Tennessee Williams A Guide To Research And Performance

Susan C. W. Abbotson

Tennessee Williams A Guide To Research And Performance:

Tennessee Williams Philip C. Kolin, 1998 *Tennessee Williams* Philip Kolin, 1998-10-28 The plays of Tennessee Williams are some of the greatest triumphs of the American theatre If Williams is not the most important American playwright he surely is one of the two or three most celebrated rivaled only by Eugene O'Neill and Arthur Miller In a career that spanned almost five decades he created an extensive canon of more than 70 plays His contributions to the American theatre are inestimable and revolutionary *The Glass Menagerie* 1945 introduced poetic realism to the American stage *A Streetcar Named Desire* 1947 explored sexual and psychological issues that had never before been portrayed in American culture *Cat on a Hot Tin Roof* 1955 dared to challenge the political and sexual mores of the Eisenhower era and his plays of the 1970s are among the most innovative works produced on the American stage But Williams was far more than a gifted and prolific playwright He created two collections of poetry two novels four collections of stories memoirs and scores of essays Because of his towering presence in American drama Williams has attracted the attention of some of the most insightful scholars and critics of the twentieth century The 1990s in particular ushered in a renaissance of Williams research including a definitive biography a descriptive bibliography and numerous books and scholarly articles This reference book synthesizes the vast body of research on Tennessee Williams and offers a performance history of his works Under the guidance of one of the leading authorities on Williams expert contributors have written chapters on each of Williams works or clusters of works Each chapter includes a discussion of the biographical context of a work or group of writings a survey of the bibliographic history an analysis of major critical approaches which looks at themes characters symbols and plots a consideration of the major critical problems posed by the work an overview of chief productions and film and television versions a concluding interpretation and a bibliography of secondary sources The volume concludes with a selected general bibliography and a comprehensive index *A Student Handbook to the Plays of Tennessee Williams* Stephen Bottoms, Philip Kolin, Michael Hooper, 2014-09-25 *A Student Handbook to the Plays of Tennessee Williams* provides the essential guide to Williams most studied and revived dramas Authored by a team of leading scholars it offers students a clear analysis and detailed commentary on four of Williams plays *The Glass Menagerie* *A Streetcar Named Desire* *Cat on a Hot Tin Roof* and *Sweet Bird of Youth* A consistent framework of analysis ensures that whether readers are wanting a summary of the play a commentary on the themes or characters or a discussion of the work in performance they can readily find what they need to develop their understanding and aid their appreciation of Williams artistry A chronology of the writer's life and work helps to situate all his works in context and the introduction reinforces this by providing a clear overview of Williams writing its recurrent themes and concerns and how these are intertwined with his life and times For each play the author provides a summary of the plot followed by commentary on The context Themes Characters Structure and language The play in production both on stage and screen adaptations Questions for study and notes on words and phrases in the text are also supplied to aid the reader

The wealth of authoritative and clear commentary on each play together with further questions that encourage comparison across Williams work and related plays by other leading writers ensures that this is the clearest and fullest guide to Williams greatest plays

Critical Companion to Tennessee Williams Greta Heintzelman, Alycia Smith Howard, 2014-05-14 One of the greatest American dramatists of the 20th century Tennessee Williams is known for his sensitive characterizations poetic yet realistic writing ironic humor and depiction of harsh realities in human relationship His work is frequently included in high school and college curricula and his plays are continually produced Critical Companion to Tennessee Williams includes entries on all of Williams s major and minor works including *A Streetcar Named Desire* *Cat on a Hot Tin Roof* *The Glass Menagerie* a novel a collection of short stories two poetry collections and personal essays places and events related to his works major figures in his life his literary influences and issues in Williams scholarship and criticism Appendixes include a complete list of Williams s works a list of research libraries with significant Williams holdings and a bibliography of primary and secondary sources

Research Guide to American Literature Benjamín Franklin, 2010 Presents American literature from the beginnings to the Revolutionary War including essays narratives and more [Research Guide to American Literature](#)

John Cusatis, 2010 Covers American literature during the postwar period *The Tennessee Williams Encyclopedia* Philip Kolin, 2004-03-30 Tennessee Williams is synonymous with 20th century theatre For nearly half a century he wrote plays that transformed stages and amazed audiences around the world This reference is a comprehensive guide to his life and works Included are roughly 160 alphabetically arranged entries on topics related to Williams and his writings Individual entries treat his works his family members and acquaintances places central to his writings and such topics as music race religion art and politics Entries cite works for further reading and are written by expert contributors and the encyclopedia closes with a selected general bibliography Through roughly 160 alphabetically arranged entries the encyclopedia identifies major figures in his life names his characters and specifies their significance summarizes his plays stories and poems discusses his sources and publications provides performance histories and surveys important film adaptations Entries are written by expert contributors and cite works for further reading while the encyclopedia concludes with primary and secondary bibliographies

[Visions of Tragedy in Modern American Drama](#) David Palmer, 2018-02-08 This volume responds to a renewed focus on tragedy in theatre and literary studies to explore conceptions of tragedy in the dramatic work of seventeen canonical American playwrights For students of American literature and theatre studies the assembled essays offer a clear framework for exploring the work of many of the most studied and performed playwrights of the modern era Following a contextual introduction that offers a survey of conceptions of tragedy scholars examine the dramatic work of major playwrights in chronological succession beginning with Eugene O'Neill and ending with Suzan-Lori Parks A final chapter provides a study of American drama since 1990 and its ongoing engagement with concepts of tragedy The chapters explore whether there is a distinctively American vision of tragedy developed in the major works of canonical American

dramatists and how this may be seen to evolve over the course of the twentieth century through to the present day Among the playwrights whose work is examined are Susan Glaspell Langston Hughes Tennessee Williams Arthur Miller Edward Albee Lorraine Hansberry Amiri Baraka August Wilson Marsha Norman and Tony Kushner With each chapter being short enough to be assigned for weekly classes in survey courses the volume will help to facilitate critical engagement with the dramatic work and offer readers the tools to further their independent study of this enduring theme of dramatic literature

Tennessee Williams - A Streetcar Named Desire/Cat on a Hot Tin Roof Thomas Adler,2012-12-07 A Streetcar Named Desire 1947 and Cat on a Hot Tin Roof 1955 are major plays by Tennessee Williams one of America's most significant dramatists They both received landmark productions and are widely studied and performed around the world The plays have also inspired popular screen adaptations and have generated a body of important and lasting scholarship In this indispensable Reader's Guide Thomas P Adler Charts the development of the criticism surrounding both works from the mid twentieth century through to the present day Provides a readable assessment of the key debates and issues Examines a range of theoretical approaches from biographical and New Criticism to feminist and queer theory In so doing Adler helps us to appreciate why these plays continue to fascinate readers theatregoers and directors alike Law and Sexuality in Tennessee Williams's America Jacqueline O'Connor,2016-05-31 Gender and cultural studies readings of Tennessee Williams's work have provided diverse perspectives on his complex representations of sexuality whether of himself as an openly gay man or of his characters many of whom narrate or dramatize sexual attitudes or behavior that cross heteronormative boundaries of the mid century period Several of these studies have positioned Williams and his work amid the public tensions in American life over roughly four decades from 1940 1980 as notions of equality and freedom of choice challenged prejudice and repression in law and in society To date however neither Williams's homosexuality nor his persistent representations of sexual transgressions have been examined as legal matters that challenged the rule of law Directed by legal history and informed by multiple strands of Williams's studies criticism textual and cultural this book explores the interplay of select topics defined and debated in law's texts with those same topics in Williams's personal and imaginative texts By tracing the obscure and the transparent representations of homosexuality specifically and diverse sexualities more generally through selected stories and plays the book charts the intersections between Williams's literature and the laws that governed the period His imaginative works backlit by his personal documents and historical and legal records from the period underscore his preoccupation with depictions of diverse sexualities throughout his career His use of legal language and its varied effects on his texts demonstrate his work's multiple and complex intersection with major twentieth century concerns including significant legal and cultural dialogues about identity formation intimacy privacy and difference **Tennessee Williams** Robert Gross,2014-09-19 Tennessee Williams plays are performed around the world and are staples of the standard American repertory His famous portrayals of women engage feminist critics and as America's leading gay playwright from the

repressive postwar period through Stonewall to the growth of gay liberation he represents an important and controversial figure for queer theorists Gross and his contributors have included all of his plays a chronology introduction and bibliography

The Undergraduate's Companion to American Writers and Their Web Sites Larry G. Hinman, 2000-12-15 An outstanding research guide for undergraduate students of American literature this best selling book is essential when it comes to researching American authors Bracken and Hinman identify and describe the best and most current sources both in print and online for nearly 300 American writers whose works are included in the most frequently used literary anthologies Students will know exactly what information is available and where to find it **Tennessee Williams**, 1995 **Masterpieces of**

20th-Century American Drama Susan C. W. Abbotson, 2005-09-30 American playwrights have made enormous contributions to world drama during the last century and their works are widely read and performed This reference conveniently introduces 10 of the most important modern American plays read by students An introductory essay concisely overviews modern American drama and each of the chapters that follow examines a particular play Among the plays discussed are Thornton Wilder's *Our Town* Arthur Miller's *Death of a Salesman* Lorraine Hansberry's *A Raisin in the Sun* and August Wilson's *The Piano Lesson* Each chapter includes a biography a plot summary an analysis of the play's themes characters and dramatic art and a review of its historical background and reception Chapters list works for further reading and the volume closes with a selected general bibliography Tennessee Williams's America Ahmed Honeini, 2025-09-11

Tennessee Williams's America is the first full length study of homes families and familial exile in the plays of Tennessee Williams The central argument of this book is that Williams's vision of American life in his plays is predicated upon challenging the traditional idea of the home and family Throughout his plays the patriarchal space of the American home and family is shown to victimize and oppress two of society's most marginalized groups women and queer people in Williams's plays the experiences of one group often mirror and intersect with those of the other From his earliest plays such as *Candles to the Sun* and *Fugitive Kind* to the masterpieces of his major phase including *Battle of Angels* *Orpheus Descending* *The Rose Tattoo* *Cat on a Hot Tin Roof* *Period of Adjustment* *Suddenly* *Last Summer* and *Sweet Bird of Youth* through to the much maligned but equally rich works of his late period such as *Vieux Carré* and *Something Cloudy Something Clear* Williams depicts the home as a place which restricts and suffocates those who fail to perform their expected gender role in the wider patriarchal framework of American life In its extended full length treatment of homes families and familial exiles in his theatrical output this book adds a new perspective to Williams scholarship by examining the desperate and at times futile search for love relationality and belonging that his marginalized and alienated characters frequently pursue in alternative avenues of existence **A Companion to Twentieth-Century American Drama** David Krasner, 2008-04-15 This

Companion provides an original and authoritative survey of twentieth century American drama studies written by some of the best scholars and critics in the field Balances consideration of canonical material with discussion of works by previously

marginalized playwrights Includes studies of leading dramatists such as Tennessee Williams Arthur Miller Eugene O'Neill and Gertrude Stein Allows readers to make new links between particular plays and playwrights Examines the movements that framed the century such as the Harlem Renaissance lesbian and gay drama and the solo performances of the 1980s and 1990s Situates American drama within larger discussions about American ideas and culture **The Tennessee Williams**

Encyclopedia Philip Kolin, 2004-03-30 Tennessee Williams is synonymous with 20th century theatre For nearly half a century he wrote plays that transformed stages and amazed audiences around the world This reference is a comprehensive guide to his life and works Included are roughly 160 alphabetically arranged entries on topics related to Williams and his writings Individual entries treat his works his family members and acquaintances places central to his writings and such topics as music race religion art and politics Entries cite works for further reading and are written by expert contributors and the encyclopedia closes with a selected general bibliography Through roughly 160 alphabetically arranged entries the encyclopedia identifies major figures in his life names his characters and specifies their significance summarizes his plays stories and poems discusses his sources and publications provides performance histories and surveys important film adaptations Entries are written by expert contributors and cite works for further reading while the encyclopedia concludes with primary and secondary bibliographies

Alex North's A Streetcar Named Desire Annette Davison, 2009-02-17 Alex North's A Streetcar Named Desire A Film Score Guide examines the acclaimed score for Elia Kazan's much celebrated adaptation of Tennessee Williams's A Streetcar Named Desire 1951 Situating the score within the context of Alex North's life and career the book begins with an overview of North's musical training and his works up to his first scores for Hollywood in 1950 demonstrating how his experience in writing music for stage concert hall dance and documentaries each contributed to the skills necessary for film composition Annette Davison uses examples from North's film career to identify and describe his scoring techniques Using manuscript and archival research Davison explores both the play's debut stage production and the film's production process with a particular emphasis on the genesis and development of the music heard in the film Considering the influence and changes imposed by the film's studio Warner Bros the Production Code Administration and the Catholic Legion of Decency on the film Davison explores the impact of these changes on the interpretation of this finely balanced drama comparing the different versions of the film and its scores The book concludes with a full and detailed analysis of the jazz inflected score taking a holistic approach and using both musicology and film studies to investigate the ways it gives a dynamic shape to the film as a whole **Historical Dictionary of Contemporary American Theater:**

1930-2010 James Fisher, 2011-06-01 From legends like Eugene O'Neill Tennessee Williams and Arthur Miller to successful present day playwrights like Neil LaBute Tony Kushner and David Mamet some of the most important names in the history of theater are from the past 80 years Contemporary American theater has produced some of the most memorable beloved and important plays in history including Death of a Salesman A Streetcar Named Desire Barefoot in the Park Our Town The

Crucible A Raisin in the Sun and The Odd Couple Historical Dictionary of Contemporary American Theater presents the plays and personages movements and institutions and cultural developments of the American stage from 1930 to 2010 a period of vast and almost continuous change It covers the ever changing history of the American theater with emphasis on major movements persons plays and events This is done through a chronology an introductory essay an extensive bibliography and over 1 500 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the history of American theater

Twentieth-Century and Contemporary American Literature in Context Linda De Roche, 2021-06-04 This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials Bringing useful and engaging material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America Not only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and other representative groups that showcase the diversity of American letters A rich selection of primary documents and background material provides indispensable information for student research
