Publication,1996 *Pop Goes the Decade* Kevin L. Ferguson,2019-09-03 Popular culture in the 1990s often primarily
reflected millennial catastrophic anxieties The world was tightening speeding up and becoming more dangerous and
dangerously connected Surely it was only a matter of time before it all came crashing down Pop Goes the Decade The
Nineties explains the American 1990s for all readers The book strives to be widely representative of 1990s culture including
the more obvious nostalgic versions of the decade as well as focused discussions of representations of minority populations
during the decade that are often overlooked This book covers a wide variety of topics to show the decade in its richness
music television film literature sports technology and more It includes an introductory timeline and background section
followed by a lengthy Exploring Popular Culture section and concludes with a brief series of essays further contextualizing
the controversial and influential aspects of the decade This organization allows readers both a wide exposure to the variety of
experiences from the decade as well as a more focused approach to aspects of the 1990s that are still resonant today
