THE GROWTH  
OF  
A POET

Jerome Hamilton Buckley

# Tennyson The Growth Of A Poet

**Jicheng Xie**

## **Tennyson The Growth Of A Poet:**

**TENNYSON THE GROWTH OF A POET** JEROME H. BUCKLEY,1960      **The Company of the Creative** David L. Larsen, Great works and authors of the world are introduced and reviewed artistically intellectually and theologically Persons discussed include Plato Milton Dickens Shakespeare Charlotte Bronte Mark Twain and C S Lewis      **Tennyson's Camelot** David Staines,2010-10-30 As the principal narrative poem of nineteenth century England Tennyson s Idylls of the King is an ambitious and widely influential reworking of the Arthurian legends of the Middle Ages which have provided a great body of myth and symbol to writers painters and composers for the past hundred years Tennyson s treatment of these legends is now valued as a deeply significant oblique commentary on cultural decadence and the precarious balance of civilization Drawing upon published and unpublished materials Tennyson s Camelot studies the Idylls of the King from the perspective of all its medieval sources In noting the Arthurian literature Tennyson knew and paying special attention to the works that became central to his Arthurian creation the volume reveals the poet s immense knowledge of the medieval legends and his varied approaches to his sources The author follows the chronology of composition of the Idylls allowing the reader to see Tennyson s evolving conception of his poem and his changing attitudes to the medieval accounts The Idylls of the King stands ultimately as the poet s own Camelot his legacy to his generation an indictment of his society through a vindication of his idealism      **The Arnoldian** ,1980      Tennyson's In Memoriam John Franklin Genung,1884      **Tennyson's In Memoriam** John Franklin Genung,1884      **Tennyson's in Memoriam. Its Purpose and its Structure; a Study** John Franklin Genung,2025-10-02 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      *Theme and Symbol in Tennyson's Poems to 1850* Clyde de L. Ryals,2016-11-11 One of Keats finest sonnets begins Much have I traveled yet Keats traveled very little only to Italy where he died Shelley also an introspective and intellectual dabbled in politics often with a comic effect and although he could not swim he was devoted to sailing Wordsworth marched to France praising the Revolution which he later regretted Coleridge wandered to Germany and German metaphysics Later he created the Ancient Mariner which is the mythic centerpiece of the Romantic period Each of these poets feels that the occupation of a poet demand a dedication to a life of action as well as inward discovery Consequently the image of the journey with its double reference to natural and psychic realities is one of the unifying motifs of nineteenth century poetry Alfred Tennyson the author claims was one of the last poets able to make both voyages but he could only do so with great effort and at great expense By nature introspective he found the life of the mind far more appealing than the life of action yet he knew like Milton and Keats before him that great poetry demands the voyage without as well as the voyage within His early poetry then is concerned with the pull of the two voyages and thus it becomes in Arnold s worlds the dialogue of the mind with itself There is for modern readers something intensely interesting about such a

divided personality for we see in Tennyson almost the same dilemma that faces contemporary artists Often when we read his poems we feel that Tennyson is of our age But then at times he seems as remote from us as Bishop Wilberforce and his anti Darwin fulminations What then is there about Tennyson that makes him appear so modern and yet so dated The answer is not easily given although this has been one of the primary concerns of Tennyson s critics In this book the author shows how Tennyson became the mental voyager exploring both the inner and outer worlds and further how in making the two voyages he followed the pattern of development of other Romantic artists of the nineteenth century He examines certain themes and images in Tennyson s early verse which in their frequent recurrence attain symbolic status and by doing so he shows that there is a very clear cut pattern in Tennyson s poetry one which is repeated time and again throughout the poet s work to 1850

**A Study Guide for Lord Alfred Tennyson's "The Eagle"** Gale, Cengage Learning,2016 A Study Guide for Lord Alfred Tennyson s *The Eagle* excerpted from Gale s acclaimed *Poetry for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Poetry for Students* for all of your research needs

*The Artistry and Tradition of Tennyson's Battle Poetry* Timothy J. Lovelace,2004-03-01 Many readers are aware of Alfred Tennyson s treatment of legendary battles in such poems as Boadicea The Revenge Battle of Brunanburh and Achilles over the Trench Yet among Tennyson s most neglected works are his first battle poems pieces that reflect the poet s immersion in the literature of the heroic age J Timothy Lovelace argues that Tennyson s war poems reflect image patterns of the Illiad and Aeneid and reinvigorate the heroic ethos that informs these and other ancient texts Highlighting the heroic aspects of Maud and the Idylls of the King this book shows that Tennyson s early grounding in the Homeric tradition greatly influenced his later celebrated work on martial subjects

**The Major Victorian Poets: Reconsiderations (Routledge Revivals)** Isobel Armstrong,2013-06-17 First published in 1969 this edition collection brings together a series of essays offering a re evaluation of Victorian poetry in the light of early 20th Century criticism The essays in this collection concentrate upon the poets whose reputations suffered from the great redirection of energy in English criticism initiated in this century by Eliot Richards and Leavis What theses poets wrote about the values they expressed the form of the poems the language they used all these were examined and found wanting in some radical way One of the results of this criticism was the renewal of interest in metaphysical and eighteenth century poetry and corresponding ebb of enthusiasm for Romantic poetry and for Victorian poetry in particular Most of the essays in this book take as their starting point questions raised by the debate on Victorian poetry both earlier in this century and in the more recent past There are essays on the poetry of Tennyson Browning and Arnold on that of Clough who until recently has been neglected and Hopkins because of rather than in spite of the fact that he is usually considered to be a modern poet The volume is especially valuable in that it will give a clearer understanding of the nature of Victorian poetry concentrating as it does on those areas of a poet s work where critical

discussion seems most necessary      **Tennyson's In Memoriam** Amalendu Bose,1953      **Tennyson's in Memoriam** J. F. Genung,1883      *Twenty-First Century Perspectives on Victorian Literature* Laurence W. Mazzeno,2014-03-06 Victorian literature's fascination with the past its examination of social injustice and its struggle to deal with the dichotomy between scientific discoveries and religious faith continue to fascinate scholars and contemporary readers During the past hundred years traditional formalist and humanist criticism has been augmented by new critical approaches including feminism and gender studies psychological criticism cultural studies and others In *Twenty First Century Perspectives on Victorian Literature* twelve scholars offer new assessments of Victorian poetry novels and nonfiction Their essays examine several major authors and works and introduce discussions of many others that have received less scholarly attention in the past General reviews of the current status of Victorian literature in the academic world are followed by essays on such writers as Charles Dickens Alfred Tennyson Thomas Hardy and the Brontë sisters These are balanced by essays that focus on writing by women the development of the social problem novel and the continuity of Victorian writers with their Romantic forebears Most importantly the contributors to this volume approach Victorian literature from a decidedly contemporary scholarly angle and write for a wide audience of specialists and non specialists alike Their essays offer readers an idea of how critical commentary in recent years has influenced and in some cases changed radically our understanding of and approach to literary study in general and the Victorian period in particular Hence scholars teachers and students will find the volume a useful survey of contemporary commentary not just on Victorian literature but also on the period as a whole      **Tennyson's in Memoriam** Abinash Chandra Bose,1954      *The Post-Romantics* Donald Thomas,2016-04-20 *The Post Romantics* first published in 1990 provides a clear introductory guide to the literary careers and reputations of five major Victorian poets Tennyson Browning Arnold Swinburne and Clough Heirs to the Romantics tradition the predecessors of the moderns This accessible and invaluable guide with help readers to develop an informed individual response to the poetry of the post romantics      **The New Arthurian Encyclopedia** Norris J. Lacy,Geoffrey Ashe,Sandra Ness Ihle,Marianne E. Kalinke,Raymond H. Thompson,2013-09-05 First published in 1996 Now updated with a new information packed 40 page Supplement covering the years 1990 1995 this unique Encyclopedia highlights the World of King Arthur from its origins in Dark Age Britain to the present day when Arthurian novels films and music continue to appear around the world at an astonishing rate The Supplement which provides five full years of coverage not available anywhere else enhances the usefulness of more than 1 300 entries on all aspects of the Arthurian legend in literature history folklore archaeology art and music Written by an international team of over 130 authorities no other work approaches this A Z guide to the legends of King Arthur and his knights of the Round Table for breadth and depth of coverage This is the ultimate source for reliable information on topics as diverse as the Grail Tristan and Isolde Lancelot and Guenevere Arthurian operas the historicity of Arthur and more      *University of Toronto Quarterly* University of Toronto,1895      **Another Kind of Love** Christopher

Craft, 1994-01-01 In a study that will be of interest to all those concerned with the politics of gender the history of sexuality and the erotics of reading Christopher Craft investigates questions fundamental to any history of present sexualities How does the modern binary homosexual heterosexual relate to earlier formulations like sexual inversion and sodomy What part does literature play in the development of such categories or in a culture's resistance to them And what are the implications for the creation and maintenance of the presumed natural male heterosexual subject How has male heterosexual subjectivity been established as a bulwark against the attractions of a homosexual desire that is repeatedly incited by the very culture that condemns it Craft examines the discourses of nineteenth century psychiatry and sexology some of Freud's central writings and Tennyson's In Memoriam Wilde's The Importance of Being Earnest Stoker's Dracula and Lawrence's Women In Love In a study that will be of interest to all those concerned with the politics of gender the history of sexuality and the erotics of reading Christopher Craft investigates questions fundamental to any history of present sexualities How does the modern binary homosexual heterosexual relate to earlier formulations like sexual inversion and sodomy What part does literature play in the development of such categories or in a culture's resistance to them And what are the implications for the creation and maintenance of the presumed natural male heterosexual subject How has male heterosexual subjectivity been established as a bulwark against the attractions of a homosexual desire that is repeatedly incited by the very culture that condemns it Craft examines the discourses of nineteenth century psychiatry and sexology some of Freud's central writings and Tennyson's In Memoriam Wilde's The Importance of Being Earnest Stoker's Dracula and Lawrence's Women In Love **Queen's Quarterly**, 1961
