The Humanities In American Life Report Of The Commission On The Humanities:

The Humanities in American Life Commission on the Humanities (1978-), Rockefeller foundation, University California, Commission of the Humanities (Founded 1977), 1980-01-01 Examines the present position of the humanities in the educational system and culture of the United States and recommends methods for finding sources of financial support for the humanities *Bulletin of the Atomic Scientists* ,1981-04 The American University Ronald G. Ehrenberg, 1996-12-31 Over the past decade America's research universities have been accused with increasing frequency and passion of a wide variety of sins Universities do not devote enough attention to undergraduate education the charge goes or they pursue unnecessary research or they award doctoral degrees that focus too narrowly and take too long to complete What have these institutions done to provoke such criticism and why has financial support from both public and private sectors eroded In The American University distinguished scholars and administrators address these issues and suggest ways in which research universities can respond to current and future challenges The challenges are complex and the contributors are willing to redefine fundamental objectives to rebuild public trust Each essay addresses one of the issues on which the future of American research universities may pivot What responsibilities does a university have to enhance social mobility Why have the research partnerships between government and academia broken down How comprehensive and how effective is undergraduate and graduate teaching What are realistic prospects for the humanities and social sciences at the university and what are the prospects for science and technology *Bulletin of the Atomic Scientists* ,1981-04 **Newsletter** Association of Research Libraries, 1979 The Languages of Creativity Mark Amsler, 1986 Distinguished philosophers of science and scholars in biochemistry and linguistics describe the structure and contexts of creativity in the sciences and humanities **Impact of Materials on Society** Sophia Krzys Acord, Kevin S. Jones, Marsha Bryant, Debra Dauphin-Jones, Pamela Hupp, 2021-09-28 This textbook supports the Impact of Materials on Society course and teaching materials developed with the Materials Research Society The textbook which is freely available online <https://ufl.pb.unizin.org/imos> and for purchase in print on demand format offers an exploration into materials and the relationship with technologies and social structures The textbook was developed by an interdisciplinary team from Engineering and Liberal Arts and Sciences including anthropologists sociologists historians media studies experts Classicists and more Chapters include coverage of clay ceramics concrete copper and bronze gold and silver steel aluminum polymers and writing materials Supplemental materials including lecture slides assignments and exams may be accessed in a companion volume <https://ufl.pb.unizin.org/imosinstructorguide> **A Reference Guide for English Studies** Michael J. Marcuse, 2023-11-15 *Newsletter* - American Comparative Literature Association American Comparative Literature Association, 1980 **The Electronic Word** Richard A. Lanham, 2010-06-15 The personal computer has revolutionized communication and digitized text has introduced a radically new medium of expression Interactive volatile mixing word and image the electronic word challenges

our assumptions about the shape of culture itself This highly acclaimed collection of Richard Lanham's witty provocative and engaging essays surveys the effects of electronic text on the arts and letters Lanham explores how electronic text fulfills the expressive agenda of twentieth century visual art and music revolutionizes the curriculum democratizes the instruments of art and poses anew the cultural accountability of humanism itself Persuading us with uncommon grace and power that the move from book to screen gives cause for optimism not despair Lanham proclaims that electronic expression has come not to destroy the Western arts but to fulfill them The Electronic Word is also available as a Chicago Expanded Book for your Macintosh This hypertext edition allows readers to move freely through the text marking pages annotating passages searching words and phrases and immediately accessing annotations which have been enhanced for this edition In a special prefatory essay Lanham introduces the features of this electronic edition and gives a vividly applied critique of this dynamic new edition
