can we reach these kids with the truth of the gospel More than fifty of America's youth experts give advice and encouragement to those who long to see this generation know the love of Christ They help readers think through their philosophies of youth ministry break down barriers that impede progress and maximize their own gifts and the gifts of those who work with them They answer tough questions such as How can leaders build a relational youth ministry How can we find and support volunteers What are the issues women face in youth ministry How do we minister in ethnic communities How should we respond to popular culture How can we help hurting adolescents You can have a vibrant youth ministry even in these uncertain times You can reach this generation for Christ **Rethinking the Church** James Emery White, 2003-07 An innovative evangelistic pastor guides local church leaders to rethink their ministry's unique purpose and mission within
